## SPORTBRAKE

SPECIFICATION AND PRICE GUIDE

# DESIGNED TO INSPIRE

## The new XF Sportbrake.

It brings together sports car styling and performance, the refinement and features of a luxury saloon with the versatility of a spacious estate. XF Sportbrake introduces a new level of practicality to the dynamic performance that is at the heart of every Jaguar, presenting the spirit of the award-winning XF saloon in a new, more functional form. With its sleek extended roofline giving it an assertive silhouette, XF Sportbrake is unmistakably a sporting estate.

The following pages provide details and specifications for the XF Sportbrake range. In-depth descriptions of key features and available options are designed to give you all the information you require to create the XF Sportbrake that's just right for you. Please use this guide in conjunction with the XF Sportbrake main brochure's colour and trim sections for illustrations of colour and materials available.

Alternatively, you may prefer to use the XF Sportbrake configurator at [jaguar.co.uk/buildyourxfsportbrake](http://jaguar.co.uk/buildyourxfsportbrake) to specify and price your new car.

# XF SPORTBRAKE

## ACCESSORIES

EXTERIOR UTILITY		
Roof cross bars	'Aero Style' aluminium bars designed specifically for XF Sportbrake. Shaped to help reduce wind resistance and wind noise, these durable bright finish cross bars feature T-track design which utilises the full length of the bars, providing space to mount multiple accessories. Required for fitment of all roof carrying equipment.	C2Z22041 £237.00
Ski/Snowboard holder	A safe and secure system for transporting winter sports equipment.	C2A1538 £168.00
Watersport equipment holder	A versatile system for transporting a variety of water sports equipment including surfboard, kayak and sailboard.	C2Z21730 £144.00
Cycle carrier	An easy to fit, lockable cycle carrier which carries one bicycle per holder. A maximum of three holders can be fitted to your XF Sportbrake.	C2A1537 £144.00
Fork mounted cycle carrier	Roof mounted cycle carrier provides a simple and secure fitting with the bicycle front wheel removed, ideally suited to lightweight bikes and 'racing' wheels. A separate carrier is included for the front wheel. Easy to fit, lockable cycle carrier which carries one bicycle per holder. A maximum of three holders can be fitted to your XF Sportbrake.	C2A1540 £288.97
Tow bar mounted bike carriers	Premium tow ball mounted bike carriers provide a convenient bike carrying solution with quick release loading attachments and secure locking mechanism. Clever design allows carrier to be tilted away from vehicle when fitted allowing access into the rear tail gate.	C2Z22694, C2Z22695, C2Z22696 & C2Z22697 £556.20
Luggage Frame	A spacious deck area with raised edges to ensure safe retention of luggage while travelling.	C2A1536 £195.00
Roof box - luggage	Spacious 440-litre capacity lockable roof luggage box, measuring 175x82x45cm.	C2C41628 £504.00
Roof box - sport	Spacious 420-litre capacity lockable roof box designed for sport equipment, measuring 206x84x34cm.	C2C41627 £681.00
Towing accessories	Bespoke towing system featuring a Detachable Tow Ball offering towing capability of up to 1,850kgs (braked trailer). Detachable Tow Ball has been designed to fit into dedicated stowage area under loadspace floor when not in use. A clip-in cover plate ensures a neat finish, concealing the receiver and electrics when the tow ball has been detached. Towing Electrics kit including module and harness available separately.	Towing system - hardware C2Z22940 £528.00 Towing electrics - towing electrics module C2Z23765 £446.40 Towing electrics - 12N 12S connector C2Z21496 £107.00 Towing electrics - 12N connector C2Z21497 £87.00 Towing system - rear bumper valance (only available for 2.2 Diesel) C2Z25365 £127.20 Towing system - rear bumper valance C2Z25366 £127.20

1. CYCLE CARRIER 2. FORK MOUNTED CYCLE CARRIER 3. ROOF CROSS BARS 4. TOW BAR MOUNTED BIKE CARRIER 5. ROOF BOX - LUGGAGE 6. ROOF BOX - SPORT 7. WATERSPORTS EQUIPMENT HOLDER 8. SKI/SNOWBOARD HOLDER

