**Electronically limited.

Standard equipment

Main items of standard equipment:

8J x 17 '7-spoke' alloy wheels with 235/55 R17 tyres

Acoustic and optical parking system – front and rear

Active front head-restraints

Adaptive air suspension on all wheels

Advanced-key access and mobilisation system

Air quality sensor with dust and pollen filter

Aluminium trim strips framing side windows and bumper detail

Anti-theft device with interior ultrasonic protection and anti-towaway facility (Thatcham Category 1 approved)

Audi Space Frame (ASF III) construction with aluminium chassis and body panels

Auto-dimming rear-view mirror

AutoCheck system

Automatic 6-speed multitronic transmission with DRP (non-quattro models only)

Automatic 6-speed tiptronic transmission with DSP (quattro models only)

Brake lights with LED technology

Car instruction manual on CD-ROM (for use with MMI system only)

CD autochanger, for 6 discs, located in glove compartment

Centre console with MMI terminal

Child-proof locks on rear doors

Coming/leaving home function

Cruise control

Cup and can holders front and rear

Deluxe front centre armrest

Double-glazed tinted glass with additional break-in protection

Driver's Information System including multi-function computer

Driver and front passenger two-stage airbags with pre-tensioners

DVD-based Navigation system with DVD for Western Europe

Electrically adjustable and heated door mirrors, with memory

Electric front seat belt height adjustment, with memory

Electric front seats – 14-way adjustable, including lumbar support, with memory for both seats

Electric windows (front and rear) with isolation switch for rear windows

Electrically heated windscreen-washer jets

Electro-mechanical parking brake

Electronic Anti-lock Braking System (ABS)

Electronic Brake-force Distribution (EBD)

Electronic climate control with individual driver and front passenger controls

Electronic Differential Lock (EDL) – traction control

Electronic Stability Programme (ESP)

Electronic transponder vehicle immobiliser

Ellipsoidal headlights

Entry / exit light and active reflectors on all doors

Extended aluminium look

First-aid kit

Five 3-point automatic seat belts

Footwell lighting – front and rear

Front foglights

Front passenger airbag isolation

GSM mobile telephone preparation (requires a phone adapter)

Humidity sensor

Illuminated vanity mirrors integrated into front sun visors

Interior and exterior light package

ISOFIX child seat mounting system

Lights on warning buzzer

Luggage net

Metallic or pearl-effect paintwork

MMI – Multi Media Interface control system

Multi-function leather covered steering wheel

Standard equipment

Polished aluminium gear lever and gate	Torsen centre differential (quattro models only)
Power socket in boot, 12 Volt	Traction control (ASR)
quattro permanent all-wheel-drive (quattro models only)	Twin chrome exhaust pipes with twin 3-way catalytic converters
RDS radio system, 9 speakers and total 230 Watts output	Valcona leather upholstery with Alcantara door trim inserts
Rain and light sensor	Tailored front and rear velour carpet mats
Remote-control central locking (radio wave)	Visible vehicle identification number
Remote unlocking from driver's seat for fuel-filler cap	Voice control system
Safety steering column with electric height and distance adjustment, with memory	Warning triangle
Servo-assisted locking of the boot lid	Wood trim inlays in Burr Walnut
servotronic, speed-adjustable power steering	Additional equipment on V8 models:
Side airbags for four outer seats	8.5J x 18 '5-arm' high-gloss alloy wheels with 255/45 R18 tyres
Side-impact protection in all doors	Headlight cleaning system
Side indicators with LED technology	Additional equipment on long wheel base models:
Side protection strips in body colour with aluminium trim strips	130mm of additional leg room for rear seat passengers
sideguard – airbag head-protection system	Electric rear window blind and manual rear side blind
	Electric front passenger seat adjustment from rear

Hinged storage compartment in rear doors	Additional equipment on W12L model:
Seat heating for front and rear seats	8.5J x 18 '12-spoke' alloy wheels with 255/45 R18 tyres
Additional equipment on W12 model:	Adaptive Xenon Plus headlights with coming / leaving home function and LED daytime-running lights
8.5J x 19 '12-spoke' alloy wheels with 255/40 R19 tyres	Automatically activated boot-lid and doors
Adaptive Xenon Plus headlights with coming / leaving home function and LED daytime-running lights	BOSE surround sound
BOSE surround sound	Comfort seats
Electric rear window blind	Electric rear window and rear side blinds
Extended leather upholstery pack 1	Extended leather upholstery pack 2
Folding door mirrors with automatic dimming function	Folding door mirrors with automatic dimming function
Heat and UV-insulating glass	4-zone climate control
Sports design multi-function steering wheel with gear-change paddles	Hands-free GSM car telephone with handset
Sports seats	Heat and UV-insulating glass
	Lumbar support for outer rear seats
	Multi-function steering wheel with gear change paddles

Optional equipment

	V6 models	V8 models	W12 model	V6 LWB models	V8 LWB models	W12 LWB model	Basic RRP £	Total RRP inc. VAT £
Packages								
Sports model, comprising:	●	-	-	●	-	-	2,127.65	2,500.00

CO₂ data and information

CO₂ emission-based Vehicle Excise Duty.

