

Warranty Plus – 3-Year Cover

Every Mazda is designed and built to the highest standards of performance, comfort and reliability. For your further reassurance, Mazda also provides a full 3-year / 60,000-mile* warranty cover, including Mazda European Assistance, 3-year paintwork warranty and a 12-year anti-perforation warranty. *There is no mileage limit during the first year of the warranty.

Mazda Momentum – New Vehicle Extended Warranty

At any time during the manufacturer's warranty period, you may purchase a Mazda Momentum extended warranty package. Three options are available. Your Mazda dealer will be pleased to provide you with details.

Mazda Financial Services*

Mazda Financial Services offers a variety of finance and payment protection schemes to suit the needs of both private and business customers. With our wide range of plans and services, no-one is more committed to delivering complete motoring confidence and total peace of mind than Mazda and Mazda Financial Services.

Mazda Contract Hire

As a Mazda corporate customer, you'll find that Mazda vehicles are designed to fulfil the diverse needs of a modern company. Our corporate service offers attractive purchase prices, low running costs and market-driven residual values, resulting in extremely competitive ownership costs.

To find out more about the benefits of Mazda Financial Services and Mazda Contract Hire speak to your Mazda dealer today.

Digital Service Record

The Mazda Digital Service Record (DSR) system provides increased security against counterfeit service documents and odometer tampering, and makes it easy to keep the service history up to date. Stored on a central database, the DSR replaces the traditional paper service book and ensures a secure, accurate and permanent service history for the life of the vehicle.

Fly. In the face of convention

It's a rare pleasure when a car comes along that defies the norm – flying in the face of convention. The stylish Mazda2 is just such a car.

Displaying an individual style when other cars are looking increasingly alike; lighter and more fuel-efficient when other cars are getting heavier and thirstier; smaller and more agile when other cars are getting larger and more unwieldy: the Mazda2 is proof that avoiding the obvious choice can sometimes be the obvious choice...

The power. To move you

The Mazda2 is a true driver's car – so it's available with your choice of responsive 1.3 (75ps), 1.3 (86ps) or 1.5 (103ps) petrol engines – plus an advanced common-rail turbocharged 1.4 (68ps) diesel. Each of these engines is designed to produce ample torque at low revs, enabling quick getaways from the lights in town driving. They also combine with the Mazda2's light weight to provide agile handling, with accurate responses to your steering and throttle inputs, plus power when you need it for rapid overtaking manoeuvres.

Keen. To create the right impression

Mazda2's irresistible looks and dynamic handling are now complemented with the introduction of a sporty 3dr version. With no compromise on interior space and easy entry and exit, the front seats tip and slide forward, providing wide access points for rear passengers.

Poised. For action

Mazda2 3dr looks every inch the sporting coupé, with aggressively sloped side contours, unique design side skirts and flared wheel arches. Just like the 5dr version, it provides a perfect combination of driving thrills and safety.

Image shows Mazda2 1.5 3dr Sport with optional pearlescent paint.

Style. With substance

The Mazda2's blend of sharp contours and soft curves combines with the steeply sloping waistline and distinctive headlights to give the car a sporty, dynamic appearance: even standing still, it looks poised to leap forward. The Mazda2 TS² and Sport models are equipped with stylish alloy wheels and electric folding body-coloured door mirrors, and the Sport model really stands out amongst the crowd with front fog lights, a body-coloured sports grille, side skirts, a sports front bumper as well as a rear sports spoiler.

Image shows Mazda2 1.5 5dr Sport with optional mica paint.

Everything. In the right place

The Mazda2 is designed to interact with you. So it doesn't just have power steering – it has Electric Power Assisted Steering (EPAS) that feels neither too heavy nor too light, reduces steering effort at low parking speeds and is combined with a quick steering ratio for easy manoeuvring on busy urban roads as well as providing excellent stability at high speeds. Similarly, quick, effortless gearshifts are easy thanks to the high-mounted short-throw gear lever, and the front seats aren't merely adjustable – they offer best-in-class adjustability, so you can find the perfect driving position. And you can enjoy the extra convenience of air conditioning standard on all models, cruise control and a speed alarm in the Sport, plus electric folding mirrors and steering wheel-mounted remote audio controls in the TS² and Sport.