# XF SPORTBRAKE

## ACCESSORIES

INTERIOR UTILITY			
Smoker's pack	Premium finish ashtray and cigar lighter fit into the centre-cup holder space.	C2Z16011 & C2C11315	£57.00
Loadspace waterproof liner	Total protection for the loadspace and 2nd row seat back. Bespoke developed for Sportbrake, the liner is fully waterproof and has been designed to be easy to fit or remove in a matter of minutes.	C2Z23529	£186.00
Loadspace retention kit	Pack of attachments that fix into the loadspace rails via a quick lock/quick release system to provide a flexible stowage for retaining luggage and other items in the Loadspace. The attachment pack includes a retractable strap with inertia reel, telescopic rod and stowage bag.	C2Z23517	£138.00
Rechargeable torch and dock	Machined out of solid aluminium with a black anodised finish, this high power rechargeable torch features an integral charging dock housed within the vehicle loadspace to ensure it is always charged and ready for action. Torch features maximum 220 Lumen output with three further settings including a flashing mode.	C2Z24478	£180.00
Luggage guard	The luggage guard fits behind the rear seats and extends to the roof. It is independent of the rear seats and acts as a divider when the seats are down. It includes a door to allow for use as a rear ski hatch if fitted. The guard only is fully tested and made with a black powder coated tubular frame with one inch square mesh.	C2Z22939	£378.00
Window sunblinds	Easy to install and remove. Blinds for rear passenger side windows and loadspace side windows.	C2Z25893	£94.80
Rubber loadspace liner	A tough, semi-rigid and 'non-slip' tray providing effective protection to the loadspace floor. Made in tough black EPDM with Jaguar Ingot. It is semi-rigid to allow for easy removal and cleaning.	C2Z23530	£169.92
Rubber loadspace mat	Heavy duty rubberised loadspace mat to protect the loadspace from dirt, debris and general wear. Features Jaguar Aluminium Ingot and cut outs to fit around floor rail 'D' loops.	C2Z23527	£129.60
Rubber loadspace mat extension	Offered for fitment in conjunction with the rubber loadspace mat, the mat extension provides protection to the back of the rear seats when folded down.	C2Z23528	£72.00
Premium seatback stowage	Bespoke seat back stowage offered in a premium high quality leather material provides a neat stowing solution in the cabin area for small / handheld items. Features embossed Jaguar branding and high quality synthetic materials for interior compartments.	C2Z24589	£169.62
Rubber footwell mats	Hardwearing Jaguar branded rubber mats provide added protection for your XF Sportbrake's carpet.	Rear C2Z5612 £65.00 Front C2Z15680 £45.00	
Bumper protector	Convenient pull out Protector provides protection for the rear bumper from scratches and scuffs, helping to prevent clothing from collecting dirt from the bumper during loading/unloading. Manufactured from a robust fabric material the bumper protector has been designed to concertina into the space under the loadspace floor for stowage.	C2Z23441	£160.80
Ski bag	Jaguar Ski Bag designed to fit through the ski hatch, or the with the rear 60:40 seat(s) folded down. Manufactured from durable 600D Polyester the Ski Bag features padded construction to provide protection and removable shoulder strap to aid carrying. Carries up to two pairs of skis and poles up to 180cm long.	C2Z23531	£123.60
iPad holder	Jaguar-branded iPad holder mounts to front seat headrests providing a flexible solution for rear seat entertainment. Quick release design ensures iPad can be fitted or removed quickly and easily.	C2Z22935	£156.00
Battery charger	Diagnoses, monitors and maintains the battery at optimum levels ensuring prolonged battery life and reliability. Features integrated wiring and a dedicated DIN socket within the Loadspace area, providing convenience and ease of use.	C2P24104	£118.40
Coat hanger	The Jaguar coat hanger is a headrest-mounted solution featuring Jaguar branding and a chromed 'spring fit' construction. Mounting simply and securely, the coat hanger is easy to fit and remove and provides a convenient stowage point to keep clothing wrinkle-free.	C2Z23416	£34.56

