WELCOME TO SIMPLICITY

OUR CITY CARS MAKE THE CITY SIMPLE.

Less frustrating. More rewarding.

Our simple is not basic. Because basic is limited.

Our simple is complete. It adds value to city driving.

Our city cars bring you everything you need, when you need it.

Unexpected space in a small area. Friendly technology that saves time and effort. Clarity in a complex environment.

Simplicity comes naturally to Nissan because of our Japanese heritage.

We facilitate choice by eliminating the unnecessary.

Heighten emotions through design and innovation.

Create simple solutions for a liberating experience.

Nissan designs city cars to make urban mobility easy.

The city becomes uncomplicated and fluid. Simple.

And with the NOTE, it feels less crowded too.

With so much more room inside, your daily driving experience becomes larger than life.

NOTE isn't your conventional compact car. Let's be different and start at the back. There's no missing or mistaking **NOTE's** distinctive rear boomerang shape lights – they make a last impression as powerful as the first.

That's what makes **NOTE** stand out: design that gives you something to think about. Like the way it feels compact on the outside, yet XXL on the inside. With **NOTE**, there's a lot to enjoy that's unexpected.

NATURAL Luxury

Price List

WAIT A MINUTE - are we still looking at the same car? From the outside NOTE looks compact but once inside you can stretch, spread out, relax. There is plenty of shoulder room, elbow room, head room and leg room - it just feels so refreshingly roomy.

01 02 03 04 05 06 07 08 09 10

SLIDING REAR SEAT

NOTE gives you space exactly where you want. Slide the rear seat back for class-leading rear legroom - as much as you'll find in many larger cars. Slide it forward for incredible load capacity. You can also fold the back seats nearly flat with a 60 : 40 split.

PACK FAMILY
 La NOTE vous dorlote : accoudoirs avant et arrière central escamotables, tablettes aviation* avec portegobelets au dos des sièges avant et poches amovibles pour ranger jeux, CD, jouets ou magazines.

SEAT BACK ORGANISER

* Front armrest on Acenta is driver side only.

IT'S AN INEVITABILITY IN YOUR BUSY LIFE - you acquire so many things. Fortunately **NOTE** comes to the rescue with remarkable load space. With the front passenger seat fully forward and reclined, you can carry items up to 2.4m long, and the rear seats split 60:40 for extra flexibility. And then there are all the storage spaces...

A place to put tickets, another for maps, somewhere to conceal precious items, somewhere else conveniently close to hand - **NOTE** has them all, each one thoughtfully positioned to make life a little easier.

CARD HOLDER

CENTRE STORAGE

GLOVE BOX

HIDDEN STORAGE

WHEREVER YOU LOOK INSIDE NOTE, there's another clever storage space. The glove box has a huge 9L compartment, plus a separate 4L map pocket. There's a hidden storage space under the front passenger seat for your valuables (Acenta and Tekna). Rear passengers have their own compartment which stores small items or opens up to hold two 500ml bottles. Up front, the dashboard compartment tray is ideal for sunglasses and the deep door pockets can hold 8 CDs.

WHAT IF YOU WANT TO KEEP YOUR DRY CLEANING FROM YOUR WET SWIMMING GEAR?

Or your new dinner suit separate from your son's muddy football kit. It's easy with the Flexi-board system (Acenta and Tekna). The Flexi-board has two parts, each with a carpet side and waterproof side. You can use them in many different ways: to maximise load space, create a second compartment or to keep loads separate. The Flexi-board is as versatile as your life is varied.

>> CAPACITIES : 437L <<

HERE BOTH PARTS OF FLEXI-BOARD are in the upper position, creating a secure compartment below. Flexi-board can support up to 50kg, so whatever's underneath is well protected.

EACH FLEXI-BOARD PART has a grab handle and is light enough to easily move.

SPLIT FLEXI-BOARD like this, and you can have smaller luggage just behind the rear seat, and tall luggage by the tailgate - extremely versatile.

