Armrest

Take it even easier with a centre armrest between both front seats. As well as making life more comfortable, the armrest adds a bit more storage in your cabin.

Music&Communication

Stay connected on the move with our selection of state-of-the-art technology solutions to suit your music, navigation and communication needs.

ZGB 000 035 400

Voyager twin portable DVD system

Our portable twin screen, high resolution 7" TFT screen DVD system will stop them getting bored in the back. A secure mounting kit fixes screens to the front headrests, and two pairs of headphones let you enjoy the drive in peace.

Kenwood unit - ZGB 000 035 523
iPod connection lead - ZGB 000 035 521

YES PLEASE!!

Kenwood DNX 520 VBT

Our fantastic Kenwood head unit is a unique product manufactured to meet Škoda technical standards and fit the dashboard slot in your Roomster perfectly. The Kenwood represents the pinnacle of in-car entertainment with a built-in GPS navigator for Europe, integrated multimedia system and a USB port where you can hook up your iPhone, iPod* or MP3 player.

The 7" touch screen gives you instant access to functions such as the sat nav mode, tuner and Bluetooth hands-free calling feature.

*Requires an additional lead to connect an iPod.

Amundsen satellite navigation system

Keep on the straight and narrow with our state-of-the-art satellite navigation unit. With a high quality 5" colour touch screen, our integrated unit combines CD-ROM based 3D navigation* with an audio CD drive and an SD/MMC memory card reader for playing MP3 audio files or saving navigation data. Completing the line-up is a 3.5mm 'Aux-in' socket to connect MP3 players or iPods.

*Please note some navigation locations, such as remote rural areas or industrial estates, are not identifiable from a five-digit postcode search.

AZO 700 001

3.5mm jack to 3.5mm jack leads

Provides an interface to connect most MP3 players to the 3.5mm audio input port in your Roomster. Please note, this item does not display music details on stereo.

20cm - ZGB 000 035 595A
1.5m - ZGB 000 035 595

Media-In cables

A selection of cables to connect your MP3 music device to factory fitted stereo units. Allows you to control your music device via the stereo inputs and view song details on the stereo screen*.

Cables available for iPod, USB, Mini USB and 3.5mm jack connectivity.

iPod - AZO 800 001 Mini USB - AZO 800 003
USB - AZO 800 002 3.5mm jack - AZO 800 004

*Depending on the functionality of your music device.

AAN 800 002

4 Speakers

Love music? Then you'll love listening to it on 4 additional rear speakers that fit perfectly within the pre-manufactured sockets.

ABA 700 002

ZGB 000 035 111

Garmin nüvi 1210 Satellite Navigation with UK Mapping

The nüvi 1210 is a slim line, simple to use sat nav with Bluetooth technology for hands-free calls. Perfect for the safety-minded and fuel conscious, this navigator has turn-by-turn directions, ecoRoute, lifetime traffic avoidance and advanced speed camera alerts to keep you on time and safe on the road. Includes preloaded maps for the UK and Ireland and 1 year warranty cover.

Road Angel Professional†

The UK's number one safety camera and blackspot alert device. Easily updatable via a USB connection to your computer. Includes a stylish customisable interface and remote control.

Road Angel Professional Connected†

The world's first connected safety camera and blackspot alert device. Always connected via GPRS/GSM technology, which allows automatic updates on the move.

†Subscription fee and minimum contract period applies. Please refer to the current price list or visit www.accessories.skoda.co.uk for the latest information. Road Angel products include a 1 year warranty.

Blueconnect Bluetooth car phone kit

Enjoy talking hands-free with easy to use Blueconnect that fits discreetly into the headlining of your car. With voice-activation and the latest noise-reduction technology, Blueconnect really does look like a 'factory-fitted' option. Available in Beige or Grey to match your Roomster's interior.

