

NISSAN LEAF
CAR OF THE YEAR 2011.
The first 100% electric car to win.
Ever.

Nissan LEAF

We've been building them the same way for over a century. We've been driving them the same way for over a century. Now, after 100 years of the same old car, it's time for something new. Meet the World Car of the Year 2011. The 100% electric Nissan LEAF. The new car.

recyclability

Nissan LEAF loves the planet. That's why it's made with a class-leading amount of recycled materials - including door trim, seats and flooring. Even the bumpers are made from a unique Nissan recycling process.

the new ownership costs

LEAF has low running costs - around 3p/mile electricity costs compared to around 9p-16p/mile fuel for average internal combustion engine vehicles. Plus its cheaper to service, having less mechanical parts and fluids and if you're a company car user - its exempt from company car tax until 2015.

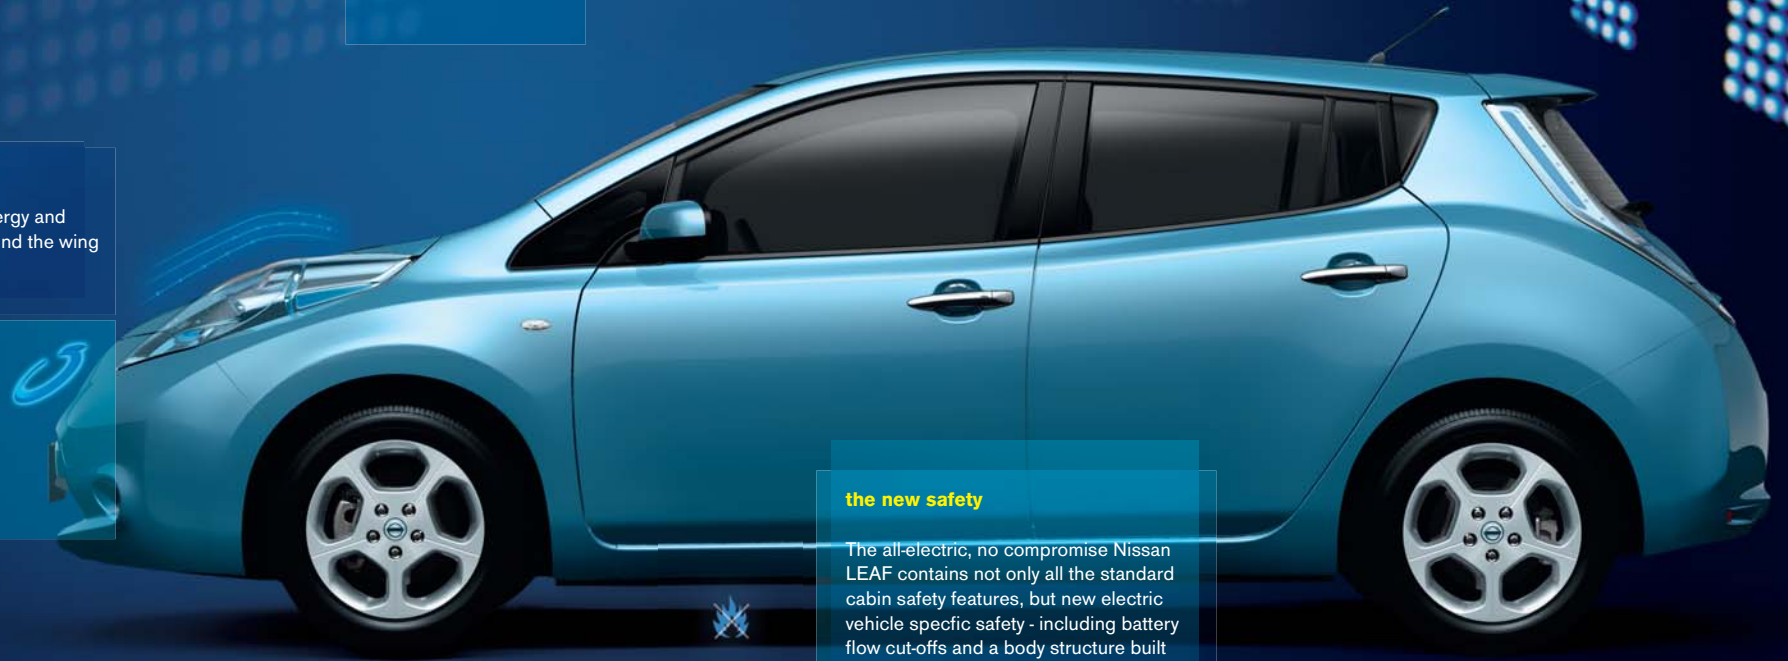

the new design

The ultra-aerodynamic design of Nissan LEAF actually helps save energy and improve cabin comfort. For example, the headlights deflect wind around the wing mirrors as these are known to create a lot of wind noise.

the new energy

Charging Nissan LEAF is quick, clean and easy. Choose a long or short charge. At home, at work or even out shopping.

the new safety

The all-electric, no compromise Nissan LEAF contains not only all the standard cabin safety features, but new electric vehicle specific safety - including battery flow cut-offs and a body structure built to protect the battery.

The 100% electric Nissan LEAF

the new signs

Nissan LEAF helps you keep an eye on your range and efficiently utilise the energy from every charge. Of course - as in normal vehicles - energy consumption is affected by things like driving style, speed and outside temperature, but LEAF has plenty of new technology to help you go further.

the new drive

Who said driving green isn't fun? With better responsiveness than a family car and 100% torque at 0mph, driving LEAF will put a grin on your face. What's more, the LEAF has a low centre of gravity - giving incredible driving stability.

the new connectivity

You can control charging and air con from your smart phone*, and plan your journey from the web.

the new safety

Nissan LEAF is just as safe as a standard family saloon and has the additional benefit of no fuel risk. It has six airbags, ABS and ESP and a host of other safety features.

the new interface

Every element of Nissan LEAF, from the steering wheel to the clever palm gear shift, has been designed specifically for Nissan LEAF.