1. RUBBER FOOTWELL MATS 2. RUBBER LOADSPACE LINER 3. BUMPER PROTECTOR 4. LOADSPACE WATERPROOF LINER 5. WINDOW SUNBLINDS 6. LUGGAGE GUARD 7. RECHARGEABLE TORCH AND DOCK 8. COAT HANGER 9. SKI BAG 10. BATTERY CHARGER 11. IPAD HOLDER

Warning triangle	Two-tone reflective triangle for use after a breakdown or accident, day or night.		C2S20992	£40.00
Locking wheel nuts	For added security.		C2C9198	£87.00

1. PREMIUM LOADSPACE CARPET 2. LEATHER-TOPPED GEAR SELECTOR 3. ILLUMINATED SILL TREAD PLATES 4. SPORT PEDAL COVERS 5. PREMIUM CARPET MAT SET 6. SNOW TRACTION SYSTEM 7. CHILD SAFETY SEAT 8. SNOW SOCK WINTER TRACTION AID 9. ALL-WEATHER CAR COVER

## GLOSSARY

### POWERTRAIN AND DRIVING DYNAMICS

#### JAGUAR SEQUENTIAL SHIFT™

Provides the choice of Drive, Sport Automatic or Manual gearshift modes, with one touch paddles mounted behind the steering wheel to control gear changes up and down manually.

#### JAGUARDRIVE CONTROL™

Offers different modes selectable by a button to optimise the vehicle response depending on driving conditions and style.

#### DYNAMIC STABILITY CONTROL (DSC)

Intervenes in demanding driving situations by applying braking to individual wheels and reducing engine torque.

#### TRAC DSC MODE

Trac DSC optimises the DSC settings for maximum traction in difficult conditions such as packed snow. The less restrictive settings of Trac DSC also enable a more involving and focused driving experience.

#### DYNAMIC MODE

Dynamic Mode co-ordinates the car's control systems to deliver a high performance driving experience. When Dynamic Mode is selected, the transmission switches to manual and Trac DSC is automatically engaged.

#### WINTER MODE

Designed for use in slippery conditions, Winter Mode selects 2nd gear for pulling away on level ground. This helps to ensure that optimum traction is maintained.

#### ADAPTIVE DYNAMICS

Continuously monitors the road and driver inputs and optimises the car's suspension settings for ride comfort and control.

#### CRUISE CONTROL WITH AUTOMATIC SPEED LIMITER (ASL)

In tandem with cruise control, an Automatic Speed Limiter (ASL) allows the driver to select a maximum speed that should not be exceeded.

#### ADAPTIVE CRUISE CONTROL (ACC) WITH INTELLIGENT EMERGENCY BRAKE (IEB) AND ACTIVE SEAT BELTS

Uses microwave radar technology to monitor for slower moving traffic and can alert you to potential hazards ahead. It also controls both throttle and brakes to help maintain a constant time gap to the vehicle in front. When the road ahead clears, the system automatically accelerates back to the speed at which you were driving. Forward Alert provides an audible warning if traffic ahead slows.

#### INTELLIGENT STOP/START

Stop/Start is a technology that stops the engine when it is not needed, improving the fuel economy and reducing the car's CO<sub>2</sub> emissions. The engine will restart immediately as soon as the driver's foot comes off the brake pedal. The engine will be operating at full capacity before the driver's foot has touched the accelerator pedal.

### SAFETY AND SECURITY

#### PEDESTRIAN CONTACT SENSING SYSTEM™

Industry-leading system that senses an impact between a pedestrian and the front of the car. It instantaneously raises the bonnet through a small distance in a very controlled way, to help prevent the pedestrian from contacting hard points under the bonnet.

#### JAGUAR TYRE REPAIR SYSTEM<sup>1</sup>

Provides an electric pump and a canister of sealant to enable a temporary repair and re-inflation for a puncture of up to 6mm diameter in the tread area of the tyre, but not in the tyre walls.

