We see SHIFT_ as an invitation. To challenge whatever feels too familiar. To open your mind to the unfamiliar. To ask the questions no-one else is asking. And to find answers no-one else can. At Nissan, we do this every day. And it shapes everything we do. The result is a line-up of vehicles that represents a pure, uncompromising shift from the ordinary.

X-TRAIL GRADES

Look far beyond ordinary 4x4s and you'll see a true adventure vehicle in a territory all of its own. The new X-TRAIL is more dynamic than ever with powerful and efficient diesel engines, including a six speed automatic, and a tremendous level of equipment. Two grades are available:

- **ACENTA** sets new standards in comfort, technology and styling, providing everything you would expect from a high-class adventure companion.

- **TEKNA** pushes comfort and style forward, subtly integrating contemporary elegance and intelligence with X-TRAIL's extreme capabilities.

The New X-TRAIL doesn't just push the boundaries - it easily takes you over them.