Light. Years ahead

The same weight-saving 'gram strategy' that helps Britain's favourite sports car, the Mazda MX-5, perform so well, has been applied to the Mazda2. For example, the bodyshell uses high-tensile steels that make the car quieter, extremely strong and, when combined with numerous other weight-saving measures, lightweight, at less than 1,000kg. This means that whichever lightweight Mazda2 you choose, it will perform better, sip less fuel and produce lower CO₂ emissions.

Less weight. More go

Each new generation of 'superminis' is getting larger and heavier. Inevitably, this makes them slower, thirstier and less agile. The Mazda2 is different. It's lighter, making it faster, more fuel-efficient and more fun to drive. It's also got an all-new, lightweight, sports-tuned chassis. So it's quick to react to your inputs – whether from the steering wheel, throttle or brake pedal – making it ideal for nipping in and out of busy city traffic, easier to park and perfect for that spur-of-the-moment country getaway.

DSC system

Dynamic Stability Control (DSC) enhances driving stability when cornering and during rapid evasive manoeuvres by automatically limiting engine power and applying the brakes on individual wheels, thus maintaining control in situations when the vehicle might otherwise tend to oversteer or understeer (standard on Sport models).

4W-ABS

Four-wheel Anti-lock Braking System (4W-ABS) with Electronic Brake-force Distribution (EBD) is designed to prevent skidding, helping you to stay in control during emergency braking on wet or snow-covered roads. Surefooted under pressure (standard on all models).

Safe

The Mazda2 has been designed to keep you and your family safe. The lightweight, extremely rigid bodyshell forms a strong defensive cage around those inside. This is complemented by the extra protection offered by crumple zones plus, in the rear, ISOFIX anchorages help keep your kids safely secured.

Airbags

Driver and front passenger side and curtain airbags* combine with front seatbelt pre-tensioners and load-limiters to significantly reduce the likelihood of injury in a collision.

* Side and curtain airbags standard on TS² and Sport.

Security

A Thatcham Category 1 alarm and immobiliser as standard on all Mazda2 models helps deter unwanted attention.

The Mazda2 5dr provides the optimal adult occupant protection with a maximum 5-star Euro NCAP rating proving it is one of the safest cars in its class.**

Mazda2: The range

Mazda2
TS

TS key features:

- 15" steel wheels.
- Radio / CD / MP3 player and auxiliary jack.
- ABS with Emergency Brake Assist (EBA) and Emergency Brake-force Distribution (EBD).
- Electric Power Assisted Steering (EPAS).
- Driver and front passenger airbags.
- ISOFIX anchors.
- Remote central locking with deadlocking and two jack-knife keys.
- Electric front windows and electrically adjustable mirrors.
- Thatcham Category 1 alarm and immobiliser.
- Manual air conditioning.

Additional TS² features over the TS:

- 15" alloy wheels.
- Steering wheel remote audio controls.
- Body-coloured, heated and folding electric mirrors.
- Side and curtain airbags.
- Body-coloured door handles.
- 60/40 split rear seats.
- Leather steering wheel and gear knob.

Additional Sport features over the TS²:

- 16" alloy wheels.
- Front fog lights.
- Sports styling kit.
- Rear electric windows. (5dr only)
- Blackout meters
- Auto lights and rain-sensing wipers.
- Climate control air conditioning.
- Trip computer.
- Dynamic Stability Control (DSC) and Traction Control System (TCS).
- Cruise control and speed alarm.

Vitality

Enhance your Mazda2's lively character with a choice of sporty exterior accessories and racy body stripes.

Standard body stripe:
Solid white.

Luxury body stripes:
Silver with dark grey pinstripe.
Dark grey with silver pinstripe.
Black with silver pinstripe.

