

The new Audi A4 Saloon and Avant
Pricing and Specification Guide
Valid from July 2008

A User's Guide

This guide has been designed to help you tailor and price your chosen A4 model quickly and logically. At the back of this guide, you will also find information on CO₂ emissions-based taxation and the other services offered by Audi, including Finance and Insurance. If you wish, you can also go to audi.co.uk and configure your A4 online.

The new A4

With its innovative technologies and modern, pioneering design, the new Audi A4 is set to completely redefine your driving experience. Sporty exterior styling and exceptional interior refinement ensure that it creates a long-lasting impression of style and sophistication, which is reinforced when you start to discover the exclusive features that lie beneath its sculpted bodywork.

The Audi drive select system provides agility and control, while retaining directional stability and precise steering in difficult, high-speed driving conditions. What's more, Audi drive select can be tuned by each individual, ensuring a drive that's perfectly customised for your needs. But that's not all. The climate controlled seats add even more comfort, while Audi side assist and Audi lane assist guarantee a safer, more satisfying journey.

In short, the new Audi A4 incorporates the ideal combination of cutting-edge design and advanced technologies, allowing it to deliver one of the most balanced, rewarding driving experiences in the industry. From its sporty appearance to its refined interior features, each aspect has been expertly developed to produce a remarkable vehicle that raises the benchmark for design and driving dynamics.

Engines

Petrol

All A4 petrol engines feature FSI® direct-injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque as well as enhanced fuel efficiency. The way it does this is, in theory, very simple. Precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for the buyer who wants a sporty, exhilarating drive without the drawbacks of excessive fuel costs or high CO₂ emissions.

Diesel

All diesel engines from Audi are known as TDI®. This impressive technology was originally pioneered by Audi in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. Like its FSI petrol counterpart, the TDI® diesel engine is designed for power, performance, low fuel consumption and reduced CO₂ emissions.

All A4 TDI® engines are based on the common rail system. Here, fuel is stored and kept at constant pressures of up to 1,600 bar, ready to feed a series of highly accurate piezo injectors, which control the rate and point of injection.

V6-3.0 TDI

V6-3.2 FSI

quattro®

Permanent four-wheel-drive

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the A4 so thrilling to drive. It's called quattro® permanent four-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car

as needed, for a driving experience that's both dynamic and safe. In the A4 asymmetric-dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

Standard model equipment

All A4 models have the following items of standard equipment:

Wheels, tyres and suspension

16 x 7.5J '7-arm' design alloy wheels with 225/55 R16 tyres and locking wheel bolts
Space-saver spare wheel

Audio and communication

Audi Chorus audio system – single CD-player with 6.5" monochrome display
6 loudspeakers (80 Watts)

Seats

Cosinus cloth seats with manual height adjustment
Split folding rear seats

Safety and security

ESP
First aid kit
Front and rear fog lights
Front and rear ISOFIX seats with front passenger airbag de-activation switch
Front side airbags
Halogen daytime running lights
Headlight range adjustment
Thatcham category 1 alarm and immobiliser
Toolkit and car jack
Warning triangle

Interior equipment

1-zone climate control
12V power socket in boot
4-spoke leather steering wheel
Door sill trims in Aluminium optic
Driver's Information System (DIS)
Electric front and rear windows
Electromechanical parking brake
Front and rear floor mats
Intelligent key
Micrometallic inlays
Rear armrest
Steering column adjustment for rake and reach

Exterior equipment

Auto-opening boot lid (Saloon models only)
Exterior mirrors – electrically operated and heated
Front grille – Black gloss on 3.0 TDI and 3.2 FSI, Stone grey on all others
Roof rails in bright finish (Avant models only)
Exhaust pipes – 4-cylinder models have two exhaust pipes on the left hand side. 6-cylinder models and the 2.0 TFSI Avant model have one exhaust pipe on each side

16 x 7.5J '7-arm' design alloy wheels with 225/55 R16 tyres

Exterior mirrors – electrically operated and heated

A4 Standard model prices

Petrol – Saloon

Engines	Power	Transmission	Basic RRP	Total RRP ^{inc. VAT}	Recommended OTR

S line model equipment

In addition to SE model equipment:

Basic RRP	Total RRP <small>inc. VAT</small>
£2,127.66	£2,500.00

Wheels, tyres and suspension

18 x 8J '5 spoke' S line design alloy wheels with 245/40 R18 tyres

Sport suspension 20mm lower than Standard.
(S line suspension 30mm lower than Standard. Available in lieu of Sport suspension at no charge)

Space-saver spare wheel

Interior equipment

3-spoke S line multi-function steering wheel
(paddle shift for automatic models)

Black headlining

Matt brushed aluminium inlays

Perforated leather gear knob

S line embossed Sport seats in cloth/leather combination

S line sill plates

Exterior equipment

Bumper 'blade' in Platinum optic

Chrome fog light surround

Chrome rolled exhaust

S line exterior styling package including:

– S line side skirts

– S line front bumper

– S line rear diffuser

– S line badges on wings

Roof spoiler (Avant models only)

Xenon headlights with LED running lights

Additional upholstery information

Option of black or silver stitching to upholstery, steering wheel, gearshift gaiters and floor mats

3-spoke S line steering wheel (paddle shift for automatic models)

18 x 8J '5-spoke' S line design alloy wheels

Transmission

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® automatic transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. A continuously variable transmission available on front-wheel-drive models, multitronic® operates in an exceptionally wide range of gear ratios thanks to its steel link-plate chain construction. The result is exceptional driving comfort, as well as smooth, powerful acceleration over the entire range of engine speeds. In addition, thanks to its lightweight design and the DRP Dynamic Regulating Programme which monitors gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption. And with eight simulated gear ratios available, you can enjoy all these benefits whilst adopting the sporty driving style of a manual.

