

Your personal Mazda3 configurator

Now that you have read about the Mazda3, here's your opportunity to create the model that's just right for you.

Overleaf, you will find a series of checkboxes. Simply tick the bodystyle and features of your choice, and keep it as a quick reminder of your preferred model. Alternatively, show it to your Mazda dealer who will be happy to arrange a test drive so you can experience the thrilling Mazda3 for yourself.

Warranty Plus – 3-Year Cover

Every Mazda is designed and built to the highest standards of performance, comfort and reliability. For your further reassurance, Mazda also provides a full 3-year / 60,000 mile¹ warranty cover, including Mazda European Assistance, 3-year paintwork warranty and a 12-year anti-perforation warranty. ¹There is no mileage limit during the first year of the warranty.

Mazda Momentum – New Vehicle Extended Warranty

At any time during the manufacturer's warranty period, you may purchase a Mazda Momentum extended warranty package. Three options are available. Your Mazda dealer will be pleased to provide you with details.

Mazda Credit*

Mazda offers a variety of finance, leasing and payment protection schemes to suit the needs of both private and business customers. With our wide choice of plans and services, no-one is more committed to delivering complete motoring confidence and total peace of mind than Mazda and Mazda Credit.

Mazda MultiOption – Economical payments protected by any fall in car values, with three options to choose from at the end of the agreement.

Mazda MultiOption Cashplan – All the benefits of MultiOption but with no regular payments.

Mazda Hire Purchase – A simple, straightforward and traditional funding plan.

Mazda Business Partner

As a Mazda corporate customer, you'll find that Mazda vehicles are designed to fulfil the diverse needs of a modern company. Our corporate service offers attractive purchase prices, low running costs and market-driven residual values, resulting in extremely competitive ownership costs.

Mazda Digital Service Record

The Mazda Digital Service Record (DSR) system provides increased security against counterfeit service documents and odometer tampering, and makes it easy to keep the service history up to date. Stored on a central database, the DSR replaces the traditional paper service book and ensures a secure, accurate and permanent service history for the life of the vehicle.

There's a feeling we've never forgotten. That thrilling rush of exhilaration. A sensation of pure joy and liberation. The emotion of motion. We call this feeling Zoom-Zoom and we live by its spirit. It's the essence of Mazda. Zoom-Zoom fires the soul of every vehicle we build and it beats in the heart of everyone who drives one.

The Mazda3. Now that's Zoom-Zoom

Technical data, standard equipment, options, colour and trim, configurator.

What gets you out of bed in the morning?

Early morning. The rest of the world is sleeping. But you have a date with a car and an empty road. Not just any car, but the exhilarating Mazda3. Its stunning appearance is a departure from convention.

Spirited engines and a brilliant chassis deliver on the promise of the Mazda3's sporty looks. Whilst a stylish interior and generous equipment redefine the true meaning of quality. Get up and go with the exhilarating Mazda3.

Why should all cars look the same?

Dare to be different with the distinctive Mazda3. With its adventurous, sports styling, it boldly dispenses with the idea that all cars have to look alike.

From every angle, in every detail, the Mazda3 blends flowing bodylines with outstanding functionality.

Key to the design are the spacious cabin, dynamic 'face', stylish wheels and a wide stance that creates a sense of stability and sturdiness. Unique styling cues, from the rearward sloping rear quarter windows to the stylish rear light clusters with their aerodynamically-optimised crystal covers, serve to reinforce the sense of individuality.

Whether you favour the dynamic 5-door hatchback or the sophisticated 4-door saloon, the Mazda3 will leave a lasting impression long after its tail-lights have disappeared into the distance.

Moves you even when it's standing still.

The Mazda3 can really move you. And not just from A to B. Just a glance at the Mazda3's youthful, dynamic stance tells you this is a car with a confident and compelling character.

The sporty 5-door hatchback features muscular front and rear wheel arches, complemented by an aggressively-styled front grille. The 4-door saloon, on the other hand, wears an altogether more sophisticated set of curves with a coupé-like roof line. Whilst bearing a strong family resemblance, the two models do not share a single body panel.

