MEET THE NEW 2022 GMC SIERRA

The 2022 GMC Sierra 1500 sets the Professional Grade standard. With powerful capability, bold presence and advanced technology, Sierra delivers what it takes to handle what life throws your way.

Due to current supply-chain shortages, certain features shown throughout this catalog, including on the cover, have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

INTRODUCING SIERRA DENALI ULTIMATE: THE MOST ADVANCED AND LUXURIOUS PICKUP IN ITS CLASS¹

The New 2022 Sierra raises the bar of what a pickup can be.

Get after it on the road or the trail in the premium and capable New 2022 Sierra featuring the Sierra Denali Ultimate. With robust power, bold styling and an ultra-premium interior, the New Sierra is engineered and crafted to exceed your expectations.

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

OVER 40" (DIAGONAL) OF CUSTOMIZABLE SCREENS

Available Trailer Tire Pressure Monitoring System shown requires installation of trailer tire pressure monitor sensors.

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

Inside Sierra, large, gorgeous screens enhance your driving experience, offering over 40" (diagonal) of combined driver-focused digital displays—the most in its class.¹

- 13.4" Diagonal Center Touch-Screen Is Available
- Multicolor 15" Diagonal Head-Up Display Is Available
- 12.3" Diagonal Customizable Driver Information Center Is Available

YOUR SCREENS YOUR WAY

The all-new 13.4" diagonal GMC Infotainment System,¹ standard on SLE, Elevation, SLT, AT4, AT4X, Denali and Denali Ultimate, offers a wide range of screen combinations, features and reconfigurability, taking personalization to a whole new level.

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

AN UNCOMPROMISINGLY PREMIUM INTERIOR

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

Beautiful styling, first-class comfort and available high-end leather seating make the 2022 Sierra the most luxurious Sierra ever. Depending on the trim, Sierra offers a variety of luxurious upgrades and premium enhancements.

PULL IT ALL TOGETHER WITH PROGRADE™ TRAILERING

Sierra offers the most trailering-assistance technologies in its class.¹

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

ADAPTIVE CRUISE CONTROL

Sierra offers additional enhancements to available Adaptive Cruise Control¹ to enable use while trailering.

CAMERA VIEWS AND MORE

Up to 14 available camera views² including transparent trailer view, an available in-vehicle Trailering App³ and more comprise Sierra's suite of towing technologies.

ENHANCED SAFETY FEATURES

Sierra is engineered for safety and driver assistance with trailering in mind, including new available Trailer Side Blind Zone Alert,¹ which accounts for the length of a compatible trailer when changing lanes.

AVAILABLE IN-VEHICLE TRAILERING APP¹

- Create up to Five Defined Trailer Profiles
- Predeparture Checklists
- Trailer Light Sequence Test
- Trailer Tire Pressure and Temperature Monitoring System²
- Counter for Trailer Mileage

SMART TRAILERING

AVAILABLE myGMC MOBILE APP¹ FEATURES:

- Create and Manage Trailer Profiles
- Run Trailer Light Sequence Tests
- Reference Predeparture Checklists
- Use the Trailer Load Calculator to Determine the Combined Weight of Your Truck and Trailer
- View and Receive Alerts on Key Components of Your Trailer Such as Tire Pressure Monitoring² and Trailer Miles

Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

CARRY THE LOAD

- Roll-Formed High-Strength Steel Bed Floor
- Spray-on Bedliner Is Available
- Large Footwells in CornerStep Rear Bumper
- 12 Tie-Downs: Three in Each Corner Rated at 500 lbs¹ per Corner
- Up to Nine Movable Accessory Upper Tie-Downs Are Available
- 120-Volt Power Outlet Is Available
- LED Cargo Area Lamps Are Available

CONFIDENCE IN SIGHT

In Sierra, your confidence is enhanced by up to 14 available camera views¹—including the industry-first available transparent trailer view, which helps you virtually see right through a compatible trailer.