- 1 Sports front aero bumper, side airdam skirts, rear roof spoiler and fog lights.
- 2 Front spats.
- 3 Rear roof spoiler.
- 4 Side marker ring.

Specialist fitment is recommended for the sports stripes. Please consult your local dealer for further details.

True grip

Stunning alloy wheels and a wide range of styling enhancements are available to really make your Mazda2 just exactly that: your Mazda2.

5

- 1 15" alloy wheel.
- 2 15" 'Exclusive' design alloy wheel.
- 3 16" alloy wheel.
- 4 16" titanium finish alloy wheel.
- 5 16" 'Exclusive' design alloy wheel.

Inviting

Make yourself at home with a choice of tasty accessories that add a little extra to the interior of your Mazda2.

- 1 Alloy pedal set and footrest.
- 2 Sports gear knob.
- 3 Pioneer multimedia navigation system.
- 4 Bluetooth® hands-free system.
- 5 Front armrest with stowage.
- 6 MP3 compatible 6-CD Autochanger.

- 1 Luxury carpet mats.
- 2 Trunk storage shelf.
- 3 Trunk organiser stowage box.
- 4 Trunk liner.
- 5 Bumper corner protector.
- 6 Door side protector. (5dr only)
- 7 Sunblinds for rear windows.

Reassuring

Make the most of the great outdoors in comfort and safety.

Protecting

Finishing touches to help keep your Mazda2 looking its best.

- 1 Front and rear parking distance sensors.
- 2 ISOFIX Duo Plus baby seat.
- 3 Roof bar system.
- 4 Fog lights.

Image above shows Mazda2 1.3 5dr TS² with optional mica paint and features sports front aero bumper, sports grille and fog lights at extra cost.

Mechanical Features and Model Availability

Engines:

- 1.3l MZR Petrol
- 1349cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 75ps (55kW) at 6000rpm and 121Nm at 3500rpm.
 - CO₂ emissions of 125g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 55D23L.
- 1.3l MZR Petrol
- 1349cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 86ps (63kW) at 6000rpm and 122Nm at 3500rpm.
 - CO₂ emissions of 125g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 55D23L.
- 1.5l MZR Petrol
- 1498cc in-line 4-cylinder, 16-valve, DOHC, front-mounted, developing 103ps (76kW) at 6000rpm and 137Nm at 4000rpm.
 - CO₂ emissions of 135g/km (EC Stage IV).
 - Powertrain Control Module (PCM).
 - Battery – 55D23L.
- 1.4l MZ-CD Diesel
- 1399cc in-line 4-cylinder, 8-valve, SOHC, front-mounted, developing 68ps (50kW) at 4000rpm and 160Nm at 2000rpm.
 - CO₂ emissions of 107g/km (EC Stage IV).
 - Common-rail fuel injection.
 - Turbocharger.
 - Powertrain Control Module (PCM).
 - Battery – 80D26L.

Transmissions:

- 5-speed manual – Giving precise, positive shift feel to provide a feeling of unity between driver and vehicle.

Body:

- High-rigidity and torsion-resistant all-steel body with defined crumple zones for the front and rear sections, stable passenger safety cell with side impact reinforcement in the doors.
- Supplementary Restraint System (SRS) comprising central control unit and crush sensors, seatbelt pre-tensioners, load-limiters and front airbags.
- Mazda Advanced Impact Distribution and Absorption System designed to secure the critical interior space in the event of an accident.

Chassis and Suspension:

- Front: Independent suspension with MacPherson struts, lower A-arms, torsion bar.
- Rear: Twist-beam, coil springs, trailing arms (Torsion Beam).

Brake System:

- Hydraulic, diagonally divided dual circuit system with power brake unit.
- Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Emergency Brake Assist (EBA).
- Front: 258mm ventilated disc brakes.
- Rear: 200mm drum brakes.
- Mechanical parking brake acting on rear wheels.
