

**The New  
Datsun  
Bluebird**

# New Bluebird Saloons

Outstanding new executive family saloons featuring the latest Datsun styling, refined luxurious interiors and new mechanical features including advanced "zero scrub" front suspension, rack and pinion steering and ventilated front disc brakes.

The New Bluebird saloons are available with 1.6 or 1.8 litre overhead camshaft engines proven in millions of Bluebirds around the world to give outstanding reliability with economy.

Roomy interiors are totally colour co-ordinated and seats are upholstered in attractive new chequered cloth trimmed with vinyl leatherette.

Comprehensive instrumentation and a high level of luxury equipment make the new Bluebird saloon a quality car that's as impressive to drive as it is to be seen in.

# New Bluebird 1.8 litre SSS Coupe

The New Bluebird SSS is a stylish high performance coupe designed for the motoring enthusiast – and his family.

For the sporting driver it has a powerful twin carburettor engine, close ratio 5-speed gearbox, fully independent suspension and precise rack and pinion steering.

The SSS coupe is also a comfortable 4-seater and features a 'multi-position' driver's seat and special 'walk-in' device for easy access to the rear seats.

Luxury equipment includes digital quartz clock with day and date display, variable intermittent wiper, interior boot and fuel lid release, roof mounted console with map light as well as the 'standard' Datsun equipment such as push-button radio, tinted glass, rev counter etc.

A stylish, luxurious, high performer – the New Bluebird SSS

# New Bluebird Estate

Completing the range is the elegant New Bluebird estate car – an attractive and versatile vehicle designed for the motorist looking for saloon car comfort and luxury with the advantage of extra space.

The New Bluebird estate has five doors including a wide, high lift tailgate assisted by gas filled struts. A 'one touch' control lets you fold down the rear seat to give a remarkably spacious load area 65 inches long and 54 inches wide.

Like the other Bluebird models the estate car has a colour co-ordinated interior with luxury cloth upholstered seats trimmed with vinyl leatherette and a full complement of advanced equipment including digital quartz clock, rev. counter, push button radio, variable intermittent wipe, tinted glass plus a rear screen wiper and washer and interior tailgate release.