### EXTERIOR FEATURES

#### ADAPTIVE FRONT LIGHTING

Sensors react to the car's speed and steering input, and the system can deflect headlamp beams casting light deeper into corners, giving added confidence at night. Intelligent high beam automatically maximises driver visibility. When sensing preceding, oncoming traffic or street lights, the headlamps will automatically switch to low beam.

#### BLIND SPOT MONITOR

Uses radar sensors to remotely cover areas that cannot be seen either directly or by mirror, and alerts the driver of overtaking traffic with an amber warning icon in the external mirrors.

#### INTELLIGENT HIGH BEAM

When sensing preceding, oncoming traffic or street lights, the headlamps will automatically switch to low beam, maximising driver visibility and appropriate beam usage. The system automatically switches to high beam when the oncoming car has passed.

### INTERIOR FEATURES

#### JAGUAR SENSE™

An electronic control system that operates the front overhead console lights and opening of the glovebox by a light touch.

#### JAGUAR SMART KEY SYSTEM™ WITH KEYLESS START AND KEYLESS ENTRY

With the Jaguar Smart Key in your pocket or bag, the car automatically unlocks as you pull the door handle. Simply push the ignition button to start the engine. Upon leaving, press a button on the door handle to lock the car or use the Jaguar Smart Key.

#### DUAL ZONE CLIMATE CONTROL

With humidity control, air filtration and dual temperature control for driver and front passenger.

#### AUTO RECIRCULATION - CLIMATE CONTROL

Automatic cabin air recirculation triggered by external odour sensor with 5 sensitivity settings.

### MULTIMEDIA

#### NAVIGATION SYSTEM WITH HDD MAPPING<sup>2</sup>, FRONT DVD AND VIRTUAL MULTI-CHANGER

HDD based system, providing faster access to data including postcode entry, destination entry on the move, voice guidance, voice control input, RDS and TMC (Traffic Messaging Channel)/Dynamic Route Guidance, accessed through Touch-screen control system. The navigation system also includes a front DVD capable of playing video and audio. File formats include Windows Media Audio (WMA), ACC and MP3. In addition there is a virtual multi-changer that uses the hard disc drive (HDD) for storage of up to 10 CDs of uncompressed music.

#### WINDOWS MEDIA AUDIO (WMA) AND MP3 COMPATIBILITY

Enables the CD player to play CDs which contain WMA and MP3 files.

#### INTERACTIVE VOICE

Uses "Say What You See" technology to guide the user to the correct commands for voice control of audio, Bluetooth® audio streaming and navigation. When in operation, as well as audio prompts, all commands appear on the Touch-screen.

#### FRONT MEDIA INTERFACE

Allows the connection of an iPod, MP3 player or a USB Mass Storage Device to the in-car sound system and control via the 7 inch colour Touch-screen.

#### 7 INCH COLOUR TOUCH-SCREEN

With controls for audio, climate control, Bluetooth® audio streaming (where fitted) and navigation (where fitted).

#### BLUETOOTH® AUDIO STREAMING

A Bluetooth® equipped Jaguar, enables hands free use of your mobile phone at any time when the phone is in the car through the Touch-screen. Bluetooth® also provides the ability to stream audio content, and full function control enables easy track selection. Bluetooth® is compatible with many mobile phones from most manufacturers including Apple, BlackBerry® and HTC – ask your local Jaguar dealer or visit jaguar.co.uk for more details.

### MULTIMEDIA [CONTINUED]

#### JAGUAR AUDIO SYSTEM (250W)<sup>3</sup>

250W sound system with AM/FM radio featuring EON, RDS, PTY, TA and single slot CD with MP3 compatibility and 10 speakers.

#### MERIDIAN AUDIO SYSTEM (380W)<sup>3</sup>

Powered by a dedicated 12-channel amplifier featuring Audyssey MultEQ audio equalisation and dynamic volume control. This amplifier powers 11 speakers, MP3 compatibility, single slot CD and auxiliary input.

#### MERIDIAN SURROUND AUDIO SYSTEM (825W)<sup>4</sup>

Includes 15 amplifier channels and 17 speakers featuring Audyssey MultEQ sound equalisation and dynamic volume control. Includes Meridian Trifield™ Surround Mode.