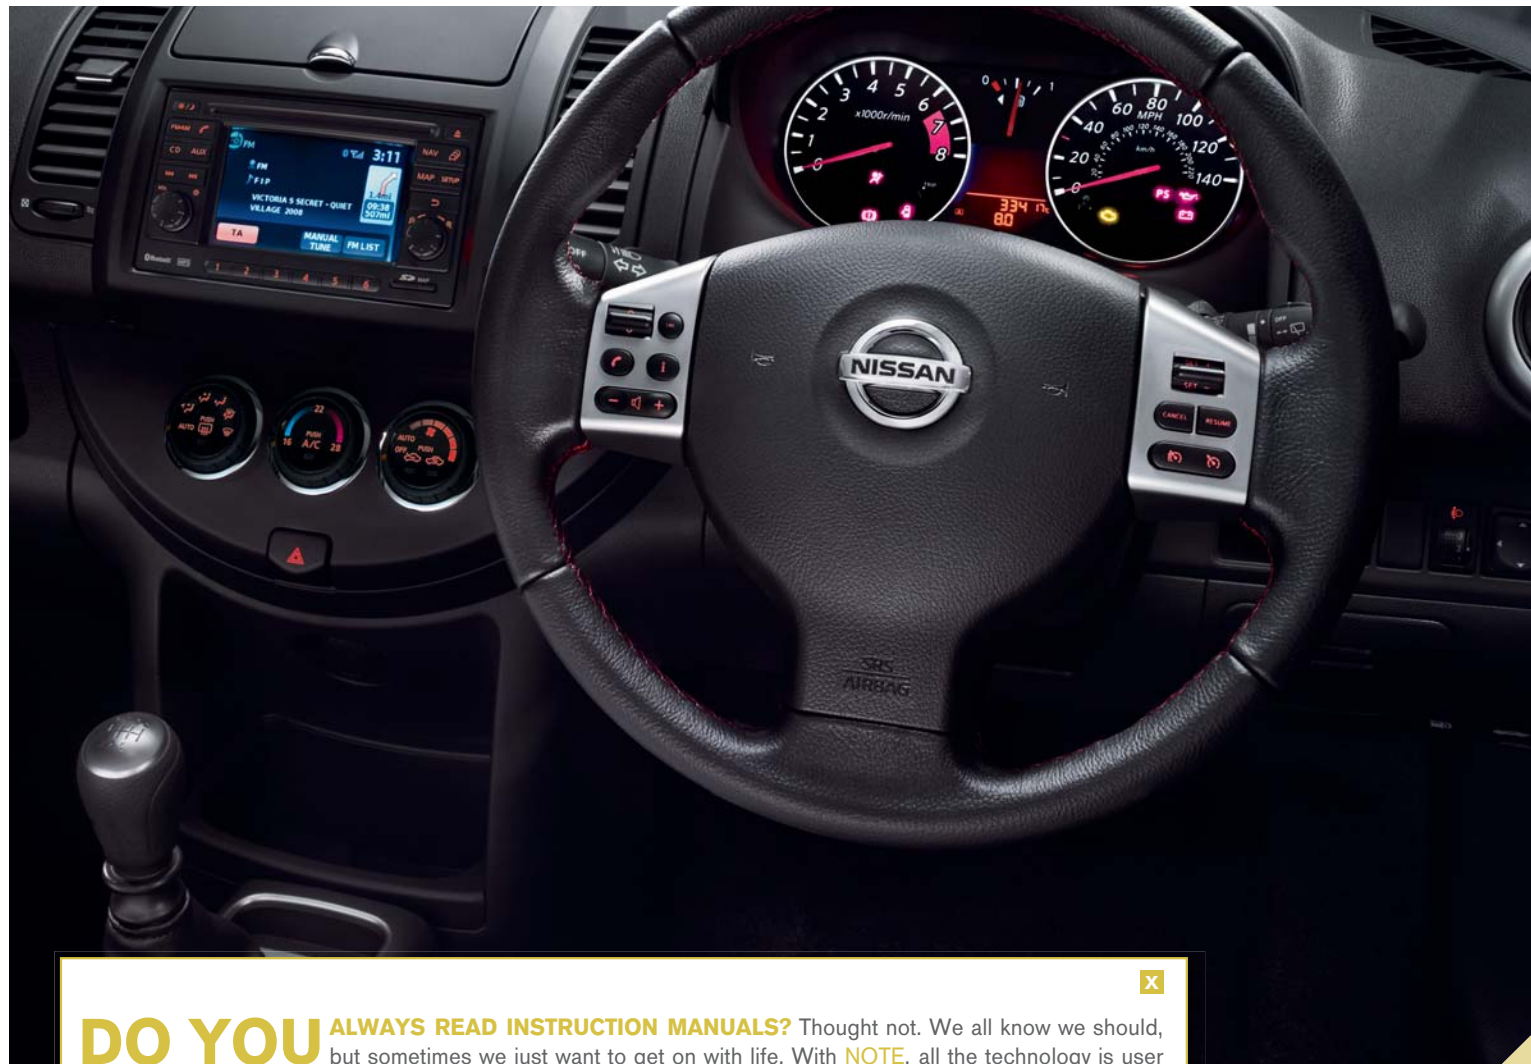

OR PUT BOTH FLEXI-BOARD parts on the boot floor and you have even more luggage room.

STAND ONE FLEXI-BOARD VERTICALLY and in an instant you've created two separate load spaces. So you can keep schoolbags separate from food shopping.

DO YOU ALWAYS READ INSTRUCTION MANUALS? Thought not. We all know we should, but sometimes we just want to get on with life. With **NOTE**, all the technology is user friendly so it simply feels natural to use. (And by the way, please read the manual for **NOTE**. You'll discover even more amazing things it can do).