UP TO
14 AVAILABLE
CAMERA
VIEWS¹

- | | |
|--|--|
| 1. TRANSPARENT TRAILER VIEW (REQUIRES COMPATIBLE CONVENTIONAL TRAILER) | 9. FRONT SIDE VIEW |

JACK-KNIFE ALERT

Included with available High Definition Surround Vision, Jack-Knife Alert tracks the position of a compatible trailer in relation to the vehicle and an alert is displayed if the front of the trailer approaches the rear of the vehicle. Based on vehicle equipment and user settings, the visual alert may be accompanied by audible or Safety Alert Seat notifications if equipped. Jack-Knife Alert is not compatible with gooseneck or fifth-wheel trailers.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

TRAILER LENGTH INDICATOR

When enabled and driving forward with the turn signal activated, the available Trailer Length Indicator displays as a red overlay twice the length of a compatible trailer to show when other vehicles are present and may interfere with a lane-change maneuver.

Trailer Length Indicator is not compatible with gooseneck or fifth-wheel trailers.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

KEEP YOUR CONNECTIONS STRONG

Three years of the OnStar® and Connected Services Premium Plan¹ are included on select Sierra 1500 models. With this plan, eligible vehicles² can enjoy the added peace of mind of the OnStar Safety & Security Plan³ and the complete suite of available connectivity features included in the Connected Vehicle Plan.⁴

ONSTAR AND CONNECTED SERVICES PREMIUM PLAN INCLUDES:

- In-Vehicle App⁵ Access
- In-Vehicle Wi-Fi® Hotspot Data⁶
- OnStar Guardian™ App⁷
- myGMC Mobile App⁸
- Automatic Crash Response⁹
- Emergency Services
- Crisis Assist
- Roadside Assistance¹⁰
- Stolen Vehicle Assistance¹¹
- Google built-in¹²

AT4X shown with available accessories. Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

HELP WHEN YOU NEED IT

With available OnStar® Safety and Security, you'll have added peace of mind knowing an Emergency-Certified Advisor¹ is ready to help. Whether it's a crash, a vehicle theft or an emergency situation, help is available 24/7.

The Safety & Security Plan² includes the OnStar Guardian App,³ which lets you access the key OnStar safety services you depend on right from your phone. Help in a crash, assistance with a flat tire and more are available through your smartphone. Best of all, you can share OnStar Guardian with up to seven of your loved ones at no additional cost.

Preproduction model shown. Actual production model may vary. Available spring 2022. At participating dealers. Reservation does not guarantee delivery within a certain period of time.

IMPORTANT WORDS AND LEGAL DISCLOSURES

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY GMC will warrant each 2022 Sierra from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first; see dealer for details).

POWERTRAIN LIMITED WARRANTY Every 2022 GMC Sierra comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Sierra 1500 Light-Duty (LD) pickups equipped with a 3.0L Duramax Turbo Diesel engine are covered by a 5-year/100,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your GMC dealer for details.

ONSTAR® AND GMC CONNECTED SERVICES

Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. See onstar.com for details and limitations.

GMC CERTIFIED SERVICE

To help your Sierra live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Sierra, GM-trained technicians have the expertise to help care for it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Sierra on our website: gmc.com/sierra. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide; spec out your own vehicle. Or call 1-800-GMC-8782.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of publication, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment and latest available competitive information available at time of publication. Excludes other GM vehicles.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

READY, WILLING AND INCREDIBLY ABLE

Make it happen with Sierra's impressive capability with up to 13,200 lbs¹ of max trailering (8,800 lbs¹ as shown). Sierra offers a choice of available robust engines to give you the power to take on the open road or the trail to get the job done.

Available accessories shown. Due to current supply-chain shortages, certain features shown have limited or late availability, or are no longer available. See the window label or a dealer regarding the features on an individual vehicle.

¹13,200-lb rating requires a properly equipped Double Cab 2WD model with available 3.0L Duramax Turbo Diesel engine, available Max Trailering Package and available 20" wheels and tires. 8,800 lbs as shown requires a properly equipped Crew Cab short bed 4WD model with 6.2L V8 engine. Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer.

