Technical Data

	Power	Transmission	CO ₂ emissions g/km	Fuel consumption* Urban	Extra Urban	Combined	Acceleration, seconds, 0-62 mph	Top speed, mph
3.0 TDI	233PS	6-speed tiptronic	282	19.4 (14.6)	34.0 (8.3)	26.9 (10.5)	9.1	134
4.2 FSI	350PS	6-speed tiptronic	326	14.5 (19.5)	27.7 (10.2)	20.8 (13.6)	7.4	154

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to horsepower, divide the PS figure by 1.0139

Recommended 'On-The-Road' (OTR) retail prices include: delivery charge, full tank of fuel and numberplates at £577.00 (inc VAT), Road Fund Licence (which may vary depending on model, see pages 42-43 for details) and first registration fee at £38.00.

RRP – Recommended Retail Price

*Fuel consumption according to 1999/100/EU in mpg (1/100km).

**Electronically limited.

Standard equipment

All Q7 models have the following items of standard equipment:

7 seats (3 rows of seats) – can be split and folded flat to form a level load-area

7.5J x 18 alloy wheels with 235/60 R18 W tyres

Adaptive air suspension – electronically controlled air suspension with continuously adaptive damping system for all four wheels which regulates ride height and damping automatically. Choice of 5 modes (automatic, comfort, dynamic, off-road and lift) selected via the MMI system

Anti-theft alarm with tow-away protection including interior monitoring (Thatcham Category 1 approved)

Ashtray and cigarette lighter at front

Automatic climate control with separate driver and front passenger controls

Auto-dimming rear view mirror

Belt-height adjustment for the front seats (manually adjustable)

Bottle holders (up to 1.5 litres) in front and rear door trims (x4)

Brake light – third brake light at high level in rear window

Brakes with Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD)

Bumpers, plastic-covered, and rear bumper cover in matt black

Cargo nets on backs of front seats

Central locking with radio remote control

Centre console with air-conditioning control panel, ashtray, selector lever, MMI terminal, coin holder, cigarette lighter and 12V socket, 2 cup holders and storage compartment

Child locks, electric for rear doors and windows

Cigarette lighters in the centre console, front and rear

Coat hooks – 2 in the rear roof area and 1 on each of the B-post trims

Compartment for glasses in roof module

Cosmo cloth upholstery

Cruise control maintains any desired speed from approx 20 mph

Cup holders – 2 at front of centre console, 2 in rear armrest and 2 in side trim of third seating row

Decorative inlays in gloss black

Door exit lights at the front

Double-load floor with storage compartment and dirt resistant tray

Driver and front-passenger airbag with front-passenger airbag de-activation

Driver's Information System (monochrome)

Electric front and rear windows

Electrically adjustable and heated door mirrors, electrically folding with LED indicators

Electronic Differential Lock (EDL)

Electronic Stabilisation Program (ESP) with extended on and off-road functions

First aid kit

Floor mats front and rear

Front centre armrest, folding with storage compartment underneath

Front fog lights integrated into the front apron

Heated rear window with time switch

Heat-insulating glass (green tinted)

Illuminated vanity mirrors integrated into front sun visors

Indicators with 3-flash overtaking function

ISOFIX child seat mounting (front left and outer rear seats)

Lashing eyes x 4 in the luggage compartment

Leather covered 4-spoke multi-function steering wheel with radio and basic MMI controls and full size air bag