SPEED LIMITER AND CRUISE CONTROL. Set a steady speed using the steering wheel mounted controls, and you can relax on longer journeys, and be sure of staying within speed limits too (Tekna only).

NISSAN CONNECT SHOWS YOU THE ROUTE, PLAYS YOUR MUSIC, PUTS YOU IN TOUCH. All in one neat, easy to control unit, Connect gives you integrated satellite navigation, music from built-in CD and radio, and connectivity for your iPod, MP3 and Bluetooth® phone.

5" COLOUR TOUCH SCREEN. You don't need lots of complicated switches with Nissan Connect: you control most of the options just by touching the screen.

CD RADIO WITH TA. The CD player plays ordinary music CDs, of course, and your own recorded CD-ROMs with MP3, WMA and WAV files. Nissan Connect receives Traffic Management Control (TMC) messages that help you avoid traffic delays.

WAY TO GO. Connect gives you easy to follow 2D / 3D maps, with voice guidance in eight different languages. And you can keep maps, points of interest and safety camera information up to date via the SD card slot and the USB connector.

PLAY IT YOUR WAY
The MP3 port and USB connector let you use and control a whole range of music and memory devices (your iPod or MP3 player). Nissan Connect also plays streaming audio from an A2DP Bluetooth® phone. How's that for versatility?

connect
WITH THE WORLD

1.4 P
1.5 dCi

PURE DRIVE

To help you quickly and easily identify our most efficient engines, Nissan will use the Pure Drive badge for our vehicles with the lowest emissions. With NOTE, you have a responsive car with a choice of engines producing low emissions (even a diesel with 110g/km).

CLEANER, QUIETER, FASTER.

Now **NOTE** gets its best diesel engine ever, with the 90 PS 1.5 dCi. The latest diesel technology gives you more power and torque. Matched to a new and smoother-shifting 5-speed manual gearbox, it means **NOTE** delivers impressive fuel economy.

MAX POWER
OUTPUT: 90 PS

MAX TORQUE
OUTPUT: 200 NM

If you have to take sudden evasive action, ESP (the Electronic Stability Programme), works with the ABS system to rapidly and imperceptibly operate the brakes, so you avoid swerves and skids, and go where you're steering.

SAFETY ISN'T SEXY - until you think about who's on board. Then you can't be safe enough. So be reassured - you can trust **NOTE**, because it features front and side airbags as standard (and curtain airbags on Acenta and Tekna), and it has active safety systems that will help keep you out of trouble. ABS, EBD and BAS work together so you can brake hard and stop fast whilst staying comfortably in control.

*standard on Acenta and Tekna

real
REASSURANCE

UPTOWN, DOWNTOWN & **far away**

YOU know everyone's enjoying the drive when your passengers say, "Hope we're not there yet." **NOTE** feels stimulating yet relaxed; the chunky styling gives it a wide track and long wheelbase. On the road this means stable, agile handling and a confidence-boosting surefooted feel. It makes family motoring so satisfying and fun that sometimes even far away might not seem far enough.

JUST CAN'T get enough

>> NISSAN COMMITMENT

LOVE MY NISSAN

Just jump in, start up and drive off - wherever and whenever you want, without a second thought. What could be simpler than that? Making every journey trouble-free, fun and rewarding; that's what motivates Nissan when we're building cars.

IT'S ALL ABOUT YOU

How your car works for you is clearly very personal; that's why we put so much thought and effort into designing it. We continually monitor changing trends. Carry out scientific studies on driver and passenger behaviour. Research current and predicted road traffic patterns. We even spread our design, technology, manufacturing, parts and administration centres across Europe, to help us see things from everyone's local point of view. Yet our most valued information comes simply from listening to people like you. Even our most inspired design solutions are only worthwhile if they work perfectly. Everyday. So we constantly subject our materials and workmanship to the most extreme tests, to prove their durability, quality and reliability. That's why you see our sports cars and engines winning consistently in motor sport. And that's why our 4x4s are trusted by exploration and humanitarian organisations, to endure the most hostile conditions.

3-YEAR WARRANTY or 60,000 mile warranty (whichever occurs first)

6-YEAR ANTI-CORROSION WARRANTY

12,500 MILE SERVICE INTERVAL

CARE FOR THE WORLD YOU DRIVE IN

Our approach is to help people enjoy their mobility and independence, with the least possible environmental effect. We have been thinking about the future of our planet for some time, and have made a commitment to be sincere eco-innovators. Our ongoing Nissan Green Program is working towards three main targets: reducing CO₂ emissions; reducing other emission substances to preserve the atmosphere water and soil; and reduce, reuse and recycle the resources we consume.

EV (Electric Vehicle) IS THE FUTURE FOR URBAN MOBILITY: NOTHING IS CLEANER!

