Stanza 1.6 3 door Hatchback

Outstanding new front wheel drive hatchback with lightweight overhead camshaft engine and 5-speed gearbox, giving exceptional fuel economy of up to 51.4 mpg. Engine and transmission are fitted transversely to allow maximum use of interior space. The whole interior is colour co-ordinated with cloth upholstery and sculptured seats that are thickly padded to give excellent support, particularly on long journeys. Rear seats fold individually, so you can choose whichever combination of passengers and luggage space that suits your particular needs. Standard equipment includes interior tailgate and fuel lid release, walk-in device for easy access to the rear seats, quartz clock, variable intermittent wipers, rear wash/wipe, tinted glass, MW/LW radio and much more. The SGL model (illustrated) also features stylish alloy wheels, remote control rear side window openers, rev. counter, digital clock with day/date display and so on.

Stanza 1.6 4 door Saloon

Elegant four door saloon combining advanced design with precision engineering to give you the reliability for which Datsun are world famous. A 1.6 litre overhead camshaft engine combines high torque with low vibration and reduced friction levels to achieve high performance with maximum durability. A 5 speed gearbox features two overdrive gears for relaxed economical cruising. The saloon interior offers generous accommodation for all the family. Front seats are fitted with adjustable head restraints and all seats are upholstered in an attractive durable cloth. The wide, comfortable rear seat has a centre armrest that can be folded down for additional support. The family sized boot is over 5 feet wide, almost 3 feet long and 18 inches deep. Standard equipment includes remote control door mirrors, interior boot and fuel lid release, luggage area lamp, maintenance free battery, childproof rear door locks, quartz clock, tinted glass, MW/LW radio and much more.

Stanza 1.6 5 door Hatchback

Stylish five door hatchback available in three versions: 1.6 litre GL and SGL (illustrated) both with 5-speed gearbox and a 1.8 litre SGL automatic. They're light and easy to drive thanks to rack and pinion steering and fully independent suspension. An advanced dual shock absorber system gives an impressively smooth and quiet ride. 5 door SGL models feature power assisted steering and a tilt adjustable steering wheel. The Stanza is one of the most spacious cars in its class so there's plenty of room for you and your passengers to relax and be comfortable. There are no less than 10 handy storage spaces from a lockable, illuminated glovebox, to useful pocketed front door armrests. A hinged parcel shelf allows easy access to the luggage area from inside the car. There's a highly advanced heating and ventilation system controlled pneumatically providing you with all weather comfort literally at the touch of a button.