Light sensor for automatic activation of headlights

Load-through hatch in the rear seat back

Logo/model designation at the rear

Locking wheel-bolts

Luggage compartment cover

Luggage net in luggage compartment

MMI with 8 loudspeakers, monochrome display in dashboard and 4 function keys

Standard equipment

Parking brake – foot operated	Space-saving spare wheel (with compressor) – max. speed 50mph
quattro permanent all-wheel-drive with asymmetric/dynamic distribution	Storage net at side of luggage compartment
Radio/CD player in front instrument panel	tiptronic – 6-speed automatic transmission with Dynamic Shift Program (DSP)
Rain sensor for automatic activation of front wipers	Tool kit and car jack in luggage compartment
Reading lights – 2 at front and 2 at rear	Visible vehicle identification number (VIN)
Rear centre armrest in rear seat back, folding, with 2 cupholders	Warning triangle with bracket
Rear acoustic parking	Windscreen washer jets, heated
Roof rails (black)	
Scuff plates with metal inlays	
Seatbelts, 3-point for all seats	
servotronic steering – power steering with speed-dependent control	
Side airbags for driver and front passenger	
Side-impact protection in the doors	
Sideguard head airbag system to protect front and outer rear passengers in a side collision	
Socket, 12V, 1 at front of centre console, 2 at rear of centre console and 1 in luggage compartment	

SE specification (standard on 4.2 FSI models) adds:

SE 8.5J x 18 '5-parallel-spoke' alloys with 255/55 R18 Y tyres	Inlays to fascia and door cappings in a choice of Olive Ash, Tamo Ash Dark Brown, Natural Walnut or 'Marlin Silver' Aluminium
Aluminium-look air vent surrounds	Lighting package – includes door lighting under the exterior door mirrors, ambient lighting of the centre console using LED technology, active door reflectors in the front and rear doors, footwell lights at front and rear with LED technology, rear door exit lights, lighting for air vents in the B-pillar and ashtray in the rear
Contrasting bumpers – front and rear bumpers and side sills painted. With the exterior colours Calla White, Sycamore Green and Quartz Grey contrasting paint finish is in Matt Silver. For all other colours, contrasting paint colour is Matt Platinum Grey	Polished roof rails and trim strips
Cricket leather upholstery to seat facings, head restraints and front and rear armrests	Seat heating for front seats – heats surfaces and backrests and is individually adjustable for each seat
Fresco carpet	
Front seats electrically adjustable with adjustment for forwards/backwards position, seat height, seat, backrest angle, and electric lumbar support	

Standard equipment

S line specification adds:

9J x 20 S line alloy wheels with 275/45 R20 Y tyres

Matt-brushed aluminium fascia and door trims

Alcantara/leather combination upholstery to seat facings, head restraints and front and rear armrests

Polished roof rails and trim strips

Radiator grille in S line design

Black cloth roof headlining

S line badge (front grille and side wing)

Bumpers – full body coloured

S line body styling (front bumpers, side grille, rear diffuser)

Front Sports seats with S line logo, electrically adjustable with adjustment for forwards/backwards position, seat height, and seat and backrest angle and electric lumbar support

S line scuff plates

Headlight washers

Leather covered 3-spoke S line multi-function steering wheel (with paddle shift gear change for tiptronic models)

Lighting package – includes door lighting under the exterior door mirrors, ambient lighting of the centre console using LED technology, active door reflectors in the front and rear doors, footwell lights at front and rear with LED technology, rear door exit lights, lighting for air vents in the B-pillar and ashtray in the rear

CO₂ data and information

CO₂ emission-based Vehicle Excise Duty.

Vehicle Excise Duty (Road Fund Licence) is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). The DVLA has created six categories for petrol engines and six categories for diesel engines.

	Petrol engines	Diesel engines
A – up to 100g/km	£65.00	£75.00
B – 101 to 120g/km	£75.00	£85.00
C – 121 to 150g/km	£105.00	£115.00
D – 151 to 165g/km	£125.00	£135.00
E – 166 to 185g/km	£150.00	£160.00
F – over 185g/km	£165.00	£170.00

Servicing

Servicing tailored to your needs.

Prior to the 2000 model year, almost all Audi models followed a traditional fixed Service Schedule similar to that of other major car manufacturers: a Lubrication Service every 10,000 miles and an Inspection Service every 12 months or 20,000 miles – whichever occurred sooner. Since then, Audi has introduced a more flexible maintenance system that works in accordance with how, where and how much an individual uses their car.