Nissan is a technology leader for future 100% CO₂-free vehicles. We are already showing « sincere » proof of our commitment to EV with concept cars such as Pivo, Mixim, Cube...

"OUR NUMBER ONE PRIORITY IS TO REACH THE ZERO EMISSION TARGET BY 2012 !"

REUSE, RECYCLE, RECOVER

>> ISO 14001

In 1998, our plants in the UK (NMUK) and Spain (NMISA) introduced ISO 14001, the international standard for environmental management system for vehicle production. They set up improvement objectives to control emissions into the air, water and soil, manage waste, use energy efficiently and continually improve environmental performance.

>> RECYCLABILITY

Nissan recovered 97,195.7 tons from the 134,935.7 (661,213 vehicles) tons of Automobile Shredder Residue (ASR). This represents a recovery ratio of 72.0%.

>> RENEWABLE ENERGY: UK WIND FARM

As early as September 2005, Nissan UK (NMUK) plant built a wind farm. The generation of renewable energy cut carbon dioxide emissions at power plants by more than 3,000 tonnes per year. Nissan UK then started generating electricity from six 660kW recycled wind turbines. Energy provided is equivalent to 1,800 UK homes. - CO₂ reduction of 3,300 tonnes per year.

NISSAN CITY CARS
WELCOME TO SIMPLICITY

We see **SHIFT_** as an invitation. To challenge whatever feels too familiar. To open your mind to the unfamiliar. To ask the questions no-one else is asking. And to find answers no-one else can. At Nissan, we do this every day and it shapes everything we do. The result is a line-up of vehicles that represents a pure, uncompromising shift from the ordinary.

You care about your Nissan so Nissan will care for you. That's why we'll make the following commitment:

YOU care about staying on the road when your Nissan is in for service or repair.

NISSAN will keep you mobile free of charge.

YOU care about quality enough to have your Nissan serviced at a Nissan dealership.

NISSAN says thanks by giving you continuous RAC roadside assistance for free.

YOU care about getting the best value for money when it comes to service and repair.

NISSAN will price match like for like competitor written quotes within 10 miles of your local dealer.

YOU care about having your problems resolved quickly.

NISSAN will propose how to resolve any problem within two working days.

YOU care about getting the right Nissan model, engine and gearbox to test drive.

NISSAN will guarantee that's what you'll get when you pre-book your test drive either online or through our customer service centre.

YOU + NISSAN

INTRODUCING OUR
commitment
TO YOU

NOTE is stylishly designed while still offering valuable and versatile space; comfortable and easy to drive while still being fun; full of intelligent technology and function but not at the cost of simplicity and ease of use. Plus, with four grades, three engines and 10 colours, you're sure to find an appealing combination.

FURTHER INFORMATION

On The Road Prices. On The Road Price includes 12 months Government Vehicle Excise Duty (VED) determined by CO₂ emissions figure and fuel type, £55 Government First Registration Fee, number plates and delivery to the Nissan Dealership.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used. The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£115	£130	£165	£265	£315	£445	£580	£790	£1,000
Diesel Car	£0	£0	£0	£0	£115	£130	£165	£265	£315	£445	£580	£790	£1,000
Alternative Fuel Car	£0	£0	£0	£0	£105	£120	£155	£255	£305	£435	£570	£780	£990

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £210 per annum.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Three-year/60,000 miles manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

FURTHER INFORMATION

Nissan European Roadside Assistance from the 1st of October is provided for the 1st 3 years of your vehicle's life or up to a maximum of 60,000miles.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Services Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Services Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

YOU + NISSAN

CARE

You care about the car you drive. So do we. That's why we're making a commitment to providing the best customer service in the market.

Find out more nissan.co.uk/care

Nissan cares for you because you care about your Nissan.
That's why we'll make the following commitment:

YOU care about staying on the road when your Nissan is in for service or repair.

YOU care about quality enough to have your Nissan serviced at a Nissan dealership.

YOU care about getting the best value for money when it comes to service and repair.

YOU care about having your problems resolved quickly.

YOU care about getting the right Nissan model, engine & gearbox to test drive.

NISSAN will keep you mobile free of charge.

NISSAN says thanks by giving you continuous Nissan roadside assistance for free.

NISSAN will price match like for like competitor written quotes within 10 miles of your local dealer.

NISSAN will propose how to resolve any problem within 2 working days.

NISSAN will guarantee that's what you'll get when you pre-book your test drive either online or through our customer service centre.

We see **SHIFT_** as an invitation. To challenge whatever feels too familiar. To open your mind to the unfamiliar. To ask the questions no one else is asking. And to find answers no one else can. At Nissan, we do this every day. And it shapes everything we do. The result is a line-up of vehicles that represents a pure, uncompromising shift from the ordinary.
