ENSURE YOUR VEHICLE IS SAFE WHEN YOU'RE NOT AROUND

All TRACKER systems are operated by the UK's 52 police forces, allowing the police to track and recover vehicles undercover, underground and even in a container. With full Thatcham TQA accreditation and backed by expert trained fitters in your local Chrysler dealership, you can rest assured that your vehicle is being monitored every minute of the day. In addition most insurance companies will offer a discount for any vehicle fitted with an enabled TRACKER system.

D. TRACKER MONITOR operates using TRACKER's proven Very High Frequency (VHF) technology. In the event of a theft where the vehicle is moved with the ignition turned on, the motion sensor will alert TRACKER who will in turn notify you. Part Number 82201200

TRACKER HORIZON has all the functionality of TRACKER MONITOR with the added benefit of Global Positioning System (GPS). Part Number 82201201

TRACKER RESPONSE based on a unique combination of GPS and VHF tracking technologies and utilising GSM communications. TRACKER RESPONSE provides an unrivalled entry into the vehicle tracking marketplace with an interactive customer website offering the ability to track the vehicle during journeys and storing historical travel information for a 6 month period. Part Number 82201202

ENGINE PERFORMANCE

Whether your requirements are for increased torque of 50Nm* for towing and carrying heavy loads or you just enjoy the sportier feel of the 2.0CRD engine enhanced with an additional 40 horse power*, the Startech PowerXtra module is guaranteed to impress. The only performance module that includes full manufacturers warranty. This product is so very much about the way the car feels and performs on the road. Part Number SPX0110004

* Deviations of +/- 5% may occur
NB: As the PowerXtra unit significantly increases the performance of the vehicle, we would strongly advise you to notify your insurance company of it's fitment, as it may invalidate any future insurance claims if it has not been notified
