SUPERB – PERFECTION REIMAGINED

The challenge was to take an award-winning model and completely revolutionise it in terms of technical sophistication and design, enhance the functionality and refine it's beauty, whilst retaining its signature styling and luxurious interior.

Introducing the Superb.

Reimagined and reenergised it remains our most spacious, prestigious and technically advanced model. It also remains award-winning, having picked up **'Best estate car'** and **'Best executive car less than £25,000'** in the 2018 What Car? Car of the Year Awards.

COMMANDS ATTENTION FROM EVERY ANGLE

Authenticity, precision and purpose. The Superb's design conveys each of these in style. The perfectly balanced exterior proportions, sporty silhouette and dynamic horizontal lines have been enhanced, complemented as ever by razor-sharp angles throughout.

REAR LED LIGHTS

The Superb's rear lights also feature signature crystalline styling, with the reverse light and the LED part of the fog lights hidden behind decorative 'gems' for added distinction.

PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button.

FRONT LIGHT SYSTEM

This adaptive system adjusts light intensity to match the conditions, providing a wider lighting field for city driving and a longer reach for motorways. When oncoming traffic is detected, it automatically adjusts to prevent dazzling others.

MULTIFUNCTION STEERING WHEEL

The three-spoke multifunction steering wheel wrapped in leather with chrome elements puts sheer driving pleasure at your fingertips.

INNOVATION WITH INTENT

A car interior needs to be more than spacious and inviting, it needs to be intuitive too. Where everything is designed to enhance the drive. Whether that's the position of the controls, the precision of the dashboard or the clever use of ambient lighting.

BOARDING SPOTS

Another bright idea is the boarding spots, integrated into the door mirrors, allowing you to see where you're stepping when it's dark outside.

TRI-ZONE CLIMATE CONTROL

This intelligent system enables different temperatures to be set for the driver, front and rear passengers. It's also fitted with a humidity sensor to reduce windscreen misting.

LED INTERIOR LIGHT PACK

Selecting the Superb's LED ambient lighting is anything but a black and white decision. From the understated to the bold, 10 colour options are available.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the Superb helps you stay connected wherever your journey takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

SMARTLINK+

From taking calls to switching between your favourite playlists, SmartLink+ enables you to safely use your smartphone through the infotainment system. It also includes SmartGate, which enables you to record and analyse your drive.

NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With Bluetooth®, SmartLink+, DVD drive and two SD card slots, it offers complete connectivity on-the-go.

CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your Superb. The CANTON Sound System delivers powerful clarity from 12 speakers around the car.

WIRELESS CHARGING

The days of scrambling for a charger and untangling cables are over. Located within the centre console, the Wireless Charging and Phone Box boosts your smartphone signal, whilst charging Qi-enabled handsets.

STAY CONNECTED

The new ŠKODA Connect system turns the Superb into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates.

With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

MENU

HOME

FILL YOUR BOOTS

With one of the best luggage capacities in its class, you'll never have to compromise on what your pack. The Estate offers an impressive capacity of 660 litres, which extends to 1,950 litres with the rear seats folded down. That means ample room for all your business, pleasure and practical essentials.

ALWAYS FIT FOR PURPOSE

Famous for providing exceptional space, the Superb will help you make the most of it, thanks to a host of innovative features that celebrate the beauty of functionality.

JUMBO BOX

The Jumbo Box is extremely handy for holding cups, as well as storing your gadgets, house keys and books.

FOLDING HOOKS

Ideal for hanging your shopping bags on, these handy hooks will keep breakages and spillages to a minimum.

SPACIOUS STORAGE

Several storage compartments have been included in the interior to help you keep it looking its best. Some can also be air-conditioned, making it perfect for storing chilled refreshments.

BIG ON THOUGHTFUL TOUCHES

VIRTUAL PEDAL

On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment to open the boot.

Hidden compartments for your valuables. Protection against the elements. The best ideas aren't always the biggest, they're the ones that make your life easier.

ELECTRICALLY OPERATED BOOT

Open and close the boot without ever having to touch it. You can also adjust the height of the open position to suit your needs.

REAR-VIEW CAMERA

Located on the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

ICE SCRAPER

Mounted out of sight on the fuel cap this handy ice scraper is ideal for frosty mornings.

LED TORCH

Always ready to shed some light on your Superb, this removable LED torch recharges while the engine is running.

LOOKING OUT FOR YOUR SAFETY

The easier your time behind the wheel, the safer your drive will be. It's why the Superb boasts a wide range of smart assistance systems to make everyday driving scenarios simpler, not to mention seven airbags as standard for added peace of mind. The car has also been awarded the maximum five-star safety rating by Euro NCAP.

