## The new Audi A3 Cabriolet

With the new Audi A3 Cabriolet, we've taken all the qualities you'd associate with Audi – stunning design, sporty looks and progressive styling – and brought them one step further. From the sweeping, expressive lines of the body to the smooth silhouette of the canvas hood, it's got all the dynamic character and appeal of a coupé. And even more impressively, we've combined this with the everyday practicality of increased luggage capacity and space for four people.

Stylish and practical, the A3 Cabriolet's dynamic shape and alloy wheels make an immediate impact. And with a Z-fold hood that opens in just 9 seconds, it doesn't take much longer for this car

to impress you with its ever-changing profile. In fact, you can lower its Sport hood with just the touch of a button, at speeds of up to 19mph. The new model is available now with a choice of five engines, including the turbocharged 2.0 TFSI and the new efficient 2.0 TDI with common-rail injection technology. What's more, along with considerable power you can enjoy impressive control, thanks to a choice of manual transmissions or the revolutionary Audi S tronic transmissions. And no matter which options you select, from styling to multimedia, you can look forward to a comprehensive range of equipment to make your driving experience complete.

## Petrol

The A3 Cabriolet includes an impressive turbocharged direct-injection TFSI® engine. TFSI® is a unique Audi innovation, combining turbo-charging with the FSI® technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected directly into the combustion chambers, 'unthrottling' the engine and enabling it to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for someone who's looking for an uncompromising, exhilarating drive.

## Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology for even more efficiency and power. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which cuts down emissions. In fact, it means that the new 2.0 TDI engine already complies with the proposed EU 5 emission limits planned for 2010. So not only does common-rail technology help to protect the environment, it also enables us to future-proof our cars.

# Standard model equipment

## All A3 Cabriolet models have the following items of standard equipment:

### Wheels, tyres and suspension

16 x 6.5J '7-arm design' alloy wheels with 225/55 R16 tyres  
Space-saving spare wheel

### Audio and communication

Audi Chorus radio/single CD player with front speakers

### Seats

Driver and front passenger seat-height manually adjustable  
Easy entry front seats  
'Frequency' cloth upholstery  
Seat belts – 3-point on all four seats  
Split-folding rear seats (50:50)

### Safety and security

Anti-theft wheel bolts  
Audi backguard head restraints for front seats (adjustable)  
Daytime running lights

Driver, front passenger and side airbags for front seats  
Electronic Stability Programme (ESP), including ABS, EBD, ASR and EDL  
Halogen headlights  
Front and rear ISOFIX child seat preparation (front passenger with airbag deactivation switch)  
Rear fog light  
Rear head restraints  
Remote-control central locking  
Roll-over protection bars  
Servotronic – electromechanical, speed-sensitive, power-assisted steering  
Thatcham Category 1 Alarm and Immobiliser  
Warning triangle  
Tool kit and car jack

### Interior equipment

4-spoke leather steering wheel (not on S tronic models)  
3-spoke leather Sports steering wheel with gear-change paddles (S tronic models only)

Electric front and rear windows  
Front and rear floor mats  
Granite or Umbra inlays and door trim (depending on upholstery colour, see page 26)  
Heated rear glass screen  
Heat-insulating glass  
Illuminated vanity mirrors  
Manual air conditioning  
Manual headlight adjustment  
Steering wheel adjustable for height and reach  
Washer fluid level indicator

### Exterior equipment

Body-coloured door mirrors with integrated indicators  
Electrically-operated and heated door mirrors  
Semi-automatic electrically-operated soft-top

16 x 6.5J '7-arm design' alloy wheels

Driver, front passenger and side airbag for front seats

Split-folding rear seats (50:50)

## Standard model prices

### Petrol

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
1.6	102PS	5-speed manual	£16,643.48	£19,140.00	£19,935.00
1.8 TFSI	160PS	6-speed manual	£18,608.70	£21,400.00	£22,170.00
2.0 TFSI	200PS	6-speed manual	£19,765.22	£22,730.00	£23,525.00

### Diesel

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
1.9 TDI	105PS	5-speed manual	£17,330.43	£19,930.00	£20,670.00
2.0 TDI	140PS	6-speed manual	£19,039.13	£21,895.00	£22,635.00

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £565.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission – see page 49 for details) and first registration fee at £55.00.

