LOADED WITH INNOVATION.

PRECISION GERMAN ENGINEERING

If you've thought of it, the *Corsa* probably has it. Opel innovations make driving easier, safer, smarter and more fun – from the day you get your new car home.

Find out more about your favourite features on the following pages, and under the flap.

1. City Mode. Tight turns are easy when the steering feels light as a feather. Page **XX**.

2. Hill Start Assist (HSA). Start with ease on steep hills. HSA automatically stops you from rolling back. Page **XX**.

3. Advanced Park Assist (APA)¹. Let your car steer itself into parking spots. Page **XX**.

4. Innovative Opel Eye front camera¹. This intelligent safety system makes driving safer, cheaper and simpler. Page **XX**.

5. Side Blind Spot Alert (SBSA)¹. SBSA warns you via the side mirror if another vehicle enters your blind spot. Page **XX**.

6. Bi-Xenon headlamps with cornering lights and LED Daytime Running Lights¹. See corners better with lights that turn in the direction you're heading at low speeds. Beautiful LEDs help you be seen. Page **XX**.

7. Heated steering wheel, side mirror, seats and ThermoTec windscreen¹. Extra heating makes life easier and warmer in winter. Page **XX**.

8. IntelliLink¹. The state-of-the-art infotainment system with Voice Control that connects you to smartphone apps on a built-in touch screen. Page **XX**.

9. BringGo navigation app¹. Download BringGo to your phone and you've got a navigation system on IntelliLink. Page **XX**.

10. FlexFix[®] bike carrier^{1,2}. This bike rack vanishes into the bumper when it's not in use. Slide it out to mount two bikes on the back.

For more clever features go to www.opel.xx/corsa

¹Available as an option at extra cost. ²Please note that there are weight and size limits for bicycles carried with FlexFix[®]. Detailed information under www.opel.xx or at your Opel dealer.

GET CLEVER WITH CORNERS.

CITY MODE

Three-point turn downtown? No worries!
Every Corsa steers extra easy thanks to
City Mode¹ and an agile chassis.

- // Turn on City Mode with a switch in the dash
- // Ideal for parking and tight turns in town
- // Enjoy outstanding ride and handling

Curious about City Mode? www.opel.xx/corsa

¹City Mode is not available in combination with Opel Eye.

LET YOUR CAR DO THE PARKING.

ADVANCED PARK ASSIST AND SIDE BLIND SPOT ALERT

Pick your spot, let go of the wheel, and **your Corsa** parks safely. Side Blind Spot Alert helps you change lanes safely, too.

// Advanced Park Assist (APA) identifies suitable spaces

// APA enables hands-free parking¹

// Judge gaps using the IntelliLink display

// Side Blind Spot Alert monitors traffic in the next lane

// Icons in your side mirrors warn of vehicles you can't see

¹The driver works the pedals and gears.

WARMEST REGARDS, FROM OPEL.

HEATING FEATURES

Extend your winter break with sophisticated options you don't expect in a small car.

- // The heated leather steering wheel warms up fast
- // The heated ThermoTec windscreen **defogs and clears ice**
- // Heated front seats keep you cosy
- // Heated side mirrors put you in the clear

FINES YOU WON'T HAVE TO PAY.

THE CAN-DO CAMERA.

CLASS-LEADING SAFETY TECHNOLOGY

How does Opel Eye save you from speed traps? With an ingenious little camera just behind the windscreen.

- // Opel Eye offers automatic assistance 24/7
- // When roads are fast-moving and/or full
- // When you're distracted by traffic or passengers
- // When you're driving at night

To watch Opel Eye at work, visit www.opel.xx/corsa

Traffic Sign Recognition (TSR). On busy roads it's all too easy to miss a new speed limit or other important sign. TSR lets you know before you do.

Forward Collision Alert (FCA) and Following Distance Indication (FDI). FCA triggers warnings if you approach slower vehicles too fast from behind (above 40 km/h). FDI helps you keep your distance and avoid tailgating tickets.

Lane Departure Warning (LDW). You get a heads-up if you start drifting out of your lane above 60 km/h (without signaling first).

High Beam Assist (HBA)¹. HBA makes full-beam headlamps more effective – and easier to use. Enjoy full-beam visibility without distracting other road users.

¹ Available only with optional Bi-Xenon headlamps.

INTRODUCING YOUR THIRD EYE.

ADVANCED OPEL EYE SAFETY CAMERA

Opel Eye¹ doesn't just help avoid speeding tickets. It's one of the safest and most advanced assistance systems ever engineered in a car.

- // Traffic Sign Recognition warns before you break a rule
- // Forward Collision Alert helps prevent rear end accidents
- // Following Distance Indication helps maintain a safe gap
- // Lane Departure Warning helps you stay on track
- // High Beam Assist² makes driving easier and safer at night

To find out how Opel Eye does it, fold out the flap.

¹Not available as an option with City Mode. ²Available only with optional Bi-Xenon headlamps.

CAN TOUCH THIS.

YOUR SOCIAL NETWORKER.

INTELLILINK INFOTAINMENT

First-class infotainment makes [the Corsa](#) a completely connected car. Like award-winning¹ IntelliLink, that lets you safely access smartphone² functions and apps at the wheel.

