# CR-V

“We only have one future, and it will be made of our dreams, if we have the courage to challenge convention.”

Soichiro Honda

## Tailor your dreams

Experience has built the CR-V; ours and yours. Every part – no matter how large or small – has been thought about, improved, perfected and always with the belief that each change should work in harmony with the next. The result is more space, more advanced technology, more refinement, more fuel efficiency and a more car-like feel than ever before.

To complement the extraordinary quality of the CR-V's exterior detailing and interior fit and finish, we have developed an extensive range of Honda Genuine Accessories to suit all tastes and lifestyles. From protective exterior styling to added interior comfort. So whatever the destination, the CR-V gives you the freedom to explore.

All Honda Genuine Accessories are rigorously tested to ensure flawless operation, seamless fit and real world durability. Honda designed and engineered, all our accessories are guaranteed to provide long lasting value and come with a three year warranty as standard.\*

\* The three year warranty only applies to Honda Genuine Accessories purchased with a new Honda and fitted by your authorised Honda dealer. Otherwise, the warranty will be either; the remainder of the car's standard three year manufacturer's warranty, or 12 months, whichever is the longest.
