

## The Audi Q5

Pricing and Specification Guide  
Valid from May 2012

# Personalising your Audi Q5

This guide has been designed to help you tailor and price your Audi Q5 quickly and logically. At the back, you will find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi Q5 online at [audi.co.uk](http://audi.co.uk).

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

## Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

## The streamlined Audi Q5

The Audi Q5 isn't a typical SUV: it combines the poise and athleticism of a coupé with the practicality and space of a much larger car. It also offers the exceptional grip of quattro® all-wheel-drive, 18-inch alloy wheels and some other advanced features you might not expect. There's a choice of direct-injection TDI® and TFSI® engines, a five-link front suspension and optional S tronic® or tiptronic® transmission – ensuring that the Audi Q5 delivers all the handling and performance its coupé-like shape suggests.

## Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO<sub>2</sub> and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi Q5.

## Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi Q5, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

### **Aerodynamics**

A car's shape can have a big impact on its efficiency. It's why we've worked to make the Audi Q5 as aerodynamic as possible.

### **Automatic Start-Stop function**

In heavy traffic, your car still uses fuel and releases CO<sub>2</sub>, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with TDI® and TFSI® engines, it helps save up to 0.4 litres of fuel every 100km.

## Engines

### Petrol

TFSI® direct-injection technology is a unique Audi innovation that includes supercharging, which combines FSI® technology with forced induction – giving cars an extra injection of power and torque. It also delivers enhanced fuel efficiency as precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to ‘breathe’ more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions.

### Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we’ve continuously refined it, recently developing common-rail technology. With this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

## Transmission

### **S tronic®**

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

### **tiptronic**

The 8-speed tiptronic transmission system reduces both fuel consumption and CO<sub>2</sub> emissions. It converts high-torque engine power into sporty performance and operating convenience, with crisp, fast gear changes and an optimised gear-shift strategy. More spontaneous gear changes are a particular benefit, especially when downshifting. Both in the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic respond efficiently to every driver input.

# quattro®

It's the technology that gave us the edge on the rally circuit ever since it was first introduced over 30 years ago, bringing victory for the Audi quattro on its very first outing. It's called quattro® permanent all-wheel-drive. In this system, four permanently driven wheels deliver better acceleration, road-holding and safety, while asymmetric dynamic torque distribution intelligently controls the flow of power to the front and rear axles.

It means that the Audi Q5 can 'read' the road, sensing changes in the surface beneath the wheels and adjusting their grip accordingly. So when conditions get a little more demanding – in particular, when you go off-road – quattro® adapts, putting all the force of the Audi Q5's engine precisely where it's needed to handle the change in terrain.

# SE model equipment

All Audi Q5 models have the following items of standard equipment

## Engine

**Automatic Start-Stop function** for greater fuel and CO<sub>2</sub> efficiency

**Recuperation** for optimal energy utilisation

**Misfuelling inhibition** for diesel models

## Wheels, tyres and suspension

**18" x 8J '10-spoke V' design alloy wheels** with 235/60 R18 tyres and locking wheel bolts

**Electromechanical Power Steering**

**Collapsible spare wheel**

## Audio and communication

**Audi Concert radio** which includes:

- Single CD drive and SDHC memory card reader which are both MP3, WMA and AAC compatible

- 6.5" colour centre display with MMI operating logic

- AUX-IN connection

- TP memo - automatically saves traffic news when driving

**Audi sound system** - 10 high-performance loudspeakers (180 Watts) and 6-channel amplifier

**Mobile Phone preparation** - Bluetooth Interface

## Interior equipment

**4-spoke multi-function leather steering wheel** (with gear-shift paddles for automatic models)

**Aluminium Satellite inlays**

**Cruise control** - maintains any speed above 18mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver's Information System

**Driver's Information System (DIS) in colour** with energy-saving tips and break recommendations. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term memory, outside temperature display, digital speedometer and door or boot open warning

**Deluxe 3-zone climate control** with separate air distribution and digital display for the driver and front passenger. System includes air-conditioning controls in rear centre console for passenger compartment