Just like you, they each have a distinctive personality and their own individual appeal.

Why should everyone take the same route?

The shortest distance between two points is a straight line. But where's the fun in that?

The turbo diesel engines with 90ps (66kW), 109ps (80kW) and 143ps (105kW)

The brilliant turbo diesel engines with common-rail technology combine power and economy with new levels of efficiency and cleanliness; the 109ps (80kW) and 143ps (105kW) versions feature a diesel particulate filter as standard.

Get behind the wheel of the Mazda3 and even the shortest journey will take on an exciting, sports car-like feeling. At its heart lies a choice of advanced, fun-to-drive engines, including the MZR petrol range offering up to 150ps (110kW) of power and the latest MZ-CD common-rail turbo diesel engines with up to 143ps (105kW).

Whichever engine you favour, you can be assured that it will be engineered with the latest smooth-shifting 5-speed or 6-speed manual transmissions. An optional 4-speed Activematic transmission is available, offering the choice between fully automatic or pseudo-manual gearshifting.

A rigid body structure, finely-tuned independent suspension and precise, responsive steering provide an ideal blend of comfort and control, to help you get the most out of every twist and turn.

www.mazda.co.uk

The ultimate adrenaline rush: the sensational new Mazda3 MPS.

Never prepared to settle for anything less than first place, Mazda has always built sports cars with a passion to win. From the world's best-selling Mazda MX-5, through the award-winning innovation of the Mazda RX-8's rotary engine, to the first Japanese race car to win Le Mans, Mazda has combined insight and imagination with cutting-edge technical excellence to create simply outstanding cars. From the same place, somewhere between heart and head, comes the Mazda Performance Series – engineered to stretch expectations.

Powered by the potent 2.3 MZR DISI Turbo engine with direct fuel injection, the Mazda3 MPS produces outstanding power at 260ps (191kW) to propel you from 0-62mph in just 6.1 seconds, and on to a top speed of 155mph. Combining dramatic sports styling with exceptional sports car handling, you always knew the Mazda3 MPS was going to rewrite the rules – once again.

The new Mazda3 MPS. Are you ready?

How do you maintain your inner calm?

Soak up the unique atmosphere of a Mazda3 and you may just see the world in a different light.

Escape the hustle and bustle of city life with the Mazda3. As the smooth, quiet engine eases your senses, take time to discover the exceptional craftsmanship of the interior cabin. Enjoy the supportive comfort of the driver's seat and welcome the efforts of our ergonomics engineers in perfecting the positions of the switches and controls. You're sure to find the air conditioning creates the right atmosphere, allowing you to choose your preferred temperature for complete comfort. While the pure, clear sound of the Bose® premium audio system whisks you away to your favourite chill-out haunt.

Shouldn't every journey be this relaxing?

Audio control
The multi-function steering wheel with audio controls lets you keep your hands exactly where they should be – in control. (Standard on TS, TS² and Sport.)

Bose®. The art of acoustics

Live music has a sound of its own, with music appearing to come from the performers on stage, rather than speakers in the doors. That's the goal with every sound system that Bose® engineers.

Meticulous research, precisely positioned speakers inside the car and electronic equalisation result in pure balanced stereo, true-to-life panoramic sound and powerful bass reproduction.

Concert hall sound quality in a car? Let your ears be the judge.

Mazda and Bose®. Made for each other

Sophisticated automotive engineering meets sophisticated in-car sound engineering. From the outset, Bose® and Mazda engineers worked in harmony to develop a premium sound system tailored precisely to match the acoustics of the Mazda3. Not surprisingly, the performance is truly outstanding.

Seven high-performance speakers:

- 1 Two 4cm tweeters in the door mirror panels.
- 2 Two 16.5cm neodymium low / mid-range speakers in front doors.
- 3 Two 16.5cm neodymium wide-range speakers in rear doors.
- 4 One 13cm Nd® Richbass® woofer in a 4.5-litre custom-engineered bass enclosure mounted under the passenger seat.

