HONDA
The Power of Dreams

Civic

Type S

Tailor your dreams

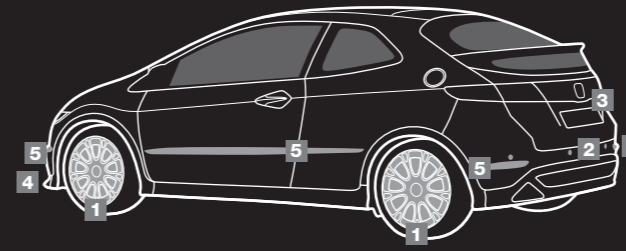

We've crafted an exclusive range of Honda Genuine Accessories to heighten your driving pleasure. Interior to exterior, large to small, practical or sports inspired, every accessory integrates seamlessly into your Type S to give it your own personal touch. Anything is possible with the Honda Civic Type S – a car born from the Honda spirit.

Masterful

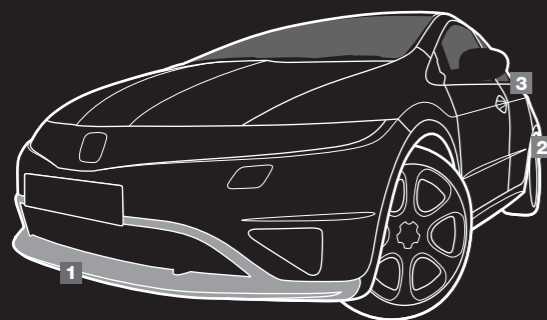

With its sleek, aerodynamic curves, the Civic Type S has been engineered to leave a lasting impression. To accentuate these curves we've designed a range of accessories to turn the already eye-catching exterior into a real head turner.

- 1 18" ALLOY WHEEL - ALTIMO DESIGN**
Make an imposing statement with these impressive alloy wheels.
- 2 REAR PARKING SENSORS**
Swing confidently into the tightest of parking spots with these rear parking sensors. They emit a clear audible signal as they approach an object.
- 3 REARVIEW CAMERA KIT**
Gives the driver a clear rear facing view when reverse gear is selected.
- 4 FRONT FOGLIGHTS**
This subtly integrated kit gives the driver powerful forward vision.
- 5 FRONT & REAR BUMPER PROTECTORS + SIDE BODY PROTECTORS**
Add a sporting edge whilst also protecting your new Civic Type S.

04 05 > EXTERIOR

- 1 FRONT SKIRT**
Give your Type S a sharp and edgy look with this race-inspired, body coloured skirt.
- 2 REAR SKIRT**
Add a spirited look to your Type S with this body coloured rear skirt.
- 3 BOOT SPOILER**
Enhance the sporty, aerodynamic lines with this body coloured spoiler.

Race inspired

With its intense, charismatic lines reflecting its racy character, the Civic Type S always makes its mark. With the option of subtly crafted and imposing alloy wheels, you can add a sporty touch to your Type S for any road, any journey, anytime.

ALLOY WHEELS

Available in 17 and 18-inch to add to the sporty, streamlined look of your Civic Type S.

Cool

See your personal style reflected every time that you get behind the wheel. A wide range of interior accessories allows you to create your own personal space inside the car's cool exterior.

1 SUNSHADES

The simple, integrated design offers sun protection for rear passengers.

2 ELEGANCE FLOOR CARPETS

Enhance and protect your interior with these stylish black carpet mats.

3 GEARSHIFT KNOB

Available for both manual and automatic transmissions, this leather and aluminium gearshift knob adds a contemporary sports finish to your interior.

4 BLUE AMBIENT FOOTWELL LIGHTING

Add a cool atmosphere to your Civic by illuminating the front footwell.

Progressive

Whether you want to enjoy your iPod® collection on the road or need to manage your calls while keeping both hands on the wheel, our audio and electronics accessories offer the comfort and convenience to quickly turn your journey into an experience.

1 CIVIC ADAPTER FOR iPod

Allows you to easily hook up your iPod® and enjoy your entire digital music collection over your car's audio system.
iPod is a trademark of Apple Computer, Inc., registered in the U.S. and other countries.

2 BLUETOOTH® KIT

Offers a simple, safe and convenient way to manage your calls whilst keeping both hands on the wheel.

3 AUTO-DIMMING MIRROR

Reduces headlight glare from the cars behind you, so you can focus on the road ahead.

Crisp

Giving a dynamic, crystal clear rush of sound, the Bass Works audio accessories created specifically for the Civic offer the definitive sound experience. Subtly integrated into the interior and featuring a range of sound and power inspired innovations; every journey gets the soundtrack it deserves.

|||. BASS WORKS

In order to produce the best possible in-car audio, you now have a selection of high-quality speaker upgrades to choose from. On the one hand, the two dedicated Bass Works speakers assure smooth and solid bass and lower tones. On the other hand, the Co-Axial speaker upgrade produces well-tuned mid-range tones, while its integrated tweeters guarantee pitch-perfect high tones. The Dual Cone speaker upgrade achieves exactly the same, but with separate tweeters.

These quality speakers can be seamlessly integrated in your Civic's interior using the dedicated speaker rings, while combining the Bass Works speaker with the Co-Axial and/or Dual Cone speaker upgrade makes for a most impressive audio package.

Speaker Upgrade Specifications			
	Dual Cone speaker upgrade	Co-Axial speaker upgrade	Bass Works speaker upgrade
Maximum input	60 W		40 W
Nominal input	20 W		25 W
Sound Pressure Level	85 dB		87 dB

- Subtle integration using original wiring & fixation points

CO-AXIAL SPEAKER UPGRADE

- For front door installation
- Perfectly balanced speakers for the mid and high tones thanks to the individual tweeter
- Subtle integration using original wiring & fixation points

Adaptable

To transform the Civic Type S from a nimble city dweller into an accomplished touring machine, there are Honda accessories designed to lighten the load. From weekend jaunts to Pan-European tours, the Civic has it covered.

- 1 ROOF RACK**
Provides an elegant, silver coloured framework to fit your Civic Type S with a range of Honda Genuine carrying accessories.
- 2 BICYCLE ATTACHMENT EASY-FIT**
Transport a bicycle on top of the roof of your Type S with the easy-fit bicycle attachment.
- 3 SKI & SNOWBOARD ATTACHMENT**
To easily fit four pairs of skis or two snowboards on the roof of your Type S.
- 4 TOP BOX - 350 LITRES**
Sturdy and lockable top box, to add 350 litres of extra carrying capacity.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.
