OPTIONS.

Factory-fitted options customize your Vivaro for specialist tasks.

// Choose from a broad selection of options

// Adapt your van to your specific business needs

1. SLIDING DOOR, DRIVER SIDE. Ideal for confined locations and separate workspace compartments.

2. FLOORING & SIDE PROTECTION. Anti-slip, resin-coated 9-mm plywood flooring offers grip and protection for cargo and staff. Humidity-resistant, easy-clean, plastic-coated 4-mm plywood side panels safeguard both your load and your van.

3. REAR HEATING SYSTEM. A heat exchanger and fan keep rear seat passengers warm in winter. An optional additional boiler¹ heats the vehicle even quicker.

4. CONTROLS IN THE BACK. Additional heating and air-conditioning controls give your Combi passengers the VIP treatment.

ACCESSORIES.

When business parameters change, your van adapts with the times.

- // A host of accessories available post-purchase
- // Opel accessories are tailor-made for the Vivaro
- // Fit and remove as need be

Search our shelves. Go to www.opel-accessories.com for more options and accessories.

1. **ROOF CARRIER LADDER.** A must for safely loading and unloading the roof. This robust tubular steel ladder is available for the tailgate or swing doors.

2. **BASE CARRIER.** The sure-fire way to fasten long or awkward loads to the roof. The base carrier works best with a roof rack, ladder clamp, loading bars and load stop.

3. **INTERIOR ROOF RACK.** Using the space beneath the roof frees up space on the load floor. The rack loads up to 12 kg and comes with a load stop.

4. **TOWING HITCHES.** From the detachable tow ball to the flange tow bar and the heavy-duty pin and ball-type.

5. **WOODEN PROTECTION.** Tailored panels protect the side walls and wheel arches. The wooden floor comes in different strength and is available with anti-slip coating.

AFFORDABILITY IN ACTION.

- // Match a Vivaro variant to your specifications
- // Contact your Opel dealership for more details

The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Opel dealer for the latest information. M1: all figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data are determined according to regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable), taking into consideration the vehicle weight in running order, as specified by the regulations. Additional equipment and factory-fitted options may lead to slightly higher results than the stated consumption and CO₂ figures. The figures for fuel consumption and CO₂ emissions do not relate to a specific vehicle and are not part of an offer. They are provided only for the purpose of comparison between different vehicles but may differ from the actual fuel consumption achieved in real-world driving conditions which are greatly influenced by driving style and operating conditions. Additional equipment and factory-fitted options may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. Driving performance figures assume a 75 kg driver plus a 125 kg load. BIG STEPS. SMALL FOOTPRINT.

Opel is committed to reducing the impact of vehicles on the environment.

ECOFLEX SUSTAINABLE TECHNOLOGIES

- // Reduce fuel consumption to cut operating costs
- // Achieve high mileage with a low carbon footprint
- // BiTurbo models include Eco Mode for maximum efficiency

ECO MODE

- // Optimizes key system settings
- // Prompts driver to drive more efficiently
- // Summarizes consumption after each trip

START/STOP

- // Saves fuel and emissions
- // Cuts/restarts the engine when appropriate

SMART CHARGING

- // Reuses energy recovered from braking
- // Reduces fuel consumption

The logo for Opel's ecoFLEX technologies. The word "eco" is written in a lowercase, rounded, metallic font with a 3D effect. The word "FLEX" is written in a bold, uppercase, sans-serif font, also with a metallic 3D effect. The two words are joined together.

TRIMS AND SURFACES.

A smart van interior says a lot about your business.

INNOVATIONS THAT MEAN BUSINESS.

Opel innovations make our vans more efficient, safer, more versatile and more productive. They are more comfortable to drive, work and ride in throughout the year.

LED DAYTIME RUNNING LIGHTS. LED lights deliver better visibility and make your van more visible to other drivers. These stylish headlamps are always on. For more information, turn to page [XX](#).

BLIND ANGLE MIRROR. Mounted in the front passenger sunblind, this additional rear-view mirror can be tilted to give drivers a better view of what's behind the van. For more information, turn to page [XX](#).

REAR VIEW CAMERA. In combination with the park sensor, this dash-mounted screen helps you avoid low obstacles when reversing. For more information, turn to page [XX](#).

ELECTRONIC CLIMATE CONTROL. Set a different temperature for different parts of the Vivaro to keep driver and passengers comfortable in any weather. For more information, turn to page [XX](#).

BLUETOOTH® AND USB. Seamless connectivity comes standard with every Opel supplied radio or infotainment system in every Vivaro. Ideal for accessing portable digital devices. For more information, turn to page [XX](#).

BITURBO TECHNOLOGY. Opel BiTurbo engines use a sequential double turbo system to eliminate turbo lag and deliver smooth acceleration even at low revs. For more information, turn to page [XX](#).

MOBILE OFFICE. A combination of practical features such as the front of-ice bench seat that converts into a removable clipboard, hidden storage and stable desk for a laptop. For more information, turn to page [XX](#).

FLEXCARGO® BULKHEAD. This clever bulkhead has a load-through hatch under the front bench that effectively lengthens the load space on the passenger side to 4,15 metres. For more information, turn to page [XX](#).