System electronics:

- 5 Digital amplifier mounted under the driver's seat. Includes Bose® Digital Signal Processing and five channels of customised equalisation.

Vehicle shown is not to UK specification. Bose® available on Sport only.

Attention to detail clearly defines the Mazda3. From its subtly individual exterior styling to its superb build quality and driver-focused functionality, every element is designed to uplift and inspire.

Automatic climate control

Maintains your preferred temperature for a pleasant climate, whatever the weather. (Standard on TS, TS^s and Sport)

Sitting pretty

Ergonomically-designed front seats are especially supportive in the lumbar and pelvic areas and provide a wide range of adjustment for your ideal driving position. (Leather optional on Sport only)

Satellite navigation

Optional DVD satellite navigation system with full-colour screen rises out of the dashboard.

Cruise control

Set your desired speed and the Mazda3 will maintain it for as long as you wish. Perfect for motorways or when towing. (Standard on Sport)

Intelligent storage

Intelligently-designed storage includes a double-bottomed centre console offering a rear-hinged tray and a generously-proportioned 3.6-litre stowage box.

Flexible space

Compact multi-link rear suspension frees up space in the deep, wide luggage area, while the 60/40 split rear seat design and range of lifestyle options (see pages 38-39) mean the Mazda3 has a big appetite for luggage.

Why should safety take a back seat?

Here at Mazda, we take your safety seriously. So the Mazda3 benefits from a comprehensive range of active and passive safety systems, developed to protect you and those around you.

To start with, the Mazda3 is constructed around a reinforced body structure. This features the high-rigidity Mazda Advanced Impact Distribution and Absorption System, which is designed to efficiently disperse impact energy in the event of a collision.

Prevention, however, is better than cure. So the Mazda3 comes with a range of active safety features to help you cope with the unexpected, including Dynamic Stability Control (DSC) and Traction Control System (TCS) (standard on TS² and Sport models). Because you can't leave safety to chance.

Passive safety features

The passive safety system includes front, side and curtain* airbags, while the collapsible brake pedal and collapsible steering column minimise the risk of injury in the event of an impact.

*Curtain airbags are available on TS, TS² and Sport.

Mazda Advanced Impact Distribution and Absorption System

The high-rigidity Mazda Advanced Impact Distribution and Absorption System illustrated in the main image, is designed to efficiently disperse impact energy in the event of a collision.

Stopping power

Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Emergency Brake Assist (EBA) safely helps to reduce stopping distances.

Keep on track

Even the best driver can end up in a skid. But the Dynamic Stability Control (DSC) and Traction Control System (TCS) help keep you on the right track. (Standard on TS² and Sport models only)

ISOFIX child seat mountings

ISOFIX child seat mountings are provided on the outer positions of the rear seats. A wide range of baby and child seats is available as an option (see pages 40-41). Image shows Baby Safe ISOFIX Plus seat, suitable for children weighing up to 13kg.

Mazda3. The range overview

Mazda3
S

S key features:

- 15" steel wheels.
- Audio system with single CD player and four speakers.
- Driver, front passenger and front side airbags.
- Remote central locking with jack-knife key.
- Front electric windows.
- ISOFIX child seat anchorages.
- Seatbelt reminder for front and rear seats.
- Optional manual air conditioning.
- Grey cloth interior.

Mazda3
TS

Additional TS features over the S:

- 15" alloy wheels.
- Curtain airbags (front and rear).
- Steering wheel with remote audio controls.
- Climate control air conditioning.
- Rear seat centre armrest.
- Driver's seat lumbar support.
- Black / red cloth interior.
- Optional Activematic transmission (petrol only).

