

AMAZING VALUE

From £15,995*

ROCK SOLID RELIABILITY

In the 4x4 category the Kia Sorento took pole position in both the 2005 and 2006 JD Power Survey for overall customer satisfaction, beating loads of premium priced competitors. It's no surprise when you look at its beefy construction, friendly dealer service and comprehensive 3 year warranty:

- 3 year unlimited mileage warranty**
- 6 year anti-perforation warranty*
- Plus 3 year roadside assistance which covers you in mainland Europe as well as in the UK!

Winner of the Caravan Club
Tow Car of the Year Award 2006

No. 1 in the 2005 and 2006
JD Power Survey in overall
customer satisfaction in a 4x4

The Kia Range

Picanto Rio cee'd Magentis Carens Sedona Sportage Sorento

*CVOTR for XE-C is £15,995.00. The Commercial Vehicle on the Road Price (CVOTR) quoted for commercial vehicles excludes VAT, but includes the cost of delivery, number plates, 12 months Government road fund licence and DVLA first vehicle registration fee.

**Certain fleets and categories of purchases are excluded (please refer to Kia Motors (UK) Ltd for list).

*Annual bodywork inspection required for which a charge may apply.

The official fuel consumption figures in mpg (l/100km) for the Kia range of vehicles shown are between: Urban 19.3 (14.6) - 49.6 (5.7), Extra Urban 33.6 (8.4) - 68.9 (4.1) and Combined 26.4 (10.7) - 60.1 (4.7). The official CO₂ emissions for the Kia range of vehicles shown are between: 121 - 255g/km.

All new Kia vehicles are designed to minimise the impact on the environment even when they reach the end of their useful life. Whenever possible, recycled and recyclable materials are used in the construction of Kia vehicles and all major plastic components are stamped with recognised identification codes enabling the materials to be categorised for recycling. All new Kia vehicles fully comply with the requirements of Directive 2000/53/EC with regard to the recovery and recycling of end-of-life vehicles. In addition, Kia Motors will make arrangements for the dismantling, treatment and recycling of end-of-life vehicles in accordance with the requirements of this Directive. This brochure is for general guidance only and its contents do not in any way constitute an offer or representations by Kia. While all reasonable efforts have been made to ensure the accuracy of the information provided, due to Kia's policy of continuous product improvement, all particulars are subject to

constant revision and Kia reserves the right to change, alter or modify, among other things, specifications, colours and prices of models, without any notice at any time. Kia Motors (UK) Ltd does not accept liability for any omissions or errors contained herein. The colours and finishes reproduced in this brochure are subject to the limitations of the printing process and may vary from the actual colour and paint finish.

Kia Motors (UK) Ltd reserves the right to alter or withdraw any colour or finish without notice. Check with your Kia dealer for model and colour availability. Accordingly you should consult your local authorised Kia dealer for the exact introduction dates of models and for the most current information. Vehicles shown may not be to the UK specification and are for illustrative purposes only.

New Sorento XE-C

The Commercial 4x4

Kia Motors (UK) Ltd, 2 The Heights, Brooklands, Weybridge, Surrey KT13 0NY

THE REAL DEAL

Whichever way you look at it – equipment, performance and price, the Sorento XE-C 4x4 is an award winner. Stylish and tough, it's also a class act.

Powered by a 2.5 litre diesel there's a choice of 5 speed manual or 5 speed automatic with manual mode. It's also loaded with features – unlike many 'bare metal' commercial vehicles we'd care to mention. The well appointed cabin is finished in high quality materials and includes air conditioning, electric windows and a CD audio with MP3 player and eight speakers for great all-round sound.

Open the two rear doors or tailgate and you've got plenty of useful cargo space for carrying all sorts of equipment. But the Sorento XE-C is more than a practical load carrier.

Body cladding, 16 inch alloy wheels, front fog lights and roof rails give it real on-road presence. And there are plenty of accessories to add that personal touch.

It's not short on safety and security either. There are twin front and side curtain airbags, ABS with Electronic Brakeforce Distribution (EBD), immobiliser, seatbelt pretensioners with load limiters, security window etching and a panic alarm facility.

But we've left the best for last.

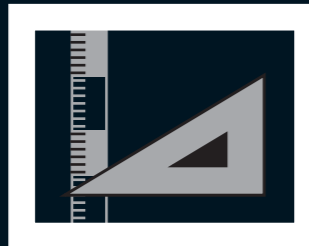

The Sorento XE-C - from just £15,995 CVOTR*

MONSTER PULLING POWER

If you can't carry all your kit inside – no worries – the Sorento XE-C has a ladder chassis with dual frame body so it's as strong as an ox. It can haul trailers up to 3,500kg*. That's plenty enough for a mini digger, horsebox or even a car transporter with another Kia Sorento! The 2.5 CRDi common rail diesel is a gutsy performer delivering 392 Nm torque at just 2,000 rpm. It won't burn a hole in your pocket either. The manual knocks out nearly 36 mpg on the combined cycle.

*Depending on derivative
