NISSAN NAVARA

# Exterior and Interior

Tough not rough

## INTERIOR

### Dual-Zone Climate Control

Seems like when someone's hot, someone else is not. Dual-zone climate control allows the driver and front seat passenger to control their own temperature settings -- so everyone can be comfortable.

### Innovative Storage Solutions

The Navara can carry the small things of life as efficiently as the large ones, since the cabin is packed with storage spaces: a double glove box, front-door pockets with bottle holders, even a removable tray under the foldable rear seats.

### Cruise Control

The going is easy with cruise control. It maintains a constant speed with no effort on your part. One tap on the brakes, and you're back in control.

## EXTERIOR

### Purposeful Design

Smooth lines hint at the strength underneath without overwhelming the eye. The Navara is a study of sturdiness translated into aerodynamic lines – from the rounded front to the smooth tailgate, highlighted by strong, flared wheel arches.

### Confident Front

The Navara faces the world with a tough, uncompromising attitude. Its rugged nose features Nissan's trademark 4x4 grille – denoting a bloodline that stretches back over 50 years.

### C-Channel Load Anchorage system

Navara's unique C-Channel system features channels on the load bed sides and floor with moveable cleats that lock in place. C-Channel provides perfect and secure tie-down points to safely hold motorbikes, outboards, or just about anything.

### 17" wheels

Whatever grade you choose, the Navara's chunky, stylish wheels underscore its capable lines. With either 16" steel wheels on the entry grade model or 17" alloy wheels on the other grades, Navara is sure to make a big impression.

# NISSAN NAVARA Performance

The power to thrill

## ENGINE

### Most Powerful Engine

The 2.5 common rail diesel engine delivers an impressive 174 HP, making the Navara the most powerful vehicle in its class. With muscle other vehicles can only dream about, Navara's awesome engine delivers a whopping 403Nm of torque.

### Choice of Gearbox

With either a 6-speed manual (for lower noise and better economy at motorway speeds) or 5-speed automatic, Navara has got all driving styles covered.

### 2700Kg Towing Capacity

403 Nm of torque. That means the Navara can haul up to 2700kgs of boat, trailer or cargo without breaking a sweat. Double Cab versions can tow 2600kg.

### 1070Kg Payload

Bricks, motorbikes, outboard engines -- load 'em up. Because the mighty Navara can handle payloads way more than 1 ton.

## HANDLING

### Limited Slip Differential

All Navara's come fitted with a limited slip differential designed to provide confident traction off-road and minimise wheel spin on-road.

### Selectable 4WD System

Engaging four-wheel drive on Navara could not be easier - a simple twist of a dashboard dial and the driver can change from 2WD to 4WD or 4Low. The 4Low mode gives access to low-ratio gears to tackle the toughest terrain.

### Front & Rear Suspension

The Navara's suspension system keeps your ride smooth both on and off the road - without sacrificing agility. At the front, compact independent suspension with coils over shocks and double wishbones are light yet rigid, for an optimum ride with stable handling. The rear suspension provides high lateral rigidity for better cornering, plus a long suspension stroke that evens out the bumps off-road.

# NISSAN NAVARA Performance

	FUEL CONSUMPTION	CO2 Emissions g/km	RELATIVE ENERGY CONSUMPTION
2.5 dCi Automatic (Double cab)	9.2	245	F
2.5 dCi Manual (Double cab)	8.5	226	F
2.5 dCi Manual (King cab)	8.5	226	F

NISSAN NAVARA

# Safety and Security

Drive with confidence

## PASSIVE SAFETY

---

### Body-Zone Construction

The Navara's front and rear crumple zones are designed to absorb energy in a crash, helping to protect the reinforced central zone – and its occupants.

### Driver & Passenger Airbags

Every Navara grade comes with driver and front passenger airbags as standard. There's nothing like the peace of mind that comes from knowing that you and your passenger are protected in the event of a front impact.

### Side & Curtain Airbags

Everyone is well-protected with side and curtain airbags, which provide an extra safety barrier for driver and passengers - especially in the event of a side impact. The airbags are standard on Aventura and optional on Outlaw King and Double Cabs.

### Active Head Restraints

SE models and above feature active head restraints - designed to minimise whiplash in the event of a collision.

## ACTIVE SAFETY

---

### ABS & EBD

Braking hard normally increases the load on the front brakes. Electronic Brakeforce Distribution (EBD) balances the braking effort between the front and the back of the Navara for maximum braking efficiency. At the same time, ABS prevents the wheels locking, keeping you in control of the vehicle.

### Security System

All UK Navara's come well protected by an engine-immobiliser and an alarm system. This is reinforced by anti-hijack Superlocking with keyless entry and a separate lock for the tailgate.

NISSAN NAVARA

# Grades & equipment

## AVAILABLE GRADES

### Grade : Standard

The standard Navara feels like so much more than an entry-grade, combining conveniences and comforts like electric windows, CD Player, power door locks and an alarm and immobiliser.

**From £17,466**

### Grade : SE

The SE grade stands out from the crowd with 17" alloy wheels, a side step rail and full colour coding. Plus it's packed with SUV-like features – including dual-zone climate control, available as an option.

**From £19,111**

### Grade : Outlaw double cab

The Outlaw grade makes a bold statement with its aerodynamic roof rack, 17" alloys and privacy glass. And it makes life easier with a C-Channel load anchorage system, auto day/night mirror, cruise control, CD autochanger and steering wheel mounted audio system controls.

**From £21,579**

### Grade : Outlaw king cab

The Outlaw grade makes a bold statement with its aerodynamic roof rack, 17" alloys and privacy glass. And it makes life easier with a C-Channel load anchorage system, auto day/night mirror, cruise control, CD autochanger and steering wheel mounted audio system controls.

**From £20,169**

### Grade : Aventura

The Aventura stands proud as the ultimate Navara. Featuring DVD Satellite Navigation, Bluetooth phone integration, electric sunroof, leather upholstery and power/heated seats – it really is the boss.

**From £24,869**
