

The A4 and S4 Cabriolet
Pricing and Specification Guide
Valid from December 2008

A User's Guide

This guide has been designed to help you tailor and price your A4 Cabriolet model quickly and logically. At the back of this guide, you will also find information on CO2 emissions-based vehicle excise duty and the other services offered by Audi, including Finance and Insurance. If you wish, you can also go to audi.co.uk and configure your A4 Cabriolet online.

Tune into the Audi Channel at any time on Sky Guide No. 884 to see a whole range of programmes about the Audi range and our motorsport achievements.

The A4 Cabriolet

The A4 Cabriolet has an elegance and sophistication rarely found in a car this powerful. The 233PS 3.0 TDI® quattro®, for example, is capable of reaching 62mph in just 7.3 seconds – acceleration credentials guaranteed to blow away the cobwebs, even with the roof up. And with five other potent engines available – both petrol and TDI® – as well as quattro® permanent all-wheel-drive and the Audi dynamic chassis, the A4 Cabriolet's performance capabilities more than live up to its powerful looks.

Luxury also comes as standard on the Audi A4 Cabriolet. A fully automatic electric soft-top lets you transform your driving environment within seconds; and if conditions change, electronic climate control is also included as standard. Add to that the A4 Cabriolet's comfortable, well-appointed interior, featuring luxuries such as a leather multi-function steering wheel, and you'll be driving one of the most desirable 4-seater convertibles available.

Petrol

There are two kinds of engine available on the A4 Cabriolet – the traditional fuel-injection engine and the FSI® direct-injection engine. FSI® is a unique Audi technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque as well as enhanced fuel efficiency. The way it does this is, in theory, very simple. Precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for the buyer who wants a dynamic, exhilarating drive without the drawbacks of excessive fuel costs or high emissions.

Diesel

All diesel engines from Audi are known as TDI®. This impressive technology was originally pioneered by Audi in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. Like its FSI® petrol counterpart, the TDI® diesel engine is designed for power, performance, low fuel consumption and reduced emissions. The 2.0 TDI 4-cylinder engine is based on the proven pompe-duse technology – a system which combines both the pump and injector in one compact, lightweight unit.

The 3.0 TDI V6 engine is based on the common rail system. Here, fuel is stored and kept at constant pressures of up to 1,600 bar, ready to feed a series of highly accurate piezo injectors, which control the rate and point of injection.

quattro®

Permanent all-wheel-drive

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the A4 Cabriolet so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car in the right way as needed, for a driving experience that's both dynamic and safe. In the A4 Cabriolet, drive power is continuously distributed between the front and rear axles depending on weather conditions, road surface and gradient. On S4 and RS 4 Cabriolet models, quattro® is taken one step further with asymmetric-dynamic torque distribution, which increases flexibility for an enhanced, sportier drive.

Standard model equipment

All A4 Cabriolet models have the following items of standard equipment:

Wheels, tyres and suspension

16 x 7J '7-arm' design alloy wheels fitted with 215/55 R16 Y tyres

Full-size spare wheel

Audio and communication

Concert radio with single front-loading CD

Digital clock with date

Diversity radio aerial integrated into the boot lid

Nine loudspeakers (180 Watt total output)

Safety and security

Anti-lock Braking System (ABS)

Anti-theft alarm with interior microwave protection (Thatcham Category 1 approved)

Anti-theft wheel bolts

Automatic roll-over protection system

Automatically-triggered protective system behind the rear headrests

Driver and front passenger airbags

Electronic Brake-force Distribution (EBD) with 'Brake Assist'

Electronic Stability Programme (ESP)

Seat belt reminder with visual and acoustic warning

Side airbags for front seats

Side-impact protection

Visible Vehicle Identification Number (VIN)

Warning triangle

Interior equipment

12V power socket in the boot

Adjustable steering column (height and reach)

Brushed grey Aluminium dashboard and door-capping inlays

Can holder in centre console

Driver and passenger vanity mirrors

Driver's Information System (DIS)

Dust and pollen filter

Electronic climate control, independently adjustable for passenger and driver

Front centre armrest with hinged storage compartment

Front underseat storage trays and seat-back nets

Leather 4-spoke multi-function steering wheel (with gear-change paddles on multitronic® and tiptronic® models)

Outside-temperature gauge

Remote-controlled central locking (including the glove box) servotronic speed-related power steering (not on 1.8T or 2.0 TDI models)

Tailored front and rear carpet mats

Seats

Front seat belt pre-tensioners

Height-adjustable front seats

ISOFIX front passenger and rear seat preparation

Olympic cloth upholstery

Through-load facility (ski bag)

Exterior equipment

Colour-keyed door handles and mirrors

Electric front and rear windows

Electric headlight adjustment

Electrically-adjustable door mirrors

Halogen headlights

Front and rear foglights

Fully automatic electrically-operated soft-top

Galvanised body

Heat-insulating green-tinted glass

Soft-top box – variable to increase boot space as required

'Soft-touch' boot release

Additional equipment on 3.2 FSI and 3.0 TDI models over and above standard models:

6-CD autochanger (or iPod connection as no-cost option in lieu of 6-CD autochanger)

