NISSAN SERVICES GO FURTHER

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the most to ensure that your van stays where it belongs - working for you, on the road.

THREE YEAR MANUFACTURER'S WARRANTY

Interstar, like all Nissan commercial vehicles is backed by a 3 year or 60,000 miles (whichever is the sooner) warranty. This comprehensively covers your new Nissan from defects in materials or workmanship.

SIX YEAR ANTI-PERFORATION & THREE YEAR PAINTWORK WARRANTIES

Interstar is finished in electrostatic paint and features under-body stone protection to guard Interstar from corrosion and damage. For your reassurance, Interstar's body is protected by a

six year anti-corrosion warranty with paintwork protected by a three year warranty.

ROADSIDE ASSISTANCE

Free roadside assistance for the first year of your Interstar's life is provided in association with the RAC.