**Front and rear electric windows**

**Front and rear floor mats**

**Front centre armrest** including 12-Volt socket

4-spoke multi-function leather steering wheel

Deluxe 3-zone climate control

Door mirrors - electrically adjustable and heated

Halogen headlights with daytime-running lights

## Safety and security

**Auto-dimming rear-view mirror** including acoustic windscreen

**Anti-theft device** – Thatcham category 1 approved

**Break recommendation system** – analyses driving behaviour based on steering, pedals and gear lever movements. If the system detects a change in driving patterns it can, via audio and visual effects, notify the driver of the possible need to take a break

**Light and rain sensor** – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking

**Electromechanical parking brake** includes parking brake function when stationary, drive-off assistance function through automatic release when driving away and emergency braking function whilst driving, acting on all 4 wheels

**First-aid kit**

**Front and rear fog lights**

**Front and rear ISOFIX seats** with airbag de-activation switch for front passenger seat

**Halogen headlights** with daytime-running lights

**Hill descent assist** (please see page 56 for further information) with off-road Electronic Stability Programme (ESP)

**Front side airbags**

**Rear parking sensors** – facilitate parking by acoustically indicating the distance to obstacles; measurement is by ultrasonic sensors integrated discreetly into the bumper

**Tool kit and car jack**

**Warning triangle**

## Seats

**3-point seat belt** with belt-force limiters for all 5 seats

**Milano leather upholstery**

**Split-folding rear seat**

## Exterior equipment

**Aluminium roof rails** with roof bar detection (automatically adjusts the ESP to react to the higher centre of gravity when roof bars are in place)

**Aluminium window trims** framing the exterior side windows

**Chrome trimmed, flat-bottom design exhaust pipe** – 2.0 TDI engines have single exhaust pipe on left-hand side, 2.0 TFSI, 3.0 TFSI and 3.0 TDI have one exhaust pipe on either side

**Door mirrors** – electrically adjustable and heated

**Full body coloured bumpers**

**Highly polished black grille with vertical chrome struts**

**Rear spoiler**

**Roof bars and storage bag**

18" x 8J \*10-spoke V' design alloy wheels

Aluminium silver inlays

Break recommendation system

Milano leather upholstery

# S line model equipment

## In addition to SE model equipment

**Basic RRP**  
£2,000.00

**Total RRP inc VAT**  
£2,400.00

### Wheels, tyres and suspension

19" x 8J '5-spoke' design alloy wheels with 235/55 R19 tyres and locking wheel bolts

**Standard suspension** (S line Sports suspension available as a no-charge option)

### Seats

Front Sports seats in Fine Nappa leather with electric lumbar support (S line embossed)

### Interior equipment

Black headlining

Matt-brushed aluminium inlays

S line 3-spoke leather multi-function steering wheel (with gear-shift paddles for automatic models)

S line sill plates and aluminium loading strip for the boot

### Exterior equipment

Diffuser in Platinum grey

Rear LED lights

**S line exterior styling package** including:

- S line badges on front wings
- S line front bumper
- S line rear diffuser
- S line side skirts
- S line grille with chrome vertical bars

**Xenon headlights** with automatic headlight-range adjustment, headlight washers and LED daytime-running lights

19" x 8J '5-spoke' design alloy wheels

Xenon headlights

Matt-brushed aluminium inlays

Rear LED lights

# S line Plus model equipment

In addition to S line model equipment

**Basic RRP**  
£2,083.33

**Total RRP inc VAT**  
£2,500.00\*

\*Valid for new vehicle orders placed up to and including 30 September 2012. Subject to availability.

