New Sunny Saloons

Britain's best selling traditional imported car for five successive years, the Sunny now has crisp new styling and a modern redesigned interior.

The famous 1.2 litre engine gives lively performance, excellent economy and legendary reliability. The four door saloon is now also available with the more powerful 1.4 litre Sunny engine. A precise gearchange, power assisted brakes and light steering make driving easy and enjoyable. Luxur standard equipment includes MW/LW radio, quartz clock, tinted glass, three speed wipers including intermittent and wash/wipe, choke and handbrake warning light, cigar lighter and much more.

The New Sunny Saloon brings a high level of refinement and quality to compact family motoring, combining style and luxury with economy and reliability.

New Sunny Coupe

Elegant 3 door hatchback with sleek distinctive lines. A 1.4 litre engine, slick 4-speed gearbox and special four-link coil rear suspension give the New Sunny Coupe sporting performance with safe handling. A close ratio five speed gearbox is available at extra cost. The comfortable interior is luxuriously equipped with soft touch cloth upholstery, wall-to-wall carpeting and the latest features like a special 'walk-in' device for easy entry to the rear seats. The hatchback style tailgate gives access to the spacious luggage area. Operate a 'one touch' control and the rear seats fold individually to give 'multispace' carrying capacity.

Standard equipment includes a push-button radio, rev counter, quartz clock, tinted glass, three speed wipers with intermittent and wash/wipe, heated rear window, choke and handbrake warning lights and much more.

New Sunny Estates

The New Sunny Estates are designed for the family man looking for economy in comfortable, well equipped four seaters with extra load carrying advantages. There's a highly practical estate with wide, high-lift tailgate and fold down rear seat giving a remarkable load area over five feet long. Standard equipment includes three-speed wipers with intermittent and wash/wipe, quartz clock, MW/LW radio, tinted glass, cigar lighter and much more.

There's also a stylish fastback estate with 1.4 litre engine giving brisk performance with a top speed of up to 96mph. Refined fastback interior is fully equipped and features soft touch cloth upholstery, deep pile fitted carpets and rear seats that fold individually to cater for awkward equipment. New four-link coil rear suspension is specially designed for superior riding comfort and safe, predictable handling.
