---	---

1 > Honda Compact Navigation System

- Discreet Honda attachment bracket for seamless integration
- Full Western European mapping, including petrol stations, Honda dealers and local attractions
- Unique anti-glare back to reduce distracting windscreen reflections
- Bluetooth® wireless technology for hands-free calls
- Honda's Genuine Accessory warranty (up to 3 years cover when bought with a new car)

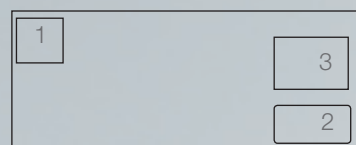

2 > Civic Adapter for iPod

With Honda's handy iPod® adapter you can easily hook up your iPod® to your car's audio system and enjoy your personal digital music collection while on the move.

Practical

Take some of the stress from your journey by choosing from our range of driver aids. Use your mobile phone safely while you're on the road by fitting our Bluetooth® hands-free system and reverse with confidence with one of our advanced parking aids.

1 > Rear Parking Aid Camera

As soon as you select reverse gear the rear view appears on the screen of your navigation system giving you confidence that it's safe to continue. *(Requires factory fitted Satellite Navigation System. Not compatible with Honda Compact Navigation System.)*

2 > Rear Parking Sensors

Pull confidently into those tight parking spots. 4 sensors integrated into the rear bumper detect obstacles within 1.5 metres of your Civic and warn you with a clear audible signal.

3 > Bluetooth® Phone System

 The Bluetooth® Phone System is a simple, safe and convenient hands-free solution, allowing you to easily manage your calls while keeping focused on the road.

Powerful

 Bass Works audio accessories have been specially created to offer you the ultimate audio experience. We offer a full range of subtly integrated upgrades for your Civic, each designed to fit your car perfectly. Make sure your journey gets the soundtrack it deserves.

||| BASS WORKS

Tailor your in-car audio to match your taste in music by choosing from our range of front and rear speaker upgrades. Two dedicated Bass Works rear speakers coupled with a powerful amplifier enrich the deep bass tones of your music. Our Co-Axial upgrade speakers clarify the mid-ranges and provide crisp high tones. Dual Cone speakers offer flawlessly reproduced mid-ranges to perfectly complement our separate tweeters.