### Wheels, tyres and suspension

20" x 8.5J '5-segment-spoke' design alloy wheels with 255/45 R20 tyres

### Audio and communication

**Audi Music Interface.** Universal connection for use with stereo audio sources and Apple iPod generation 4 onwards. Provides storage and charging

### Interior equipment

**MMI Navigation system – DVD-based** including 2 SDHC memory card readers and DVD player for navigation data which can also be used for music CDs, all MP3, WMA and AAC compatible. Dynamic route guidance via TMC and 5-digit postcode entry

### Exterior equipment

**Audi parking system plus.** Acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers.

**Electric tailgate**

**Metallic paint**

**Privacy glass**

20" x 8.5J '5-segment-spoke' design alloy wheels

Audi Music Interface

MMI Navigation System – DVD based

## Audi exclusive

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new Audi Q5 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

## Audi exclusive line

# Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

## Standard colours

Ibis white – T9

Brilliant black – A2

## Optional colours

Ice silver, metallic – P5

Phantom black, pearl effect – L8

Teak brown, metallic – 4U

Lava grey, pearl effect – 1R

Glacier white, metallic – 2Y

Monsoon grey, metallic – 0C

Moonlight blue, metallic – W1

Cuvee silver, metallic – 0D

Scuba blue, metallic – S9

Volcano red, metallic – 1G

Maya brown, metallic – G4

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

<b>Technology package – Advanced.</b> Includes all the features of Technology package – High as well as <b>Adaptive cruise control with braking guard.</b> Intelligent automatic speed and distance control system. Works at speeds from 19-155mph, using radar sensors to measure and maintain required distance to vehicle ahead by braking and accelerating. Four programs (distance 1 to distance 4) set via steering column controls of the cruise control system. Includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. At speeds below 19mph the system can initiate partial braking or full deceleration if a potential impact is detected to help prevent a collision, or if it is not possible to completely prevent a collision, the system will focus on reducing the speed at which the vehicles collide <b>PCB WB7</b>	•	•	–	£2,183.33	£2,620.00
	–	–	•	£912.50	£1,095.00

# Audio and communication

Order Code		SE	S line	S line Plus	Basic RRP	Total RRP inc VAT
PNQ	<b>Satellite Navigation – HDD-based with MMI 3G.</b> 3rd generation MMI system including single CD/DVD player, 2 FM tuners, high resolution (800x400) 7" colour TFT display, 2 SD card readers and 40GB hard drive, Jukebox (20 GB) for storing and managing music files in WMA and MP3 format. HDD Navigation functionality includes advanced speech recognition, 3D and topographical mapping display and advanced 3D building display. Uses 7-digit postcode recognition	●	●	–	£1,658.33	£1,990.00
PT5	<b>Mobile telephone preparation – Low with Bluetooth and voice control.</b> Provides handsfree connection via Bluetooth using mobile phone aerial. Alternatively, it can use a cradle with charging facility for optimal reception via external aerial. Located in front centre armrest (included). Cradle available at extra cost – please contact your Audi Centre for phone compatibility. Only in combination with a multi-function steering wheel	●	●	●	£145.83	£175.00
9ZW	<b>Mobile telephone preparation - High with Audi connect.</b> A mobile phone can be connected to the internal UMTS (3G) module via Bluetooth (provided the mobile telephone has SIM Access Profile <sup>1</sup> ), or alternatively through the additional SIM card reader <sup>2</sup> . It is possible to transfer phone book entries to car and manage call lists. Audi connect features include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives exact and accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet) <sup>3</sup> . Many Audi connect features can be simply operated via the MMI Navigation Plus, the multi-function steering wheel or the voice control system. Only in combination with Technology package High (WB7)	●	●	●	£291.67	£350.00
UF7	<b>Audi Music Interface (AMI).</b> Universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod mini, iPod nano, iPod photo, iPod video, iPod Touch). Provides intuitive control through the audio system and multi-function steering wheel (where fitted). It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides charging function (dependent on device). Includes 2 cables to connect your iPod or USB MP3 device	●	●	S	£212.50	£255.00
7A6	<b>CD changer.</b> For 6 CD's with MP3 compatibility. Operated via MMI system. Only available in combination with Technology package – Low (WB4)	●	●	●	£304.17	£365.00
7D1	<b>CD changer and DVD player.</b> 6-CD changer located in the glovebox and single CD/DVD slot in centre console. Only available with Technology package – High (WB7)	●	●	●	£304.17	£365.00
9WM	<b>Rear Seat Entertainment.</b> Includes two detachable DVD players/monitors fitted to the back of the front seats (supplied by Audi Genuine Accessories). The backs of the front seats are fitted with mountings and power connections. The system can be used outside the car with a rechargeable battery or mains power connection, which is included in the package. Includes individual remote controls and two sets of headphones	●	●	●	£875.00	£1,050.00

Options are subject to availability and may extend delivery.