Nokia HF 310 portable Bluetooth device

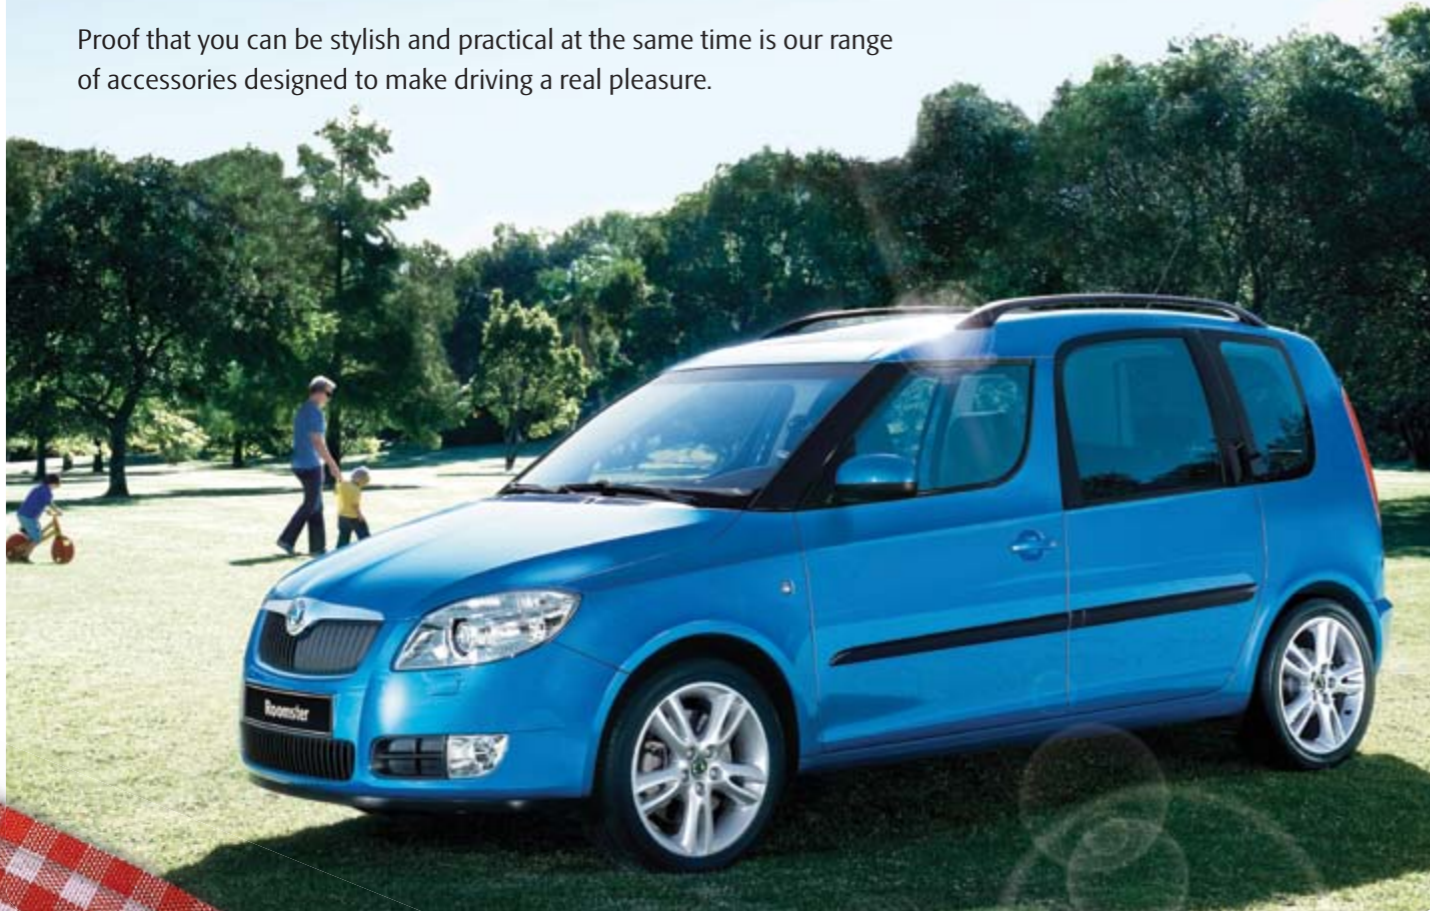

A high quality and discreet portable Bluetooth hands-free system, conveniently designed to attach to your sun visor, windscreen or dashboard.

ZGB 000 051 100

Comfort & Practicality

Proof that you can be stylish and practical at the same time is our range of accessories designed to make driving a real pleasure.

6 litre cabin cool/warm box

Hot or cold? Cool stuff to 20°C below room temperature or warm it to 65°C above with our compact 12V cool/warm box. Complete with external cup holders and a handy shoulder strap, it's perfect on a picnic or day out.