Please note: images shown are for illustration purposes only and do not necessarily depict UK specification.

# Sport model equipment

## In addition to Standard model equipment:

Basic RRP	Total RRP <sup>inc.</sup> <sub>VAT</sub>
£1,573.91	£1,810.00

### Wheels, tyres and suspension

17 x 7.5J '5-spoke star' design alloy wheels with 225/45 R17 tyres

Sports suspension (lower by 15mm)

### Audio and communication

Audi Concert radio with single front-loading CD player, MP3 file compatibility and active front and rear speakers. Includes AUX-IN socket in front-centre compartment

### Seats

Front Sports seats

'Dynamic' cloth upholstery

### Safety and security

Front fog lights

### Interior equipment

3-spoke leather Sports steering wheel

Aluminium medial silver inlays and door trims

Door sills with aluminium inlays

Dual-zone electronic climate control

Driver's Information System with outside temperature display

Wind deflector

### Exterior equipment

Exterior aluminium design trim; roll bars, shoulder line trim and trim strips on door handles

Fully automatic, acoustic hood; with one-touch and key operation – opens in nine seconds

17 x 7.5J '5-spoke star' design alloy wheels

Door sills with aluminium inlays

Exterior aluminium design trim (roll bars)

Please note: images shown are for illustration purposes only and do not necessarily depict UK specification.

# Transmission

## S tronic (6-speed)

Audi offers a variety of different transmission options to suit your requirements and driving style. In addition to the classic manual gearbox are two innovative, semi-automatic transmission options. To help you come to an informed decision, each of these is described in detail opposite.

The revolutionary S tronic gearbox combines the agility and responsiveness of a conventional 6-speed manual gearbox with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of the S tronic gearbox is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. One engages the odd-numbered gears, the other the even-numbered, enabling gear-shifts to be made in a fraction of a second, with no disruption to the power flow. Depending on how the mood takes you, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the S tronic system using the gear lever or steering wheel shift-paddles. The choice is yours.

## S tronic (7-speed)

The 1.8 TFSI model is now available with the new 7-gear version of our highly-acclaimed S tronic gearbox. The extra gear, along with a dry-clutch set-up, results in improved fuel economy and lower CO<sub>2</sub> emissions. As with the 6-speed S tronic gearbox, this gear system can be operated in fully automatic mode, or using the gear lever or steering wheel gear-change controls for an even more engaging drive.

Xenon Plus headlamps

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the *Vorsprung durch Technik*. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your new A3 Cabriolet with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

# Upholstery

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown to the left.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

	Standard	Sport	S line	Black Edition	Basic RRP	Total RRP <small>inc. VAT</small>
<b>Audi exclusive Fine Nappa leather seat upholstery with Alcantara door inserts and floor mats with leather piping.</b> (Only in combination with Sport seats)	-	•	-	-	£2,539.13	£2,920.00

<b>Audi exclusive leather roll bar trim</b>	•	•	•	-	£500.00	£575.00

\*Not available in Alcantara.  
- = Not available    • = Available

Or any other paint colour in the Audi range

Basic RRP	Total RRP <small>inc. VAT</small>
£1,447.83	£1,665.00*

## Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

## Customised paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Basic RRP	Total RRP <sup>inc.</sup> <sub>VAT</sub>
£2,043.48	£2,350.00

\*Not available on S line or Black Edition models.

# Inlays

Inlays are the all-important 'finishing touch' that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from Oak sepia to rich quilted maple wood. You can even customise your gear knob with one of the available woods, all of which are shown opposite.

