

The new Honda Accord

Model shown: Accord 2.4 i-VTEC Type-S with 17" Alloys

The new Accord spares nothing in pursuit of refinement, luxury and relaxed yet exhilarating driving. From the sculpted, muscular curves of the exterior through to the spacious interior finished with the finest materials, the new Accord exudes a feeling of strength and solidity. Under the bonnet the innovative 2.0 i-VTEC or the all new 2.4 i-VTEC engines deliver the best balance of performance, emissions and fuel economy in the class whilst the chassis offers excellent grip and balance married to responsive and communicative steering. And that's just for starters. All models come with exceptional standard specification to make driving more enjoyable and safe. All things considered, the new Accord is a superbly engineered, quality car that is set to become a modern classic.
