

The Audi A5 and S5 range

Accessories Guide

Valid from October 2012

Introduction

This guide has been designed to help you tailor accessories for your chosen A5 model quickly and logically. If you wish, you can also go to audi.co.uk to view these accessories online.

Warranty

All of the accessories available on the A5 are covered by a 3-year warranty if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a 2-year warranty.

Where appropriate, all prices include fitting unless they require specialist installation or painting.

Please speak to your local Audi Centre for more information where an item is marked with a

Audi Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits you perfectly. To help you do that, we've developed a range of accessories that you can add to your vehicle, enabling you to customise it down to the last detail. Like your Audi, all these accessories are professionally crafted and produced to the highest possible standards. And they're all available from your Audi Centre.

Sport and design

A set of low-profile alloy wheels can dramatically affect the way your Audi looks, underlining its style and power out on the road. By reducing weight and dissipating brake heat, they can also influence the way it feels when you're behind the wheel.

Sport and design

Fitting the correct seasonal tyres will help your vehicle maintain optimum performance and grip for the conditions on the road. Winter tyres are characterised by a special rubber compound and profile, which improves responsiveness, braking effect and traction at lower temperatures, on snow and in the wet. Audi Genuine complete winter tyres have been specially developed for these conditions, so you can be reassured that you're best prepared for the colder months.

For the kinder seasons you'll find a collection of alloy wheels, tyres and accessories designed with style and functionality in mind.