// Connect portable devices via FlexDock[®], Bluetooth[®], USB or aux-in³

// Work your gadgets² with Voice Control and phone hands-free

// IntelliLink reads e-mails and text messages out loud

// Get the BringGo app for navigation; TuneIn and Stitcher[™] for digital radio

IntelliLink is brilliant. Go online to see how it works. www.opel.xx/corsa

¹The Connected Car Award 2013, awarded by automotive and IT experts at benchmark German magazines AUTO BILD and COMPUTER BILD. ²Compatible devices only. Please check with your device manufacturer. ³Connection type depends on device, interface and application.

SEE WHAT YOU'RE MISSING.

CORNERING LIGHTS AND REAR VIEW CAMERA

The Corsa makes light of reversing and manoeuvring. Let Opel optical innovations put your mind at ease.

// Cornering lights light the side you turn toward (below 40 km/h)

// When reversing, cornering lights point left and right

// Judge distances better with the Rear View Camera

// Superior Bi-Xenon headlamps light the road better at night

For more key safety options, go to www.opel.xx/corsa

SAVE ON FUEL.

SPEND AT THE SHOPS.

Revolutionary new Corsa engines cut fuel consumption so you can consume more where it counts – in your favourite shops. The 1 litre turbo is a perfect example of German-engineered excellence. Super-efficient and sporty, it's the best engine Opel has ever made.

GOOD CLEAN FUN.

3-CYLINDER 1 LITRE TURBO ENGINE

Even the most economical petrol engine of the Corsa comes turbocharged, with a silky-smooth gearbox and optional sports chassis. So it's affordable to run and still a great drive!

// ecoFLEX technologies cut petrol bills

// The 1 litre ecoFLEX Corsa with 66 kW (90 hp) lowers CO₂ to just 100 g/km

// Start/Stop cuts and restarts the engine in stop-and-go traffic

// The 6-speed manual transmission is super-smooth

// The optional sports chassis gives a firmer, even more responsive ride

// Choose from a range of ultra-modern engines

ecoFLEX

THE ONLY WAY IS UP.

HILL START ASSIST

Hill Start Assist (HSA) lets *your Corsa* automatically start up slopes without rolling back. You don't even need the handbrake.

// Pull away nice and relaxed

// Steep starts are as easy as on level streets

// HSA comes standard with *every Corsa*

For more on Hill Start Assist, go to www.opel.xx/corsa

STARS WITH STRIPES.

Get your show on the road with a [Corsa Color Edition](#). Or splash on the Bubbles decal foil.

THE CORSA COLOR EDITIONS.

Coordinated colours always stand out. Pick a **Corza** Color Edition to add a beautiful black roof, vibrant stripes and highlights to match.

// Customize the outside to match the inside

// Mix and match it up with optional packs

// Select 16" or 17" wheels

Sample the first Color Editions at www.opel.xx/corsa

LET THERE BE CHOICE.

THE CORSA TRIM LEVELS

Every **Corza** belongs to one of **five** trim levels: Essentia, Enjoy, **'Drive'**, Sport or Cosmo. Whichever you select, you'll drive an outstanding car.

For the comprehensive lists of features for all **five** trim levels, visit www.opel.xx/corsa

EACH TRIM LEVEL ADDS ITS OWN FEATURES TO THIS SUPERB SET OF STANDARDS:

- // 1.2 litre engine with 51 kW (70 hp) and 5-speed transmission

- // Air conditioning and red ambient lighting in front doors

THE ECONOMIC INDULGENCE.

'DRIVE' SPECIAL MODEL¹

The coolest way to get the best deal on your Corsa is to look for the special model 'Drive'. Impressive standard equipment and stylish features include:

- // Eye-catching 'Drive' badge
- // Special 'Drive' interior trim
- // Exclusive 15" twin-spoke alloy wheel option
- // High Gloss Black dial surrounds
- // Chrome-effect interior detailing

PURE LUXURY.

COSMO TRIM LEVEL

Blending precision engineering with top-class safety technology, the Cosmo is exceptional in every way. The price is modest and the features include the best of the best. Here are just some of the highlights.

// A choice of two distinctive and exclusive trims

// Extra-comfortable seats with Morrocana bolsters and rear seat pockets

// Rear seat back folds down with practical 60/40 split

// Stylish Bi-Xenon headlamps are safer at night

For all the Cosmo features, go to www.opel.xx/corsa

ONE SIZE FITS ALL.

THE 5-DOOR CORSA

This is the super-flexible **Cor**sa. Two extra doors make it simple to anchor child safety seats while a split rear seat adapts to baby buggies and big luggage alike.

// Five doors and a versatile boot are ideal for families

// **The adjustable seat back and the 60/40 folding rear seats** provide flexible loading space¹

// Three people can ride in comfort with a long load

¹60/40 split is standard on Cosmo and Sport. Available as an optional extra on Essentia, Enjoy and all 3-door models.

All information was accurate and up to date at the time of going to print. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Opel dealer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data are determined according to regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable), taking into consideration the vehicle weight in running order, as specified by the regulation. Additional equipment and factory-fitted options may lead to slightly higher results than the stated consumption and CO₂ figures. The figures for fuel consumption and CO₂ emissions do not relate to a specific vehicle and are not part of an offer. They are provided only for the purpose of comparison between different vehicles but may differ from the actual fuel consumption achieved in real-world driving conditions which are greatly influenced by driving style and operating conditions. Additional equipment and factory-fitted options may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. Driving performance figures assume a 75 kg driver plus a 125 kg load.