AVAILABLE 6.2L V8 ENGINE

- 420 Horsepower
- 460 lb-ft of Torque

CONFIDENCE IN SIGHT

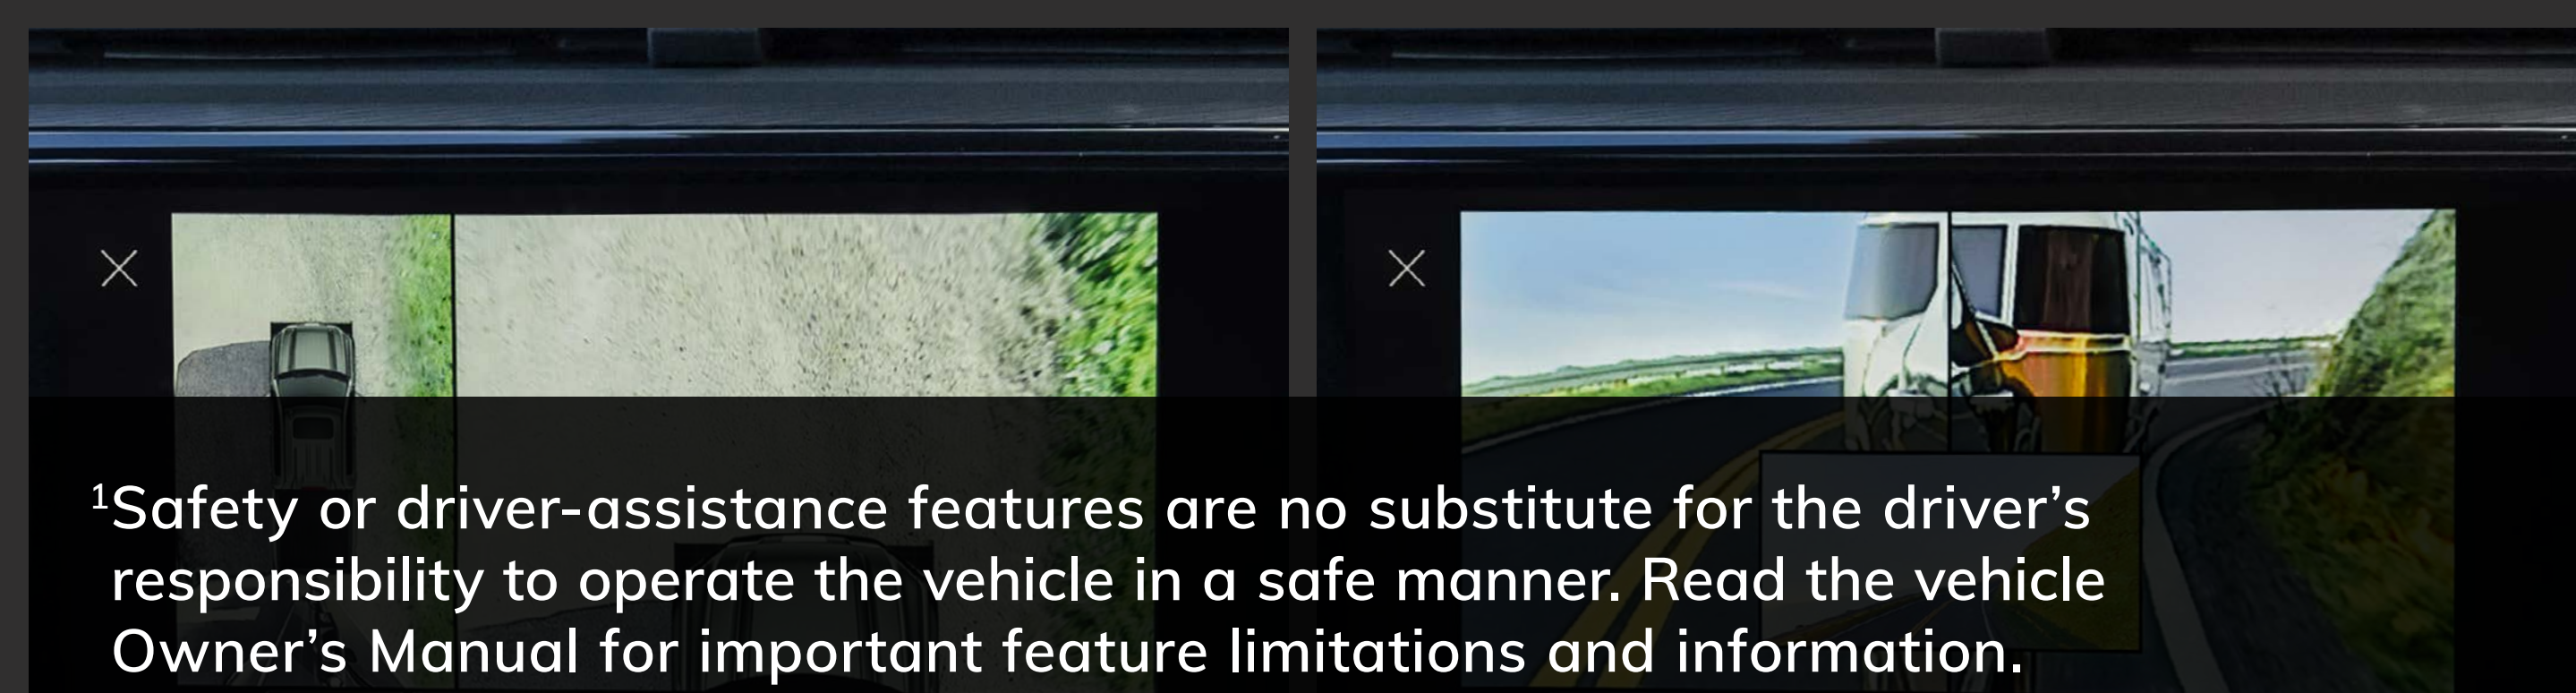

In Sierra, your confidence is enhanced by up to 14 available camera views¹—including the industry-first available transparent trailer view, which helps you virtually see right through a compatible trailer.

¹Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details.

UP TO 14 AVAILABLE CAMERA VIEWS¹

1. TRANSPARENT TRAILER VIEW (REQUIRES COMPATIBLE CONVENTIONAL TRAILER)
2. HITCH VIEW
3. CARGO BED VIEW (WITH ZOOM VIEW AND HITCH GUIDELINE)
4. FRONT CAMERA VIEW
5. REAR CAMERA VIEW
6. SURROUND VIEW
7. FRONT TOP-DOWN VIEW
8. REAR TOP-DOWN VIEW
9. FRONT SIDE VIEW
10. REAR SIDE VIEW (WITH TRAILER BIASING) (REQUIRES COMPATIBLE CONVENTIONAL TRAILER)
11. REAR TRAILER VIEW (WITH GUIDELINES AND TRAILER ANGLE INDICATOR) (REQUIRES COMPATIBLE CONVENTIONAL TRAILER)
12. INSIDE TRAILER VIEW
13. PICTURE-IN-PICTURE SIDE VIEW
14. REAR CAMERA MIRROR

¹Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. Some camera views require available accessory camera and installation. Not compatible with all trailers. See your dealer for details.

¹Connected vehicle services vary by vehicle model and require active service plan, working electrical system, cell reception and GPS signal. OnStar links to emergency services. See onstar.com for details and limitations. ²Available on vehicles built after June 2022 (excludes select Sierra Pro models). ³OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. See onstar.com for details and limitations. ⁴Connected Vehicle Plan does not include emergency or security services. Service varies with conditions and location. Data plans provided by AT&T®. See onstar.com for details and limitations. ⁵Available on select GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Requires active service plan and paid AT&T vehicle data plan. ⁶Service varies with conditions and location. Requires active service plan and paid AT&T data plan. See onstar.com for details and limitations. ⁷U.S. and Canada only. Available on select Apple® and Android devices. Mobile Crash Response services are intended for use in vehicles only and can connect automatically on Android devices only. Service coverage varies with conditions and location. Service availability, features and functionality vary by device and software version. Device permissions are required for app to operate properly. OnStar links to emergency services. Device and app may not transmit all crash data. See onstar.com for details and limitations. ⁸Available on select Apple® and Android™ devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. See onstar.com for details and limitations. ⁹Automatic Crash Response may not transmit all crash data. ¹⁰Roadside services provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. ¹¹Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. ¹²Google built-in services are subject to limitations, and availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Play and Google Maps are trademarks of Google LLC.

