Prepared

Use Honda Genuine Accessories to keep your passengers safe and entertained while you concentrate on the road in front.

1 ISOFIX CHILDSEAT

Give your children the comfort and protection they deserve with one of our range of Honda childseats.

(A full range of childseats is available for varying ages and weights, all in line with the latest EU regulations. Please contact your local Honda Dealer for further information.)

2 SUNSHADES

Protect your passengers from the sun's glare with rear and side sunshades.

3 I-VES

Honda's I-VES (In-vehicle Entertainment System) offers hours of diversion for your rear seat passengers on those long road trips. The system centres around a roof-mounted, fold-away 7" LCD screen and boasts DVD, CD and MP3 capabilities, as well as a Plug-and-Play connection to easily hook up a variety of external AV sources, like a games console. And with two standard wireless headphones included, you can focus on the road while your children entertain themselves in the back. The Parental Control Lock feature can even control the content of what your children get to see.

Advanced

Honda Genuine Accessories offers you a range of advanced, technological developments to enhance your driving experience.

1 FR-V ADAPTER FOR iPod

The Adapter for iPod allows you to easily connect your iPod® to your car stereo. Play your favourite tracks over your car speakers whilst you are on the road. iPod® is a trademark of Apple Computer, Inc., registered in the U.S. and other countries.

2 BLUETOOTH® KIT

Stay safe and legal by keeping both hands on the wheel while you manage your phone calls on the road.

3 AUTO-DIMMING MIRROR

The auto-dimming rearview mirror allows you to focus on the road ahead by reducing headlight glare from the cars behind.

Versatile

 Packing up for your holiday or moving people and objects can often be difficult. Our genuine carrying and towing solutions can provide you with easy, hassle free ways to transport whatever you need.
