The new Mazda6 Business Line has been developed especially for company car drivers looking for low BIK tax liability and a compelling standard specification.

Available as a five-door hatchback powered by a powerful but frugal 2.2-litre 129ps engine, the Mazda6 Business Line has CO<sub>2</sub> emissions of just 133g/km and combined fuel consumption of up to 55.4mpg.

With a P11D price from just £18,130, the Mazda6 Business Line undercuts key rivals and offers highly attractive monthly BIK tax from just £57

for a 20% tax payer, or £114 for a 40% tax payer (see *table above*).

The Sanyo TomTom<sup>®</sup> navigation system offers several features of real benefit to fleet drivers, including IQ routes - mathematically calculated 'fastest' routes - advanced lane guidance and European mapping.

Other standard equipment comfortably exceeds all key competitors, with Bluetooth<sup>®</sup>, dual-zone climate control, 17" alloy wheels, front and rear electric windows, metallic paint and rear spoiler all as standard.
