DO YOU SQUEEZE THE WHOLE FAMILY INTO A 5-SEATER CAR,
OR DO YOU GET A MID-SIZED MPV THAT'S A LOT MORE FLEXIBLE?

CARENS. ALL THE FUN OF AN MPV FOR THE PRICE OF AN ORDINARY CAR.

The Kia Carens is the versatile mid-sized MPV that suits the whole family. With air conditioning as standard and plenty of head and legroom, everyone enjoys a comfortable ride. And the Carens is flexible enough to carry up to 5 people and everything else besides: the dog, the bikes, the pushchairs, the camping equipment and more. Safety features include ABS with Electronic Brakeforce Distribution, 3-point rear seatbelts for all 3 rear passengers and twin airbags. Spacious, flexible and safe, the Carens offers you a great deal by any standard. Small wonder Kia is one of the fastest growing car companies in the UK.*

A CAR FOR THE WHOLE FAMILY. AND EVERYTHING THAT GOES WITH IT...

The Carens was designed with practicality and convenience in mind. The high driving position means great visibility on the road. The versatile 60:40 flat-folding rear seats give you real load carrying potential. And a nifty dual floor stowage system with a handy space organiser makes it easy to keep everything neat and tidy.

For longer journeys there's a 12V power outlet in the luggage area for the kids' games, music, portable DVD players, or your laptop, if you're out on business.

Then there's the convenience of power steering, remote central locking, front and rear electric windows and electrically adjustable heated door mirrors. A CD audio system with MP3 player is included to keep the family entertained. Air conditioning is also fitted as standard.

Modern styling includes tinted windows and body coloured bumpers.

The Carens is powered by either a 2.0 litre 136 bhp petrol engine or a 2.0 litre 111 bhp diesel engine with a choice of manual or automatic transmission.

Specifications may vary. Please refer to the specification sheet for full details. **Our model includes 13 dual, with MP3 player and air conditioning, but does not include climate control or alloy wheels.**
