LONG LIVE THE OCTAVIA!

OCTAVIA has long been ŠKODA's most successful model. To maintain this privileged position looking forward, it requires constant development and innovation in all areas, including design, comfort, handling, crew safety and environmental friendliness.

We are honoured and pleased that the new **OCTAVIA** is literally teeming with new features and, even at this early stage, we are certain that it will do its name proud.

ALLOY WHEELS

CHOICES, CHOICES.

Some decisions are rewardingly difficult. Do you make a statement with matt black? Stand out with premium metallic? Or keep it strictly professional? Whatever your style, there will be an alloy wheel to match.

Prices shown are per wheel fitted. Tyres sold at additional cost.

ALLOY WHEELS

When it comes to checking the quality of our alloy wheels, we unapologetically put them through their paces. First, they have to prove their resistance to corrosion, climatic influences and driving strain. Then, the layer of heat-resistant paint is tested over and over for strength and durability.

Prices shown are per wheel fitted. Tyres sold at additional cost.

To ensure the maximum safety of your smallest passengers, our child seats feature variable mounting options that allow you to transport your child both with and against the direction of travel, depending on their position in the car.

PRACTICAL AND VARIABLE

The intelligent design of these child seats allows your child to be seated both in the back of the car, but also on the front passenger's seat where you can keep a closer eye on them. The seats also cleverly adapt to the ever-changing size of your children, making them a great long-term investment.

PERFECTLY VERIFIED

All our child seats comply with European safety regulations (EHK 44.04) and have been rigorously tested. Their high quality and safety is further highlighted by their excellent results in the Euro NCAP impact test, together with successful non-combustibility testing, harmful substance ratings and cover quality.

CONNECTIVITY

ŠKODA CONNECT

IT'S ABOUT THE JOURNEY, NOT JUST THE DESTINATION

With the ŠKODA OCTAVIA, everyone in the vehicle can enjoy the trip. A connected multimedia system makes it easy to communicate with friends and family, get the information you need, and keep you and your passengers happy and entertained while you drive.

Use the ŠKODA Connect App to remotely check the status of the vehicle, lock or unlock it, or display its parking position, using your mobile device, with a number of further functions just waiting to be explored. Benefit from statistical insights into your last trip, and use them to plan a more efficient route next time.

MYŠKODA APP

EVERYTHING ABOUT YOUR CAR IN YOUR POCKET

Imagine an app for your smartphone that serves as your companion every day. An app that provides you with detailed information about your car and its service wherever you are. A way to get immediate help from roadside assistance or your favourite dealer. A true personal assistant making sure you always arrive on time.

Meet the MyŠKODA App.

MyŠKODA App is a mobile application available for iOS (Apple) and Android (Google) devices. Its principal task is to help you in various daily situations connected not just to your car. The application is equipped with PAUL (Personal Assistant U Love) – an interactive assistant who guides you through the app and helps with daily issues.

MY CAR

A key part of the app is focused on your car. Car Data offers the latest summary about your car and its service appointments, Car Manual is an interactive copy of the Owner's Manual, and a whole range of step-by-step tutorials is available in the Before You Start, Control Lamps, Quick Tips, Video Tips and Simply Clever sections. You can receive selected latest data from your vehicle directly in your mobile phone by connecting with compatible infotainment system.

MY DEALER

The MyŠKODA App comes with a hotline connecting you to your favourite dealer. Browse the opening hours and offered services, or request an appointment by filling out a simple form so the dealer can call you back.

ASSISTANCE

Whether you are stranded on the side of the road or your car doesn't start in front of your house, ŠKODA Assistance is just 3 clicks away. Tap on the receiver icon and let our team get help to you as quickly as possible.

CALENDAR

PAUL keeps an eye on traffic, weather and the fuel tank to let you know if there might be any trouble on the road and if you should set off earlier. He can activate your alarm earlier if there is a chance you might be late because of heavy traffic or bad weather.

GET THE MOST IMPORTANT CAR INFORMATION ON YOUR MOBILE

ŠKODA Connect Lite is the intelligent, connected vehicle assistant. It connects you to your ŠKODA that you are constantly informed about your vehicle, your driving style and your trips. Connect Lite is the connectivity solution compatible with most models manufactured from 2008.

ŠKODA Genuine Accessories

MYŠKODA

UNDERSTAND YOUR ŠKODA AND ITS SERVICE NEEDS

MyŠKODA shows you the most important information about your car, such as the mileage, fuel level, pending service intervals, current warning signs and lights and the appropriate explanations and recommendations for action.

TRIPS

MANAGE AND EXPORT YOUR DIGITAL LOGBOOK

Your digital logbook records all trips with start, destination, date, time, duration, distance and fuel costs per trip. You can analyse your driving style per each trip, display its statistics or export Electronic logbook for chosen time period.

STATISTICS

IMPROVE YOUR DRIVING STYLE AND SAVE FUEL AT THE SAME TIME

Your driving style will be examined more precisely for maximum drive efficiency. Acceleration, braking behaviour, speed, RPM and coolant temperature will be recorded and summarized for you at a glance in a graph.

ASSISTANCE

CONTACT THE 24-HOUR SERVICE HOTLINE

In case of a technical breakdown or even an accident, the app enables you to get in touch with the national 24-hour breakdown services at home or abroad, or the ŠKODA service hotline.