	Basic RRP	Total RRP <small>inc. VAT</small>
Inlays*	£652.17	£750.00
Wooden gear knob (manual or S tronic*)	£204.35	£235.00

\*Not available on S line or Black Edition models.

## Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise the steering wheel of your choice in smooth, warm leather, in any of the colours shown on page 41. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a controls pack and you can extend this exclusive look and feel to your car's handbrake, gearknob and gaiter too.

	Basic RRP	Total RRP <sup>inc.</sup> <sub>VAT</sub>
Leather steering wheel rim*	£300.00	£345.00
Controls pack comprising – leather trimmed steering wheel rim, gear lever knob and gaiter and hand brake grip*	£508.70	£585.00

\*Not available on S line or Black Edition models.

## A3 Cabriolet

# Additional information

## CO<sub>2</sub> data and information

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines	
<b>A</b> – up to 100g/km	£0.00
<b>B</b> – 101 to 110g/km	£35.00
<b>C</b> – 111 to 120g/km	£35.00
<b>D</b> – 121 to 130g/km	£120.00
<b>E</b> – 131 to 140g/km	£120.00
<b>F</b> – 141 to 150g/km	£125.00
<b>G</b> – 151 to 165g/km	£150.00
<b>H</b> – 166 to 175g/km	£175.00
<b>I</b> – 176 to 185g/km	£175.00
<b>J</b> – 186 to 200g/km	£215.00
<b>K*</b> – 201 to 225g/km	£215.00
<b>L</b> – 226 to 255g/km	£405.00
<b>M</b> – over 255g/km	£405.00

\*Band K includes cars that have a CO<sub>2</sub> figure over 225g/kg but were registered before 23 March 2006.

## Audi Service

### Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule

### Inspection Service Schedule

Vehicle usage:	
<b>Mileage</b>	Less than 10,000* miles per annum
<b>Type of journey</b>	Mainly city/town centre driving. Short journeys
<b>Conditions</b>	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
<b>Driving style</b>	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

Fixed Audi Inspection Service Intervals:	
<b>Oil-change Service</b>	Fixed to every 10,000* miles/1 year
<b>Inspection Service</b>	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

has fixed intervals for the Oil Change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil Change Service is required. Oil Change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

### LongLife Service Regime

Vehicle usage:	
<b>Mileage</b>	More than 30 miles per day
<b>Type of journey</b>	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
<b>Conditions</b>	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
<b>Driving style</b>	Moderate acceleration, moderate braking, engine revs mainly below 3,000

Audi LongLife Service Intervals:	
<b>Oil-change Service</b>	Variable to a maximum of every 20,000* miles/2 years
<b>Inspection Service</b>	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

\*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

# Additional information

## Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

### **Every Audi Centre will be open during the following hours:**

**Sales:** 9am–6pm Monday to Friday  
9am–5pm Saturday

**Service:** 8am–6pm Monday to Friday  
8.30am–1pm Saturday

Sunday opening at local discretion.

### **Test drives**

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

### **New car delivery**

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

### **Delivery to any location within the UK**

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

### **Every attention to detail**

Your ownership experience starts with half a tank of fuel.

### **Quotation response**

We are committed to answering any quotation request within 1 working day.

### **Training**

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

### **Formal complaints procedure**

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

### **Courtesy cars**

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

### **Service bookings**

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

### **Cleaning**

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

### **No hidden charges**

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

### **A personal service**

All work will be done by a named Audi Technician, to whom you can personally direct questions or requests should you need to.

### **Environmental commitment**

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

## Pricing information

### Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 15%.

Delivery charges and number plates are not included in the vehicle price.

<u>Delivery charge</u>	<u>£471.30</u>
<u>Number plates</u>	<u>£20.00</u>
<u>VAT</u>	<u>£73.70</u>
<u>Total</u>	<u>£565.00</u>

### Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

### Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

### Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

### Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

### Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
