HONDA
The Power of Dreams

Civic

Type R

Tailor your dreams

The new Honda Civic Type R is a distinctive blend of style and strength, performance and power. Part of Honda's great racing heritage and fused with passion, the Type R encompasses everything you love about driving. To allow you to fuel your hunger for driving, and customise your Type R to your own tastes, we have developed a range of Honda Genuine Accessories. Add to the comfort of the cabin, sharpen its already commanding looks or simply add a high quality sound track to an already enjoyable driving experience.

19"

Passionate

The sleek and aerodynamic curves of the Civic Type R encapsulate Honda's passion for racing. As if that weren't enough, you can enhance the Type R's road presence even further with two-tone front and rear skirts, or 19" Rage alloy wheels.

- 1 FRONT & REAR SKIRTS**
The race-inspired front and rear skirts integrate with the bodywork of your Type R to provide an even stronger sporty appearance.
- 2 TYPE R EMBLEM & STICKERS**
Strengthen the identity of your Type R with these emblems and stickers.
- 3 19" ALLOY WHEEL – RAGE DESIGN**
Stand out from the crowd with these machine finished 19" alloy wheels.

Advanced

Every great drive should be accompanied by a great soundtrack. The adapter for iPod® allows you to play your favourite tunes as you cruise through either town or country.

BASS WORKS

In order to produce the best possible in-car audio, you now have a selection of high-quality speaker upgrades to choose from. On the one hand, the two dedicated Bass Works speakers assure smooth and solid bass and lower tones. On the other hand, the Co-Axial speaker upgrade produces well-tuned mid-range tones, while its integrated tweeters guarantee pitch-perfect high tones. The Dual Cone speaker upgrade achieves exactly the same, but with separate tweeters.

These quality speakers can be seamlessly integrated in your Civic's interior using the dedicated speaker rings.

Speaker Upgrade Specifications			
	Dual Cone speaker upgrade	Co-Axial speaker upgrade	Bass Works speaker upgrade
Maximum input	60 W		40 W
Nominal input	20 W		25 W
Sound Pressure Level	85 dB		87 dB

CIVIC ADAPTER FOR iPod

The adapter for iPod connects directly to your Type R's audio system and allows you to control your track selection using the car stereo.

iPod® is a trademark of Apple Computer, Inc., registered in the U.S. and other countries.

Luxurious

With racing seats and a stylish cabin layout, the Type R is already in a league of its own. Honda Genuine Accessories can further enhance the comfort and style of your interior with sporty finishing touches, such as red ambient lighting or red premium floor carpets.

1, 3

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.
