

ALL NEW FREELANDER 2

PRICE LIST SEPTEMBER 2006

At Land Rover, we are committed to addressing the challenges of sustainable development. This includes the need to reduce CO₂ emissions, as well as making other positive contributions to the environment. The introduction of the Land Rover CO₂ Offset Programme represents a significant step along the road towards sustainability. This unique initiative not only offsets the emissions created during the Land Rover manufacturing process but also offsets emissions produced by Land Rover vehicles. It is the most comprehensive UK offset programme ever undertaken by an automotive manufacturer. The pioneering Land Rover CO₂ Offset Programme funds 'carbon neutral' projects across the world – those that avoid or reduce emissions – ensuring that the amount saved balances the original output. To the end of 2008, the scheme is expected to offset over two million tonnes of CO₂. Every 2007 Model Year Land Rover now includes its own CO₂ offset package as part of the on-the-road price. The Land Rover CO₂ Offset Programme is administered by Climate Care, an independent CO₂ offset provider, which ensures that the average amount of CO₂ produced by a Land Rover over its first 45,000 miles (or three years) is offset by investments in a mixed portfolio of projects, including renewable energy, technology change and energy efficiency initiatives.

For more information, go to www.landrover.co.uk/sustainability

STANDARD FEATURES

Engine & Transmission

- Six-speed manual transmission
- Full time intelligent four-wheel drive
- Four-wheel Electronic Traction Control (ETC)
- Hill Descent Control (HDC)
- Engine Drag Control (EDC)

Suspension & Steering

- Independent front & rear suspension with coil springs & anti roll bars
- Power steering with manual tilt & reach adjustment
- Dynamic Stability Control (DSC)
- Corner Brake Control (CBC)
- Roll Stability Control (RSC)

Safety & Security

- Central locking remote all doors, fuel cap & tailgate
- Perimetric & volumetric alarm
- Remote control central locking & press button start/stop

Electronic Brake Force Distribution (EBD)

- Emergency Brake Assist (EBA)
- Anti-lock Braking System (ABS)
- Four-wheel disc brakes with mechanical handbrake
- Two Isofix child anchorage points
- Passenger airbag isolation switch
- Overspeed warning
- Driver & front passenger forward airbags, front seat side airbags, full length curtain airbags & inflatable driver's knee bolster

Interior

- Cloth seats
- Cloth door casing insert
- Six way driver/four way passenger manual seat adjustment with height adjust head rests
- Map pocket passenger seat
- Rear seat split 60/40 design
- Central stowage pocket in fascia & glove box
- Two cup holders built into centre console
- Interior mirror: manual dipping

Electric windows with rear isolation switch.

- One shot up/down on driver and front passenger door
- Manual air conditioning
- Audio: Radio/single disc CD player with six speakers
- Auxiliary audio jack

Exterior

- Front bumper – body colour
- Rear bumper – body colour
- Exterior mirrors: black electrically heated & adjust
- Headlights: halogen with ignition off delay
- Two bar Titan finish grille
- Solid paint
- Fuel cut off
- Rear wash/wipe

The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle for which this information is supplied. Vehicles are not individually tested, and there are inevitably differences between individual vehicles of the same model. In addition, the vehicle may incorporate particular modifications that affect its fuel consumption. Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance will all affect its fuel consumption. Information as to the results of the officially approved tests on all vehicles tested is available to customers on the premises where these vehicles are displayed.

Please note: When choosing vehicles fitted with specific wheel and tyre combinations or optional wheels and tyres, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tyres will offer benefits in road holding and handling, but may be more vulnerable to damage in some off road conditions, please discuss your requirements at your dealership when selecting your vehicle and specification.

WARRANTY

Every new Land Rover supplied by Land Rover UK comes with a standard three year unlimited mileage warranty. Please apply to your dealership at the time of purchase for full details of the manufacturer's terms and conditions.

FINANCIAL SERVICES

Land Rover Financial Services offers a wide range of flexible finance options* to assist in the purchase of your new Land Rover. Further details can be obtained from your local Land Rover dealership.

*Finance is subject to status and conditions. Available to over 18's in the UK only. Guarantees / indemnities may be required. Certain categories of business user may be excluded. Written quotations are available on request from your local Land Rover dealership. Finance is provided by Land Rover Financial Services, Abbot House, Everard Close, St. Albans, Herts AL1 2KW. Written quotations are available on request from: 2nd Floor, Turnford Place, Great Cambridge Road, Broxbourne Herts EN10 6NH.

Land Rover take the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications, prices and equipment without notice. Details of specifications, prices and equipment are also subject to change to suit local conditions and requirements, and not all products

are available in every market. Please consult your Land Rover dealership who will be pleased to advise you on current specifications. Distributors and dealerships are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.
