DATSUN CHERRY F11 *estate*

CHERRY FII

GLS hatchback estate

The Cherry FII Estate gives you the best of both worlds. It's a stylish three door hatchback with folding rear seats, front wheel drive, rack and pinion steering and front disc brakes. And it's a really spacious estate car that can swallow 52.6 cubic feet of luggage with the rear seat folded down! With four passengers it will still give you 34 cubic feet of space!

It's world famous 988 c.c. engine gives the Cherry hatchback estate a top speed in the upper 80's and around 40 m.p.g. in normal driving — on low grade petrol of course!

The Cherry GLS estate is equipped in true Datsun style with reclining front seats, head restraints, fitted carpets, heated rear window, cigar lighter, power assisted brakes, reversing lights, hazard flashers, radial tyres and so on.

The Cherry FII Estate is an exciting hatchback with the virtues of a roomy estate. And because it's made by Datsun you can rely on the quality that brings trouble-free motoring.