15 litre cabin cool/warm box

This 12V cool/warm box can be secured using a seatbelt, so your passengers can dip into it on the move. It's roomy too with 15 litres to fill with your favourite snacks and drinks.

Clothes hanger

For a crease-free jacket during travelling, this is the perfect accessory. Easy to attach and remove from the headrest bars.

Floor mats - set of four

Rubber are great for active lifestyles, with mud and dirt easy to wash away.

Roomster branded carpet mats enhance comfort whilst protecting your footwell. Easy to remove and clean.

Roomster branded luxury mats have a deeper pile for an ultimate luxurious feel.

Rubber - DCC 770 101 A Carpet - DCA 770 102
Luxury - DCA 770 103 A

Mudflaps

Available in pairs for both the front and the rear of your Roomster, these discreet mudflaps protect your car from stonechips and mud, whilst helping to keep waterspray to a minimum when driving. Front mudflaps are not suitable for Roomster Scout.

Front mudflaps - KEA 700 001
Rear mudflaps - KEA 770 002
Rear mudflaps - Scout - KEA 770 003

Parcel shelf extended cover

A useful accessory for those who need to keep items in the boot away from prying eyes. This waterproof and washable fabric cover extension bridges the gap between the existing parcel shelf and the rear seats allowing you to exploit the full benefit of your fore and aft sliding Roomster rear seats.

Ski bag

Carry up to two pairs of skis within the interior of your car without fuss or mess. Our ski bag allows flexible, secure and waterproof storage whilst driving.

Multi purpose bag

Waterproof, washable and with a load capacity of 15kg, our bag is ideal for storing children's toys or other bulky items. This versatile bag can be secured into the cabin or boot and has a handy shoulder strap for when you reach your destination.

Window sunblinds

Keep the sun out of your passengers' eyes or away from the shopping. Our range of sunblinds cover the rear side, boot side and boot rear windows.

Rear side windows - DCK 779 001
Boot side windows - DCK 779 002
Boot rear window - DCK 779 003

Window wind deflectors

Drive with windows open, without the noise, or rain. These wind deflectors fit the exact shape of your Roomster side windows, so you can drive with fresh air but no rain entering the cabin. Available in pairs for both front and rear windows.

Front - KCD 779 001
Rear - KCD 779 002

Get more out of your boot

DMK 770 002

Waterproof boot liner

Protect your boot from messy jobs with this practical and flexible boot liner. Made of rubberised, waterproof, easily washable material, the boot liner has very high sides attached by hanging hooks and velcro fasteners. It even includes a fold-out cover to protect the rear bumper when filling the boot.

DMK 770 003

Boot storage bag

Waterproof and washable, our portable storage bag fixes securely to the hanging hooks within the boot of your Roomster, storing items out of sight and under control.

DCC 770 002

Rubber boot dish

Our rubber boot dish is perfectly contoured to fit the exact shape of the boot floor in your Roomster. You can also use the netting system at the same time. Easily removable for cleaning this is a must have everyday accessory.

Floor - DAA 770 001
Sides - DAA 770 002
Clips - DAA 770 003

Raised boot floor

Our raised boot floor package creates an additional discreet storage area beneath the boot floor. A great accessory that is designed to provide easy-access storage for smaller items whilst providing a large boot space for bigger items.

DCE 770 001

Plastic boot dish

For the ultimate messy lifestyle, our plastic boot dish is manufactured from durable plastic with a 40mm raised lip to contain excessive dirt and moisture. Great for dumping muddy wellies or carrying your Begonias home from the garden centre.

DMMA 770 001

Dog restraint/luggage partition

Designed to fit the exact interior contours of your Roomster, our rigid metal partition grille is an invaluable accessory for those who carry bulky loads, a lot of luggage or indeed man's best friend. Safe and secure, the partition still allows the rear seats to fold and slide forward.

If we get this can we get a pet lion?

Boot floor net

DMA 770 001

Vertical boot nets

DMA 770 002

Parcel shelf net

DMK 770 001

Boot netting system

Make the most of your enormous boot space with a range of stretchy netting accessories that help you keep loose items under control in your boot.

Rear bumper protection

Protect the top surface of your rear bumper from scratches. These specially designed strips stop you doing any damage when loading your boot with awkward or bulky objects.