ADAPTIVE CRUISE CONTROL

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

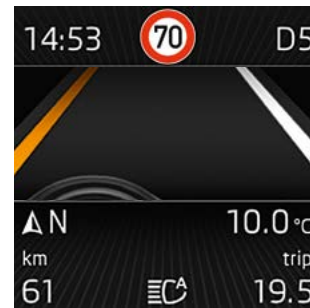

PARK ASSIST

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

BLIND SPOT DETECT

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

LANE ASSIST

Helping you stay in the intended lane of travel, Lane Assist uses a camera to detect road markings, and supports steering if you veer too close to the edge.

HIDDEN PROTECTION

Cleverly concealed under the steering wheel column, the knee airbag is designed to protect your joints and shins in the event of a collision. This is just one of the seven airbags included on-board as standard.

HIDDEN STRENGTH

The Superb's bold styling and class-leading space may grab the headlines, but the car's inner workings tell an equally compelling tale. It's here you'll find the new generation of direct-injection turbocharged engines. All share the same reliability, yet each has its own distinctive story to tell. One best heard on the open road.

FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit. Seven are available to choose from, each delivering a comfortable and compelling driving.

DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

DYNAMIC CHASSIS CONTROL

This feature lets you switch between four driving modes, giving you added comfort, power or grip, depending on your requirements.

SUPERB S

Packed with features and thoughtful touches, this entry-level trim remains one of the best-equipped luxury family cars around.

THREE-SPOKE MULTIFUNCTION LEATHER STEERING WHEEL

SWING RADIO WITH 6.5" TOUCHSCREEN DISPLAY

MANUAL AIR CONDITIONING

STANDARD EQUIPMENT

WHEELS

- > 16" ORION ALLOY WHEELS

EXTERIOR

- > HALOGEN HEADLIGHTS WITH LED DAYTIME-RUNNING LIGHTS
- > REAR LED LIGHTS (LOW FUNCTIONALITY)
- > REAR WINDOW WIPER (ESTATE ONLY)
- > BLACK ROOF RAILS (ESTATE ONLY)
- > BODY COLOURED DOOR MIRRORS AND HANDLES
- > FRONT FOG LIGHTS

INTERIOR

- > THREE-SPOKE MULTIFUNCTION LEATHER STEERING WHEEL

 Find your perfect seating position for any journey thanks to electrically adjustable front seats.

- > **LED INTERIOR LIGHT PACK**
 Includes decorative ambient lighting strips on the dashboard and front and rear doors which can be set to 10 colour options.

TEARING UP THE RULEBOOK

The newest edition to the award-winning Superb range is an altogether different beast. Its sporty silhouette and signature styling commands attention, but it's the combination of space, style and practicality that holds it. This is a car with attitude. This is the SportLine.

SUPERB SPORTLINE

While the SportLine's angular contours and sharp dynamic lines are inspired by the iconic Superb design, it's the pulse-racing sports styling that sets it apart from its peers. Features include the gloss black front grille, darkened fog lamps and distinctive exterior and interior styling.

ALLOY WHEELS

Enhancing the sportiness of the SportLine's exterior are the 19" Vega anthracite alloy wheels.

SUPERSPORT STEERING WHEEL

The three-spoke leather supersport multifunction steering wheel with silver stitching puts everything you need on your drive at your fingertips. DSG models also have the added feature of gearshift paddles.

EXTERIOR BADGING

The distinctive SportLine badge sits proudly above both front wheel arches.

PERFORMANCE MONITOR

Exclusive to SportLine, the Performance Monitor helps provide driver information such as oil and coolant temperature and even G-force acceleration.

ALCANTARA® SPORTS SEATS

The black Alcantara® sports seats with silver diamond stitching further enhances the interior's boldness, with the driver's seat being electrically adjustable.

SUPERB LAURIN & KLEMENT

While inspired by our past, this luxury level is the perfect reflection of our present day commitment to designing cars driven by something different. A true celebration of style, comfort and elegant functionality.

EXTERIOR BADGING

An elegant reminder of ŠKODA's founders, the original Laurin & Klement badge appears on both front wings.

ALLOY WHEELS

Enhance the style of the exterior further with optional 19" Trinity alloy wheels in anthracite.

DOOR SILL STRIPS

Proof that practicality can still be striking, the door sill strips feature the original Laurin & Klement inscription.

THREE-SPOKE STEERING WHEEL

The leather multifunction sports steering wheel with chrome elements lets you take control of your music and phone without ever taking your hands off the wheel.

LEATHER BACKRESTS

Another mark of exclusivity is featured on the leather seat backrests, which feature a meticulously embroidered Laurin & Klement logo.

DISTINCTIVE INTERIOR

The sophisticated leather interior comes in a choice of three colours, with perforated leather as an option.

TIME TO TAKE THE WHEEL

Before taking the Superb out for a spin on the open road, don't miss the opportunity to add your own personal spin to the way it looks, sounds and even performs.

With our handy online car configurator you can create your perfect Superb in just a few simple clicks. So whether doubling-up on smart assistance systems, supersizing your alloys or opting for more horsepower, bringing your unique vision to life couldn't be easier.

Visit: skoda.co.uk/models/superb and select **Build Your Own** to start creating.
