

OCTAVIA

GENUINE ACCESSORIES

ŠKODA

FULL OF CHARACTER

While there's no mistaking the Octavia's signature style and striking features, with the addition of Genuine Accessories it becomes unmistakably personal too.

Each feature in the range enables you to showcase your style to the highest level, while also providing the opportunity to customise your car in a way that doesn't just reflect your character, but enhances your lifestyle too. You'll also find a host of stylish extras simply designed to make your time behind the wheel more fun.

Whether opting for added safety or luggage capacity, greater comfort or a little more luxury, it goes without saying that every accessory has been rigorously tested and is fully compatible with the Octavia.

PUT TO THE TEST

When it comes to checking the quality of our alloy wheels, we're unapologetically testing. First they have to prove their resistance to corrosion, climatic influences and driving strain. Then the layer of heat-resistant paint is tested over and over for strength and durability.

A woman with long, wavy brown hair, wearing a tan blazer, is looking down at her smartphone. She is smiling slightly and has her left hand resting on her head. The background is a blurred cityscape with mountains in the distance. The word "INFOTAINMENT" is overlaid in large, white, bold, sans-serif capital letters across the middle of the image.

These Genuine Accessories have been designed to keep you fully online on the go, while opening up a whole new world of entertainment, information and communication.

CARSTICK

This clever device turns your car into a Wi-Fi hotspot in seconds, enabling you to take full advantage of the ŠKODA Connect system without having to use your smartphone's internet connection. Simply pop in a suitable SIM card, connect it to the USB slot in front of the gear lever and set it up via the Amundsen navigation system. You can then connect any Wi-Fi enabled device to your own onboard network. (000 051 409C)

UPDATE YOUR MAPS AND SOFTWARE

Our goal is to make your life easier and your trips a pleasure. To achieve this, we prepared a new Infotainment Portal for you, using state-of-the-art technologies. Visit infotainment.skoda-auto.com, enter your vehicle VIN code and see how easy it is. The system recognises which updates you need and offers you the chance to download them comfortably at home. If you buy a new ŠKODA vehicle or navigation system, you get free map updates of your Europe navigation database for three years.

MAP AND SOFTWARE UPDATES

It's important to know the latest shortcuts to take, places to park and routes to avoid. That's why we've created our Infotainment Portal, which enables you to quickly update and maintain your onboard systems helping you to save both time and money.

Simply head to infotainment.skoda-auto.com, enter your VIN code and the state-of-the-art system will identify any updates you need and give you the option to download them from the comfort of your home. What's more, if you buy a new ŠKODA vehicle or navigation system, you'll get free map updates of Europe for the first three years.

COMPATIBILITY LIST

This application shows which of your external devices, for example your smartphone or tablet, are compatible with the Octavia's many infotainment features such as SmartLink+.

PLAN AHEAD WITH MYDESTINATIONS

With the MyDestination online tool, you can set up any attractions and places of interest you want to visit well in advance of leaving the house. Once you're finished, simply import the list to your navigation device and you'll be ready to go the moment you jump behind the wheel.

SOFTWARE UPDATES

Don't forget to update other software in your Infotainment system.

Voice Control System

Once installed by an authorised ŠKODA partner, this smart software enables you to operate certain device functions via voice command such as the radio, telephone and navigation system. (Amundsen – 000 054 802 | Bolero – 000 054 802A)

Drive Activity Assistant

ŠKODA Genuine Accessories

This intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected it sends an audible and visual signal, recommending you take a break

COMFORT & UTILITY

COMFORT & UTILITY

The Octavia's interior wasn't simply designed to be spacious, it was designed to be used. Every day, in every way imaginable. These handy accessories will ensure you make the most of every inch, whether that's packing it full with messy sports gear, filling it with garden essentials or loading up for a weekend away with the family.

BEST FOOT FORWARD

When it comes to testing, you'll never find us putting our feet up. You will however find us putting them down, as we carry out a heel test on every one of our textile mats. This test replicates the action of the driver's foot on the accelerator, sinking the heel 5mm into the floor mat in both dry and wet conditions at an angle of 45°. An additional long driving test is also carried out, this time placing the focus on the brackets fixing the front floor mats to the car upholstery. It's only as a result of both tests that the perfect balance between driver comfort and safety is achieved.

HANDLE WITH CARE

Our racks undergo a number of demanding tests, from corrosion resistance and loading capacity to durability and water tightness. They're also subjected to simulated crash conditions, where a rack loaded with 90kg must remain on the car body under a force of approximately 12G. After all, the last thing we'd ever want is your luggage or bikes to go on a trip without you.

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.