– = Not available  
● = Available

# Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

\*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi Q5 model range and is therefore subject to change and mileage/model dependent.

# Warranty

# Off-road capabilities of the Audi Q5

The Audi Q5 excels both on the road and off it, thanks to its impressive all-terrain abilities. And these attributes are reinforced by special technologies, such as hill descent assist, ABS with automatic off-road detection and an Electronic Stability Programme that includes an off-road mode.

## Hill descent assist

Available as standard in the Audi Q5, hill descent assist automatically maintains the speed set by the driver on steep descents and on any surface (up to 19mph). This makes negotiating descents far more straightforward and substantially enhances stability. Hill descent assist is activated and deactivated using a separate button.

## ESP off-road mode

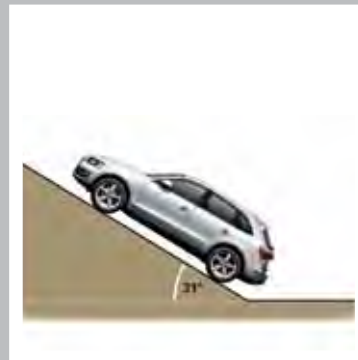

The Electronic Stability Programme in the Audi Q5 features a special off-road mode which can be controlled by a switch. This reprograms the ESP system, traction control and anti-lock braking system to adapt them to the driving conditions encountered in off-road terrain, such as sand, gravel or mud. This leads to good traction in all conditions, a more exciting drive and great handling even on unpredictable surfaces.

\*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit [www.thatcham.org/abigroupratings](http://www.thatcham.org/abigroupratings) for details.

<sup>1</sup>The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

<sup>2</sup>Fuel consumption and CO<sub>2</sub> emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at [www.vca.gov.uk](http://www.vca.gov.uk).

<sup>3</sup>Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

<sup>4</sup>The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

# Audi Q5 dimensions

The technical drawings opposite show the exact dimensions of the Audi Q5, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

Dimensions were measured with vehicle at unladen weight.

Turning circle approx 11.7m.

Dimensions in millimetres.

\*Maximum headroom.

# Additional information

## CO<sub>2</sub> data and information

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£100.00
E – 131 to 140g/km	£120.00	£120.00
F – 141 to 150g/km	£135.00	£135.00
G – 151 to 165g/km	£170.00	£170.00
H – 166 to 175g/km	£275.00	£195.00
I – 176 to 185g/km	£325.00	£215.00
J – 186 to 200g/km	£460.00	£250.00
K – 201 to 225g/km	£600.00	£270.00
L – 226 to 255g/km	£815.00	£460.00
M – over 255g/km	£1,030.00	£475.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

### Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first.

With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

### Audi Complete

When selecting the option of Audi Complete your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- ▶ Under 10,000 miles per annum – Fixed Inspection Service Schedule
- ▶ Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule		Variable LongLife Service Schedule	
Mileage	Less than 10,000 miles per annum	Mileage	More than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys	Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing	Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving	Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
Oil-change Service	Fixed to every 9,000* miles/1 year	Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years	Inspection Service	Fixed to every 19,000* miles/2 years

\*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

# Additional information

## Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

## Audi Promise

### Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm  
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm  
Saturday 8.30am–1pm

Sunday opening is at local discretion.

### New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

### The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

### Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment\* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.\* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

### Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.\*\* We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

### We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

### The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

### Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

### Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

\*Subject to availability.

\*\*Excludes wear and tear.

# Pricing information

## Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

## Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit [audi.co.uk](http://audi.co.uk)

## Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year

- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

## Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

## Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

## Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary seven day cover, you can.