CD Satellite Navigation system

Colour Driver's Information System (DIS)

16 x 7J '7-arm' design alloy wheels

Transmissions

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® automatic transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® is available on front-wheel-drive models. A continuously variable transmission, multitronic® operates in an exceptionally wide range of gear ratios thanks to its steel link-plate chain construction. The result is exceptional driving comfort, as well as smooth, powerful acceleration over the entire range of engine speeds. In addition, thanks to its lightweight design and the DRP Dynamic Regulating Programme which monitors gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption. And with seven simulated gear ratios available, you can enjoy all these benefits whilst adopting the sporty driving style of a manual.

tiptronic®

The 6-speed tiptronic® transmission system is a form of automatic transmission available on A4 Cabriolet models with quattro® permanent all-wheel-drive. The technology incorporates DSP – or the Dynamic Shift Programme which aligns and converts the engine's high power and torque into both smooth performance and operating convenience, with crisp, fast gear changes, reduced weight and optimised gearshifting. In the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic® respond efficiently to every driver input, helping to prevent unwanted gear-changes. The driver can override automatic mode by moving the gear lever into a tiptronic® shift-gate, enabling spontaneous gear-changing for a more dynamic driving style.

*Excludes subscription

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your A4 Cabriolet with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour, seats in a combination of complementary shades or even individualised carpets and floor mats, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Alabaster white

Magnolia

Sand beige

Havana brown

Cocos

Cognac

Saddle brown

Chestnut brown

Crimson red*

Jet grey*

Palace blue

Upholstery

With Audi exclusive, you can choose between Valcona leather and Alcantara/Fine Nappa leather, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown to the left.

Choose just one all-over shade for each seat, or for a more exciting look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

	Standard	Sport	S line	S4	Basic RRP	Total RRP ^{Incl VAT}

Oak green, metallic

Saddle brown, pearl effect

Classic red, pearl effect

Or any other paint colour in the Audi range

Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

	Standard	Sport	S line	S4	Basic RRP	Total RRP ^{incl. VAT}
Audi exclusive paint	•	•	•	•	£1,404.35	£1,615.00

Customised paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact water-based pearlescent or metallic-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

£2,000.00	£2,300.00

Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise the steering wheel of your choice in smooth, warm leather, in any of the colours shown on page 45. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a controls pack and you can extend this exclusive look and feel to your car's handbrake, gearknob and gaiter too.

Steering wheel	•	•	•	•	£304.35	£350.00
Controls pack	•	•	•	•	£556.52	£640.00

Carpets and floor mats

Exclusivity isn't just about choice and individuality – it's about attention to every detail in your A4 Cabriolet; and for us, that includes the carpets and floor mats. First, choose from nine different colours of high-quality velour carpets. Next, choose the colour of your car's floor mats from the same list, whilst using the palette of Audi upholstery colours detailed on page 43 to select a leather colour for the mats' decorative leather piping – matched or contrasting, depending on your personal taste. Floor mats are included when you order Audi exclusive carpet; but if you wish, floor mats can also be purchased separately in a set of four.

Audi exclusive line

Audi exclusive is ultimately about choice – but if you'd rather leave some of the decisions in the capable hands of our designers, the expert team at quattro® GmbH have compiled Audi exclusive line, combining some of the most popular elements of the exclusive range in one sporty, beautifully co-ordinated package.

The package gives you:

- ▶ Sports seats in two-tone Fine Nappa leather, with black seat-side sections with coloured stitching and coloured seat-centre section in Crimson red, silver or Cognac
- ▶ Black dashboard and carpets
- ▶ Black cloth headlining
- ▶ Door-trim inserts in black to match interior trim
- ▶ Audi exclusive door sill trims
- ▶ Brushed Aluminium inlays
- ▶ Floor mats in black with coloured piping (to match seat-centre section)
- ▶ 3-spoke leather steering wheel (S tronic with shift paddles)
- ▶ Steering wheel rim and gear lever gaiter with coloured stitching in matching colour to seat-centre section
- ▶ Head restraints with coloured stitching in matching colour to seat-centre section

Additional information

CO₂ data and information

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created seven categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 120g/km	£35.00
C – 121 to 150g/km	£120.00
D – 151 to 165g/km	£145.00
E – 166 to 185g/km	£170.00
F – 186 to 225g/km	£210.00
G – over 225g/km	£400.00

Audi Service

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule

Inspection Service Schedule

Vehicle usage:	
Mileage	Less than 10,000* miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

Fixed Audi Inspection Service Intervals:	
Oil-change Service	Fixed to every 10,000* miles/1 year
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

has fixed intervals for the Oil Change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil Change Service is required. Oil Change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

LongLife Service Regime

Vehicle usage:	
Mileage	More than 30 miles per day
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

Audi LongLife Service Intervals:	
Oil-change Service	Variable to a maximum of every 20,000* miles/2 years
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am-6pm Monday to Friday
9am-5pm Saturday

Service: 8am-6pm Monday to Friday
8.30am-1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi Technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

Delivery charge	£471.30
Number plates	£20.00
VAT	£73.70
Total	£565.00

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from. Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