tiptronic®

The 6-speed tiptronic® transmission system is a form of automatic transmission available on A4 models with quattro® permanent four-wheel-drive. The technology incorporates DSP – or the Dynamic Shift Programme which aligns and converts the engine's high power and torque into both sporty performance and operating convenience, with crisp, fast gear changes, reduced weight and optimised gear shifting. In the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic® respond efficiently to every driver input, helping to prevent unwanted gear-changes. The driver can override automatic mode by moving the gear lever into a tiptronic® shift-gate, enabling spontaneous gear changing for a sportier driving style.

Dynamic steering

With this new technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations.

Damper control

The optional damper control system makes individual settings for suspension tunings possible. A lowered sports suspension forms the basis. Adjustable hydraulic dampers alter the damper characteristics individually for each wheel.

Audio and communication

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your new A4 with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Upholstery

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown to the left.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

	Standard	SE	S line	Basic RRP	Total RRP ^{inc. VAT}
Valcona leather – front and back seats, head restraints, door trim inserts, front centre armrest (if ordered), seat side trims and add-on seat parts are leather-covered and colour-coordinated (only in conjunction with interior code "GD")	-	•	•	£3,191.49	£3,750.00

Sand beige, pearl effect

Velvet purple, pearl effect

Oak green, metallic

Saddle brown, pearl effect

Classic red, pearl effect

Or any other paint colour in the Audi range

Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

Standard	SE	S line	Basic RRP	Total RRP ^{inc. VAT}
I	•	•	£1,446.81	£1,700.00

Customised paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Standard	SE	S line	Basic RRP	Total RRP <small>inc. VAT</small>
I	•	•	£2,042.55	£2,400.00

Inlays

Inlays are the all-important 'finishing touch' that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from Oak sepia to rich quilted maple wood. You can even customise your gear knob with one of the available woods, all of which are shown opposite.

	Basic RRP	Total RRP <small>inc. VAT</small>
Inlays	£638.30	£750.00

Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise the steering wheel of your choice in smooth, warm leather, in any of the colours shown on page 39. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a controls pack and you can extend this exclusive look and feel to your car's handbrake, gearknob and gaiter too.

Carpets and floor mats

Exclusivity isn't just about choice and individuality – it's about attention to every detail in your A4; and for us, that includes the carpets and floor mats. First, choose from eleven different colours of high-quality velour carpets. Next, choose the colour of your car's floor mats from the same list, whilst using the palette of Audi upholstery colours detailed on page 39 to select a leather colour for the mats' decorative leather piping – matched or contrasting, depending on your personal taste. Floor mats are included when you order Audi exclusive carpet; but if you wish, they can also be purchased separately in a set of four.

³Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁴The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

³Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁴The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Dimensions

A4 Saloon

A4 Avant

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Luggage compartment volume in litres: 490/1430 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down). Turning circle approx 11.4m

Dimensions in millimetres

Other information

CO2 data and information

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO2) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created seven categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 120g/km	£35.00
C – 121 to 150g/km	£120.00
D – 151 to 165g/km	£145.00
E – 166 to 185g/km	£170.00
F – 186 to 225g/km	£210.00
G – over 225g/km	£400.00

CO2 emission figures

The CO2 emission figures quoted in the technical data section on pages 44-47 are based on a fully-laden vehicle, including the driver, and the heaviest possible options configuration. Actual CO2 emissions may be lower depending on options selected.

Servicing

Servicing tailored to your needs

With the introduction of model year 2008 TT, A3, A4 and A5 (other models to follow) an improved variable maintenance concept with a revised and simplified maintenance schedule has been introduced to meet the increasingly varied needs of Audi drivers.

As with the original LongLife Servicing there is still the ability to opt for the traditional Fixed Interval Inspection servicing with oil changes every 10,000 miles or the new enhanced servicing concept.

With this new regime the oil change remains variable and, depending on operating conditions, can be carried out up to 20,000 miles or 2 years.

Enhanced LongLife Servicing

Fixed Service intervals:	
Oil-change Service	Every 10,000* miles/1 year
Interval Service	Every 20,000* miles/2 years
Interval Service Inspection	Every 40,000* miles/4 years

However, with enhanced LongLife Servicing, the Inspection Service elements are separate to oil changing. These are carried out for the first time at 3 years or 20,000 miles and then every 2 years/20,000 miles thereafter.

The time and distance remaining until each part of the service is required is displayed separately via the Service Display on the car's computer.

In practice, this new service concept results in lower ownership costs, as maintenance work is carried out when your vehicle really needs it.

Variable Service intervals:	
Interval Service	Flexible to a maximum 20,000* miles/2 years
Interval Service Inspection	Every 20,000* miles/3 years, then every 20,000 miles/2 years thereafter

*Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am-6pm Monday to Friday

9am-5pm Saturday

Service: 8am-6pm Monday to Friday

8.30am-1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi Technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5%.

Delivery charges and number plates are not included in the vehicle price.

<u>Delivery charge</u>	<u>£469.36</u>
<u>Number plates</u>	<u>£20.00</u>
<u>VAT</u>	<u>£85.64</u>
<u>Total</u>	<u>£575.00</u>

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the third year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire Purchase
- ▶ Lease Purchase
- ▶ Finance Lease
- ▶ Contract Hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