KEEP YOUR CONNECTIONS STRONG

HELP WHEN YOU NEED IT

With available OnStar® Safety and Security, you'll have added peace of mind knowing an Emergency-Certified Advisor¹ is ready to help. Whether it's a crash, a vehicle theft or an emergency situation, help is available 24/7.

The Safety & Security Plan² includes the OnStar Guardian App,³ which lets you access the key OnStar safety services you depend on right from your phone. Help in a crash, assistance with a flat tire and more are available through your smartphone. Best of all, you can share OnStar Guardian with up to seven of your loved ones at no additional cost.

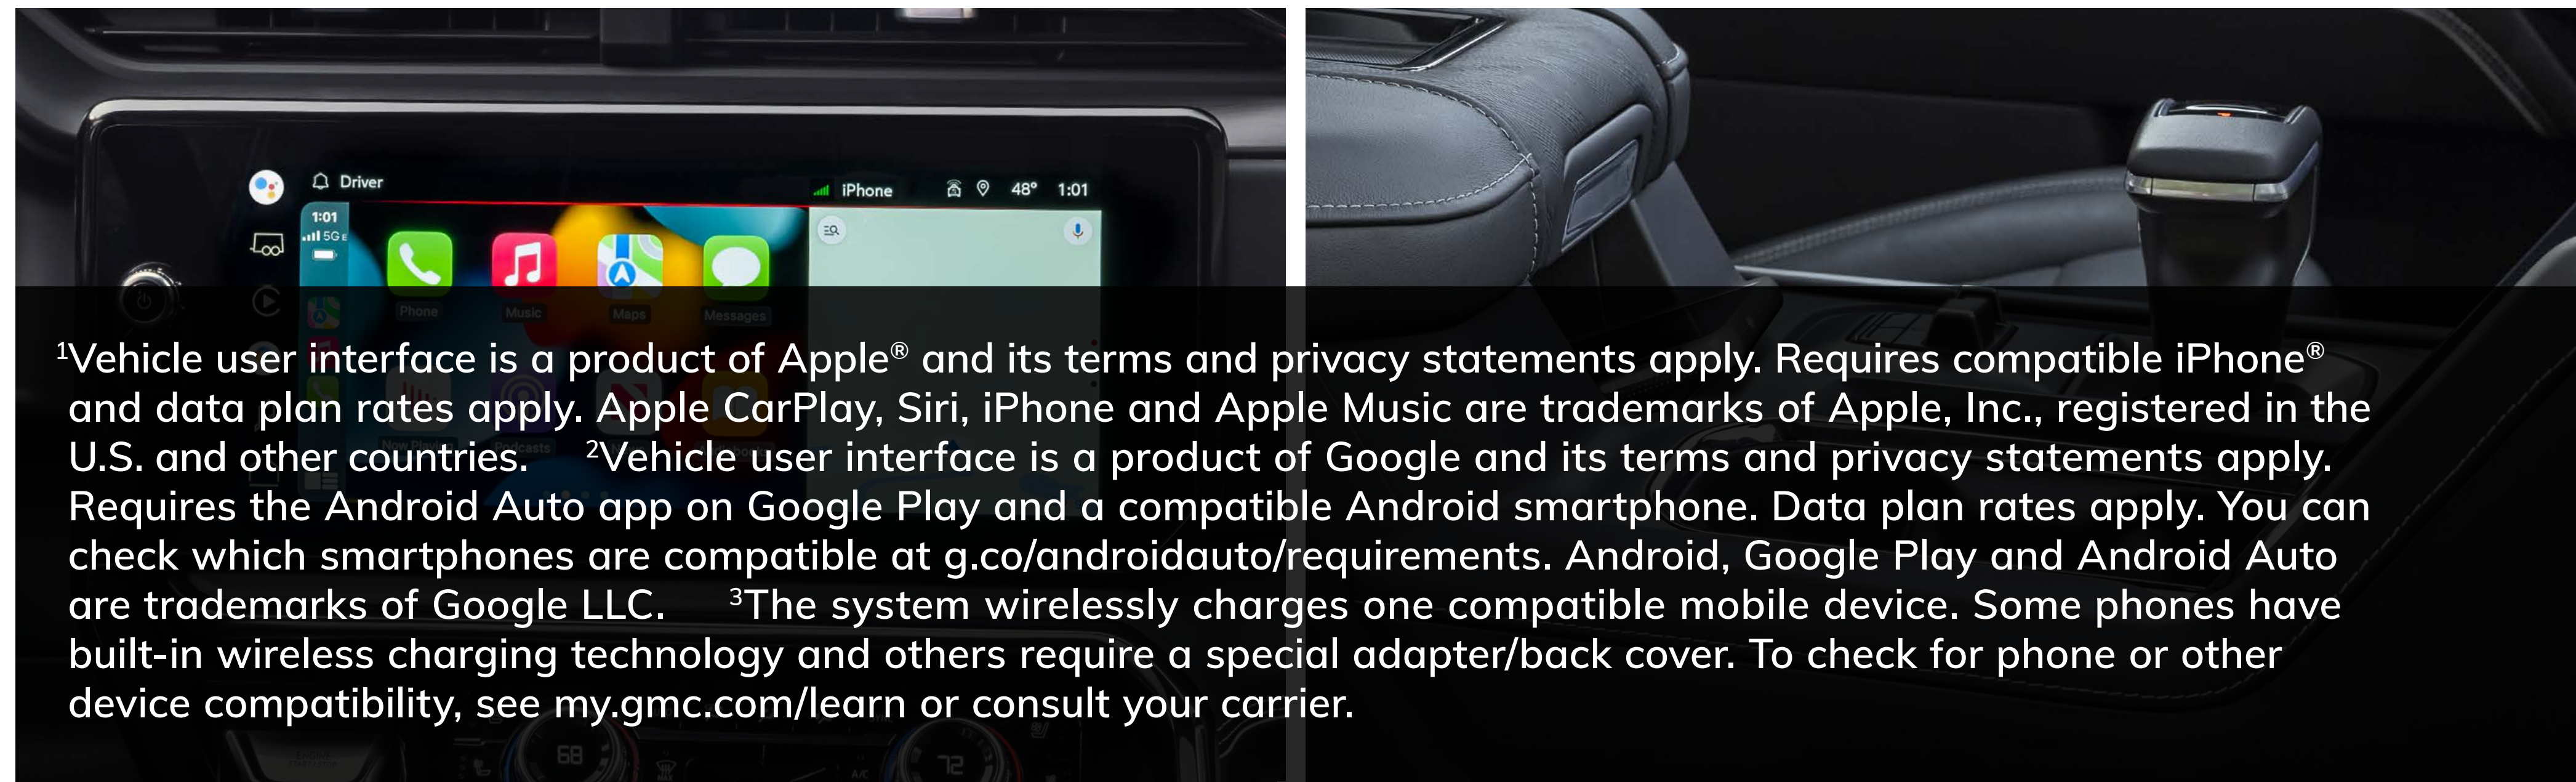

¹OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch.

²OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. See onstar.com for details and limitations. ³U.S. and Canada only. Available on select Apple® and Android devices. Mobile Crash Response services are intended for use in select vehicles only and can connect automatically on Android devices only. Service coverage varies with conditions and location. Service availability, features and functionality vary by device and software version. OnStar Guardian service plan (stand-alone plan, add-on plan or plan that includes the service), cell reception, GPS signal and device data connection required. Terms apply. Device permissions are required for app to operate properly. OnStar links to emergency services. Device and app may not transmit all crash data. See onstar.com for details and limitations. Pricing and availability subject to change. You may cancel at any time by calling 1-888-4ONSTAR (1-888-466-7827).
