

Model shown: Jazz 1.4 i-DSI SE Sport

The Jazz has just been awarded 'Supreme Honour - Car of the Year 2002' by Auto Express. But then, the Jazz is a very special small car indeed. Not least because on the inside, it doesn't feel like a small car at all. This is in part thanks to our 'Magic Seat' system - a rear seat base that flips up while the seat back stays upright or folds totally flat to form a cavernous storage space.

The Jazz doesn't compromise on anything. It's nippy round the city, fab for long distances, turns heads wherever it goes and drives like a dream.