Vehicle Excise Duty (Road Fund Licence) is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). The DVLA has created six categories for petrol engines and six categories for diesel engines.

	Petrol engines	Diesel engines
A – up to 100g/km	£65.00	£75.00
B – 101 to 120g/km	£75.00	£85.00
C – 121 to 150g/km	£105.00	£115.00
D – 151 to 165g/km	£125.00	£135.00
E – 166 to 185g/km	£150.00	£160.00
F – over 185g/km	£165.00	£170.00

Servicing

Servicing tailored to your needs.

Prior to the 2000 model year, almost all Audi models followed a traditional fixed Service Schedule similar to that of other major car manufacturers: a Lubrication Service every 10,000 miles and an Inspection Service every 12 months or 20,000 miles – whichever occurred sooner. Since then, Audi has introduced a more flexible maintenance system that works in accordance with how, where and how much an individual uses their car.

The two Servicing Regimes available are the conventional 'Inspection Service Regime' and the flexible 'LongLife Service Regime'. When you purchase a new car, we will recommend one of these regimes to you depending on your own individual driving style and journey-type. The tables below should give you an indication of which regime might be more appropriate for you. With the LongLife Service Regime, on-board sensors continuously monitor the condition of the engine oil in terms of temperature, level and oil degradation. The monitoring system also checks mileage, brake-pad wear and battery condition. Using this information, the car's on-board computer calculates its own maintenance interval, providing you with ample warning of a due Service via the 'distance to Service' display.

Inspection Service Regime

	Vehicle usage:
Mileage	Less than 10,000* miles per annum.
Type of Journey	Mainly city/town centre driving. Short journeys.
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing.
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving.
	Service intervals:
Oil-change Service	Every 10,000* miles / 1 year
Interval Service	Every 20,000* miles / 2 years
Interval Service Inspection	Every 40,000* miles / 4 years

*Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

In practice, this means that every Audi gets the maintenance it needs, when it needs it. For companies and private owners alike, there are many advantages to the LongLife Service Regime. Longer service intervals mean lower maintenance costs, and thus lower whole-life costs. According to company car mileage monitored at Audi since the introduction of LongLife, petrol engines are typically achieving an average of at least 17,500 miles and diesel engines around 20,000 miles between services.

One of the factors that makes this kind of servicing regime possible is the advanced engineering and technology that goes into Audi engines. Furthermore, Audi use high-grade long-life oils such as Castrol SLX LongLife III, which are designed to withstand ageing and high loads without deterioration. Compared to conventional oils, these advanced-formulation oils also give exceptional levels of engine protection, are kinder to the environment and deliver average fuel savings of 2.7%.

LongLife Service Regime

	Vehicle usage:
Mileage	More than 30 miles per day.
Type of Journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading.
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3000.
	Service intervals:
Interval Service	Flexible to a maximum 20,000* miles / 2 years
Interval Service Inspection	Every 40,000* miles / 4 years

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am–6pm Monday to Friday
9am–5pm Saturday

Service: 8am–6pm Monday to Friday
8.30am–1pm Saturday

Sunday opening at local discretion.

Test drives.

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery.

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK.

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail.

Your ownership experience starts with a full tank of fuel.

Quotation response.

We are committed to answering any quotation request within 1 working day.

Training.

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure.

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars.

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

All our courtesy cars are insured and fuelled.

Upon collection or delivery, your courtesy car will have a minimum of a quarter of a tank of fuel; all we ask is that you replace any fuel used before returning it to us. On presentation of your driving licence, we will also insure the car free of charge.

Service bookings.

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning.

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges.

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service.

All work will be done by a named Audi technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment.

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing.

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5%.

Delivery charges and numberplates are not included in the vehicle price.

Delivery charge	Numberplates	VAT	Total
£471.06	£20.00	£85.94	£577.00

Audi Roadside Assistance.

Your new car comes complete with free roadside assistance and recovery across the UK provided by RAC Motoring Services. Your 24 months' free cover can be extended for a further year free-of-charge, provided that your vehicle is serviced and, if necessary, repaired by an Authorised Audi Centre or Audi-Authorised Repairer in accordance with the manufacturer's instructions.

Audi Customer Care.

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- Up to 3 years' UK roadside assistance and recovery.

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales.

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance.

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is our full range of finance products.

- New Solutions – a Personal Contract Plan
- Hire Purchase
- Lease Purchase
- Finance Lease
- Contract Hire

With all our finance products, you can choose one of our fixed-cost maintenance plans, which are designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance.

Motor insurance specially tailored to your Audi is available from Audi Insurance. For a no-obligation quote, please ring Linkline on 0845 6016014.