Mazda3
TS²

Additional TS² features over the TS:

- 16" alloy wheels.
- Audio system with 6-disc CD autochanger and four speakers.
- Dynamic Stability Control (DSC) with Traction Control System (TCS).
- Front and rear electric windows with global closure.
- Leather steering wheel with remote audio controls.
- Trip computer.
- Optional DVD navigation system.
- Optional Activematic transmission (petrol only).
- Optional sunroof (5-door hatchback only).

Mazda3. The range overview (continued)

Mazda3
Sport

Additional Sport features over the TS²:

- 17" alloy wheels.
- Blackout instrument dials.
- Trip computer.
- Rain-sensing wipers.
- Bose® premium audio system with 6-disc CD autochanger and seven speakers.
- Xenon auto-headlights and LED rear lights.
- Sports bodystyling, including body-coloured side skirts, rear spoiler and front fog lights.
- Optional sunroof (5-door hatchback only).
- Optional leather seats.

Mazda3
MPS

Mazda3 MPS key features:

- 2.3 MZR DISI Turbo engine with 260ps at 3,500rpm.
- Dynamic Stability Control (DSC), Traction Control System (TCS) and Limited Slip Differential (LSD).
- 18" alloy wheels in 10-spoke design.
- MPS Sports styling with unique body-coloured front grille and bonnet designs, aerodynamic front and rear bumpers, distinctive side skirts and rear lip spoiler.
- Leather sports seats (front: partial leather / cloth) with stitched MPS logo.
- Large chrome exhaust trim.
- Optional Sport Aero Kit with sports mirrors, lowering suspension kit by Eibach and sports rear spoiler.

Wheels to move you

Individual style is part of the Mazda3's character and appeal. Now you can enhance it further with a choice of beautiful and dynamic alloy wheels. Combine them with chrome door mirror covers and side indicator rings and you will have a car that provides the ultimate in visual satisfaction.

1 **15" alloy wheel**
in 5-spoke design (Design 31).

2 **15" or 16" alloy wheel**
in 5-spoke design (Design 32).

3 **16" alloy wheel**
in 5-spoke design (Design 33).

4 **17" alloy wheel**
in 10-spoke design (Design 34).

Sportswear for the road

Inspired by the high-performance Mazda3 MPS, there's a sports styling pack available for both the Mazda3 hatchback and saloon. The pack comprises a sports front grille, front and rear aero bumpers, side skirts, and a rear spoiler, plus rectangular front fog lights.

Combine this with other sports accessories, like sports door mirrors, lowered suspension and chrome exhaust trim, and you have a car that will appeal to even the keenest driver.

- 1 **Chrome exhaust trim** provides added visual impact.
- 2 **Sports door mirrors** reflect your sporting character.
- 3 **Roof spoiler (hatchback)** makes a bold statement.
- 4 **Eibach suspension-lowering kit** further enhances sporty looks and driving dynamics.

Inner qualities

Quality and craftsmanship are the hallmarks of the Mazda3. Combine that with a wide range of interior trim options and you can enjoy a very individual look. From race-inspired alloy sports pedals to cool piano black trim highlights, every exclusive element serves to complement the Mazda3's style and enhance your driving experience.

1

1 **Air vent bezel**
in piano black finish.

2

2 **Sports pedals**
in alloy.

3

3 **Door switch panel**
finished in piano black.

4

4 **Gear knob and handbrake cover**
in titanium finish.

5

5 **Scuff plates**
protect sills from scratches and look
good too.

In tune with your lifestyle

With its strong sporting ambitions, the Mazda3 can help you make more of your leisure time. Offering a wide range of lifestyle options, from roof carrier systems, with specially-designed attachments for bikes, skis, kayaks and more, to a detachable tow bar that is ideal for occasional towing, your Mazda3 will satisfy the most adventurous spirit.

1 **Ski attachment**
holds two pairs of skis or one snowboard. Large version holds six pairs of skis or four snowboards.

2 **Front and rear parking distance sensors**
detect obstacles in front and behind your car.

3 **Smartnav satellite navigation**
complete navigation and traffic information system.