The 100% electric Nissan LEAF

* App only available with iPhone at launch, or access with any web enabled device. Left hand drive model shown for illustrative purposes only.

charging options

- **Public / home charge (3 pin socket)**
12 hours (recommended for occasional use only in home)
- **Home Charging Unit (Not Supplied)**
8 hours
- **Rapid charge (available from selected locations)**
30 minutes (for 80% charge)

your home is the new filling station

A home charging unit provides the quickest, most convenient and reassuring way to charge your LEAF at home. It reduces charging times from 12 hours (using the standard cable) to 8 hours. Speak to your Electric Vehicle Relationship Manager for further details.

the real car

Nissan LEAF has its batteries stored below your feet, so you get lots of useful cabin and boot space.

the new air

No tailpipe, no emissions. The all-electric Nissan LEAF doesn't emit one gram of CO₂ whilst driving.

technical

Electric Motor	High-response synchronous AC motor
Max RPM:	10,390
Battery capacity/power:	24kWh/90kW
Battery:	Laminated lithium-ion battery
Drive powertrain layout:	Front motor, front drive
Drive train:	Single-speed reduced gear
Drive ratio:	7.9377
Charging:	Standard and rapid charge sockets
Wheels:	16" 5-spoke aluminium-alloy wheels (6.5J FCD:114.3 5nut)
Tires:	205/55R16 91H (including tyre repair kit)
Brakes:	Front and rear ventilated disc brakes
Braking Safety:	4-wheel Anti-lock braking system (ABS), Electronic brake force distribution (EBD) and Brake Assist (BA)
Suspension:	Front: Independent MacPherson strut suspension with coil springs Rear: Torsion bar axle with coil springs
Steering:	Vehicle speed-sensitive electric power steering

dimensions and measurements

Overall length / width / height:	4445/1770/1550mm
Wheelbase:	2770mm
Track (front and rear):	1535mm
Kerb weight / gross vehicle weight:	1535/1965kg
Coefficient of drag:	0.29Cd
Luggage capacity / max luggage capacity (with seats folded):	330/680L
Towing capacity:	N/A
Roof load capacity:	N/A

performance

Max speed:	Over 90mph
Electric motor power / torque:	107Hp (2730-9800rpm) / 280Nm (0-2730rpm)
0-60mph:	11.9 seconds
Vehicle range:	109 miles (NEDC)
Minimum turning circle (kerb to kerb):	10.4m

exterior

- Aerodynamic and automatic LED headlights with auto levelling
- LED taillights
- Front fog lamps
- Aerodynamic underbody cover and rear diffuser
- Privacy glass from second row
- Electric folding outside mirrors
- Standard and rapid charge sockets
- Keyless entry system (intelligent key)
- Public / emergency charging cable (6 metres, 240V, 10amp)

interior

- Full auto A/C with pollen filter
- 5 seat capacity
- 6-way manual adjustable drivers seat and 4-way manual adjustable front passengers seat
- 2 cup holders
- Automatic wipers with rain sensor
- Cruise control with speed limiter
- Steering wheel switches (cruise control, audio, handsfree phone, drive computer)
- Tilt steering wheel column
- Illuminated glove box
- Electric parking brake
- Push start button
- Palm-shift driver selector by wire
- Front and rear power windows with driver one-touch automatic up/down
- 6:4 split folding seats

audio and IT

- 7" colour LCD touch screen
- Nissan EV satellite navigation system indicating reachable area and with automatic charging point update
- Reversing camera allowing ease of parking
- Drive computer with momentary / averages power consumption and range
- Hands-free phone by Bluetooth, with voice activation
- CARWINGS unique telematic service allowing for remote connection to vehicle:
 - Activate heating and air-conditioning systems
 - Start vehicle charging
 - Monitor battery state of charge / charging status
- AM / FM / CD audio system
- MP3 / WMA CD playback capability
- USB connection port for iPod interface and other compatible devices
- 6 speakers

safety

- Anti-lock Braking System (ABS) and Electronic Brakeforce Distribution (EBD) with Brake Assistance (BA)
- Vehicle Dynamic Control (VDC) and Traction Control System (TCS)
- 6 airbags: front, side and curtain
- 2 front 3 point seat belts with height adjuster, double pretensioner, load limiter and reminder
- 3 rear 3 point seat belts, ISOFIX x 2
- Zone body construction with front and rear crumple zones

options

- Rear roof spoiler with solar cells

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used. The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£120	£135	£170	£275	£325	£460	£600	£815	£1,030
Diesel Car	£0	£0	£0	£0	£120	£135	£170	£275	£325	£460	£600	£815	£1,030
Alternative Fuel Car	£0	£10	£20	£90	£110	£125	£160	£185	£205	£240	£260	£450	£465

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £210 per annum.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Three-year/60,000 miles manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

NV200 Combi - New Vehicle Warranty is issued by Nissan International SA is valid for 3 years from the warranty start date or 60,000 miles, whichever comes first. In addition, for each new NV200 Combi sold by an authorised UK Nissan dealer, Nissan Motor (GB) Limited (NMGB) will issue an extension to the New Vehicle Warranty. This warranty extension will cover your vehicle from 60,000 miles up to 100,000 miles or 3 years from the warranty start date, whichever comes first. Please note that audio and navigation units will not be covered by the warranty extension.

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the 1st 3 years of your vehicle's life.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Services Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Services Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

Images shown are for guidance purposes. In some instances photos are of non UK specification vehicles and do not represent a specific model, grade or offer.