KDX 770 001

Fold-out reflective flap

Our removable, fold-out reflective flap gives excellent protection for your rear bumper. It also folds flat so you can store it in the boot when you're not using it. And the reflective warning triangle comes in handy for roadside emergencies.

517 071 133

Transparent film strip

Once applied, our transparent film protection affords excellent scratch resistance with the benefit of being almost invisible.

KDA 770 004

Raised plastic strip

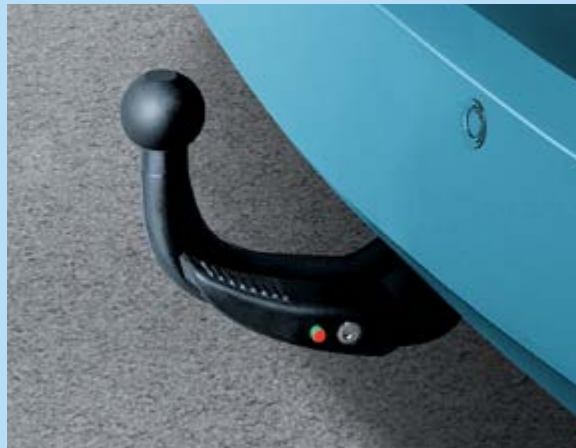

Slide large and heavy items in and out of the boot? Our raised plastic protection strip provides maximum scratch and dent protection to your rear bumper.

Towing & Racking

Bike, ski, camp, surf, whatever you're into (or however much you pack), we've got a tow bar or roof rack to help.

EEA 770 001

Detachable tow bar

Our detachable tow bar is manufactured to the highest quality. It's purpose designed to fit the exact specifications for your Roomster. Fully UK type approved, it has a maximum 1,200kg braked and 450kg unbraked towing weight capacity. Suitable for all models.

Towing electrics*

Available for Roomsters with or without factory towing preparation and 13-pin and 7-pin options.

With preparation - 5J7 055 316
Without preparation - 5J1 055 316 B
13-pin to 7-pin adaptor - ZGB 000 055 208 13

*Single electrics only - does not provide split-charge functionality.

1T2 071 105

Bicycle holder - tow bar

High quality, tow bar mounted rack for up to two bicycles. Comes with integrated number plate board and connecting electrics to ensure you remain legal whilst driving. Requires 13 pin electrics.

3T9 056 700

Bicycle holder - internal

For up to two bicycles to be secured in the security of the luggage area of your Roomster.

Roof racking

Your Roomster is already eminently practical. But our wide range of roof racking accessories extends its capabilities even further.

Bicycle holder

Fully adjustable and lockable bicycle carrier available in either silver aluminium or black. Depending on their width, it is possible to fit up to four bicycles on the roof of your Roomster.

Ski or snowboard rack

A lockable rack which carries up to four pairs of skis or two snowboards, safely and securely. Available in silver aluminium or black.

Surfboard holder

Designed specifically to hold a surfboard safely and securely.

Roof rail cross bars

Designed to perfectly fit the roof rails of the Roomster, these locking cross bars are simple and easy to install and secure from theft once attached. Essential for use with all Škoda mounted accessories. LAS 620 002 A

Roof rail

Make good use of your roof space. Our roof rails provide the basic mounting system for all Škoda roof mounted accessories. For use with the roof rail cross bars. LAH 770 001

Thule Pacific 100 lockable luggage box

For when your boot just isn't big enough. This 370-litre box is the perfect extension to your carrying capacity. With up to 50kg maximum weight, this full width box is aerodynamically designed to reduce wind resistance, noise and vibrations. 1390 x 900 x 390mm

Thule Pacific 500 lockable ski box

Capacity for up to five pairs of skis or four snowboards, this 320-litre box is designed to reduce wind resistance, noise and vibrations. This box is narrow enough to also carry a bike on the roof rack, maximising flexibility. 2260 x 550 x 370mm

Škoda lockable ski box

A lockable ski box which carries up to 5 pairs of skis or 4 snowboards. This box is designed with a lowered base for reduced air resistance, wind noise and vibrations. 380-litre capacity. 2150 x 800 x 350mm

Luggage basket

Sometimes you need even more storage. This lockable aluminium profile luggage basket includes a flexible luggage net with removable hooks and two 400mm straps. 790 x 1280mm

Safety & Security