4 **Detachable tow bar**
to pull up to 1,300kg braked load (12% gradient), depending on engine.

5 **Base roof carrier system**
that can be combined with attachments for bikes, skis, kayaks and more.

6 **Mudflaps**
help to protect the paintwork from stone chips and dirt.

Enhanced protection

The Mazda3 is thoughtfully designed and strongly built to care for your passengers and belongings alike. Choose from a wide range of baby and child seats, and purpose-designed interior mats and luggage storage solutions to create a safe, comfortable and practical way to travel.

- | | | |
|---|--|--|

Mechanical Features

Engines:

- 1.4 MZR Petrol**
- 1349cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 84ps (62kW) at 6000rpm and 122Nm at 4000rpm.
 - CO₂ emissions of 157g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 50Ah or 75Ah.
 - Alternator – 12V-80A
 - Sequential electronic multi-point fuel injection.
 - Sequential Valve Timing System (S-VT).
- 1.6 MZR Petrol**
- 1598cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 105ps (77kW) at 6000rpm and 145Nm at 4000rpm.
 - CO₂ emissions of 162g/km (5-speed manual, hatchback and saloon) 183g/km (Activematic hatchback) and 179g/km (Activematic Saloon) (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 50Ah or 75Ah.
 - Alternator – 12V-80A
 - Sequential electronic multi-point fuel injection.
 - Sequential Valve Timing System (S-VT).
 - Variable Induction System.
- 2.0 MZR Petrol**
- 1999cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 150ps (110kW) at 6500rpm and 187Nm at 4000rpm.
 - CO₂ emissions of 189g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 50Ah or 75Ah.
 - Alternator – 12V-110A
 - Sequential electronic multi-point fuel injection.
 - Sequential Valve Timing System (S-VT).
 - Variable Induction System.
- 1.6 MZ-CD Diesel (90ps)**
- 1560cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 90ps (66kW) at 4000rpm and 215Nm at 1750rpm.
 - CO₂ emissions of 125g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 80Ah.
 - Alternator – 12V-150A
 - Common-rail fuel injection.
- 1.6 MZ-CD Diesel (109ps)**
- 1560cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 109ps (80kW) at 4000rpm and 240Nm at 1750rpm.
 - CO₂ emissions of 128g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 80Ah.
 - Alternator – 12V-150A
 - Common-rail fuel injection.
 - Diesel particulate filter.

- 2.0 MZR-CD Diesel (143ps)**
- 1998cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 143ps (105kW) at 3500rpm and 360Nm at 2000rpm.
 - CO₂ emissions of 162g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 95Ah.
 - Alternator – 12V-90A.
 - Common-rail fuel injection.
 - Diesel particulate filter.

Transmissions:

- 5- or 6-speed manual (6-speed only available on 2.0 MZR and 2.0 MZR-CD) – Giving precise, positive shift feel to provide a feeling of unity between driver and vehicle.
- 4-speed Activematic (optional on 1.6 MZR) – Choice between automatic or manual shifting.

Body:

- Self-supporting rigid and torsion-resistant all-steel body with defined crush zones for the front and rear sections, stable passenger safety cell with side impact reinforcement in the doors.
- Mazda Advanced Impact Distribution and Absorption System designed to secure the critical interior space in the event of an accident.
- Supplementary Restraint System (SRS) comprising central control unit and crash sensors, seatbelt pre-tensioners, load-limiters and airbag system.

Chassis and Suspension:

- Front: Independent suspension with MacPherson struts, 4-point rubber mounting system and liquid-filled bushings.
- Rear: E-type multi-link suspension with monotube dampers and low-mounted springs to maximise load compartment space.

Brake System:

- Hydraulic, diagonally divided dual-circuit system with power brake unit.
- Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Emergency Brake Assistance (EBA).
- Front: 278mm (300mm on 2.0 MZR and 2.0 MZR-CD) ventilated disc brakes.
- Rear: 265mm (280mm on 2.0 MZR and 2.0 MZR-CD) disc brakes.