The two Servicing Regimes available are the conventional 'Inspection Service Regime' and the flexible 'LongLife Service Regime'. When you purchase a new car, we will recommend one of these regimes to you depending on your own individual driving style and journey-type. The tables below should give you an indication of which regime might be more appropriate for you.

With the LongLife Service Regime, on-board sensors continuously monitor the condition of the engine oil in terms of temperature, level and oil degradation. The monitoring system also checks mileage, brake-pad wear and battery condition. Using this information, the car's on-board computer calculates its own maintenance interval, providing you with ample warning of a due Service via the 'distance to Service' display.

Inspection Service Regime

	Vehicle usage:
Mileage	Less than 10,000* miles per annum.
Type of Journey	Mainly city/town centre driving. Short journeys.
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing.
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving.
	Service intervals:
Oil-change Service	Every 10,000* miles / 1 year
Interval Service	Every 20,000* miles / 2 years
Interval Service Inspection	Every 40,000* miles / 4 years

*Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

In practice, this means that every Audi gets the maintenance it needs, when it needs it. For companies and private owners alike, there are many advantages to the LongLife Service Regime. Longer service intervals mean lower maintenance costs, and thus lower whole-life costs. According to company car mileage monitored at Audi since the introduction of LongLife, petrol engines are typically achieving an average of at least 17,500 miles and diesel engines around 20,000 miles between services.

One of the factors that makes this kind of servicing regime possible is the advanced engineering and technology that goes into Audi engines. Furthermore, Audi use high-grade long-life oils such as Castrol SLX LongLife III, which are designed to withstand ageing and high loads without deterioration. Compared to conventional oils, these advanced-formulation oils also give exceptional levels of engine protection, are kinder to the environment and deliver average fuel savings of 2.7%.

LongLife Service Regime

	Vehicle usage:
Mileage	More than 30 miles per day.
Type of Journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading.
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3000.
	Service intervals:
Interval Service	Flexible to a maximum 20,000* miles / 2 years
Interval Service Inspection	Every 40,000* miles / 4 years

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am–6pm Monday to Friday
9am–5pm Saturday

Service: 8am–6pm Monday to Friday
8.30am–1pm Saturday

Sunday opening at local discretion.

Test drives.

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery.

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK.

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that’s home or your place of work (subject to reasonable notice).

Every attention to detail.

Your ownership experience starts with a full tank of fuel.

Quotation response.

We are committed to answering any quotation request within 1 working day.

Training.

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure.

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars.

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We’ll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

All our courtesy cars are insured and fuelled.

Upon collection or delivery, your courtesy car will have a minimum of a quarter of a tank of fuel; all we ask is that you replace any fuel used before returning it to us. On presentation of your driving licence, we will also insure the car free of charge.

Service bookings.

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning.

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges.

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service.

All work will be done by a named Audi technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment.

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing.

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5%.

Delivery charges and numberplates are not included in the vehicle price.

Delivery charge	Numberplates	VAT	Total
£471.06	£20.00	£85.94	£577.00

Audi Roadside Assistance.

Your new car comes complete with free roadside assistance and recovery across the UK provided by RAC Motoring Services. Your 24 months' free cover can be extended for a further year free-of-charge, provided that your vehicle is serviced and, if necessary, repaired by an Authorised Audi Centre or Audi-Authorised Repairer in accordance with the manufacturer's instructions.

Audi Customer Care.

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery.

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales.

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance.

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from. Below is our full range of finance products.

- ▶ New Solutions – a Personal Contract Plan
- ▶ Hire Purchase
- ▶ Lease Purchase
- ▶ Finance Lease
- ▶ Contract Hire

With all our finance products, you can choose one of our fixed-cost maintenance plans, which are designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance.

Motor insurance specially tailored to your Audi is available from Audi Insurance. For a no-obligation quote, please ring Linkline on 0845 6016014.
