

Model shown: Stream 2.0 i-VTEC SE Sport

The Stream combines sports-coupe performance and handling with estate-car space and flexibility. It's the definitive sports activity vehicle - a serious driver's car that's practical and good looking. Every second on the road is to be relished with The Stream's superlative engines and exhilarating handling. The power to excite, the power to perform.

Getting away from it all needn't mean leaving everything behind. The Stream's seven seats fold and flatten; creating huge, flexible load space that extends and expands to accommodate.

Key features across the range

- Choice of 1.7i SOHC VTEC and 2.0 DOHC i-VTEC petrol engines
- Dual front and front side Supplemental Restraint System (SRS) airbags