#### TRAFFIC MESSAGE CHANNEL (TMC)<sup>2</sup>

An application of the FM Radio Data System (RDS) used for broadcasting real-time traffic and weather information. Data messages are received and decoded by a TMC-equipped car radio or navigation system, and delivered to the driver in a variety of ways. The most common of these is a TMC-enabled navigation system that can offer dynamic route guidance, alerting the driver of a problem on the planned route and calculating an alternative route to avoid the incident.

<sup>1</sup>Alloy space saver required when 20" wheels specified.

<sup>2</sup>The navigation system must always be used in conditions that will not affect the driver's ability to drive safely or affect the safety of other road users.

<sup>3</sup>Different DVDs exist in different regions. Please consult your local Jaguar dealer for details of which countries are covered by the DVD supplied with your vehicle.

<sup>4</sup>'Trifield' and the 'three fields' device are trademarks of Trifield Productions LTD.

Please consult your local Jaguar dealer for details.

## OWNERSHIP EXPERIENCE

Service, assurance, and peace of mind are all part of the pride of owning your XF Sportbrake.

### THE JAGUAR ACCESSORY RANGE†

Enabling you to personalise your car, to create a driving experience that is even more individually rewarding. All Jaguar accessories are tested rigorously for safety and durability in the most arduous of climates and conditions. A comprehensive range of styling options, interior and exterior accessories, enabling you to tailor your XF Sportbrake to suit your personal style. The full range of Jaguar accessories is available to view on-line, please visit [jaguar.co.uk](http://jaguar.co.uk) for further information.

Any genuine Jaguar Accessories (excluding gift items and luggage from Jaguar Collection) supplied and fitted by a Jaguar dealer within one month or 1,000 miles (whichever occurs first) of a new vehicle being put into service will benefit from the same warranty terms and duration as the Vehicle Warranty. Accessories purchased outside of this period will be subject to 12 month unlimited mileage warranty.

### BECAUSE ONLY THE BEST WILL DO

An official Jaguar dealer or Approved Service Centre can ensure that Jaguar trained, specialist technicians, with access to the full range of Jaguar approved parts and tools, will always be on hand to guarantee that every fitting, or repair, is carried out exactly the way Jaguar intended. Your Jaguar dealer or Approved Service Centre can also supply and fit Jaguar approved accessories to personalise and add to the practicality and style of your XF Sportbrake model.

### SERVICE AND ASSURANCE\*

Complete peace of mind including Competitively Priced Servicing, Seasonal Health Checks and Total Tyre Care to ensure that your Jaguar XF Sportbrake retains its premium condition, delivering optimal performance.

### WARRANTY\*

3 year warranty together with a 3 year Paint Surface Warranty and a 6 year Corrosion (Perforation) Warranty.

### JAGUAR MAGAZINE

Jaguar Magazine is the official magazine of Jaguar Cars. It features the new Jaguar XJ, XK and XF, and the worlds of luxury, style, design and travel. The fully interactive Jaguar Magazine iPad app takes the very best of the print edition of the Magazine and adds extra images, and exclusive information, allowing you to explore Jaguar's world in a whole new way.

### JAGUAR.CO.UK

Jaguar's official interactive website contains the latest information on Jaguar models and pricing. It also features helpful tools such as a dealer locator and a new model configurator allowing you to see the car tailored to your specification and colour.

### JAGUAR FINANCIAL SERVICES\*

Whether your requirements are business or personal please contact your local Jaguar dealer to discuss a range of finance and insurance products that can be tailored to meet your needs.

†All Jaguar Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out so that Accessories are both durable and importantly, continue to comply with current legalisation.  
\*Terms and conditions apply. Please contact your local Jaguar dealer for more information.

### IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

Comparisons are based on manufacturer's own data and testing.

### ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is proud to continue the company's tradition with its approach to Environmental Innovation. From the choice of lightweight materials and lean production methods to the efficiency of its engines and designs, Jaguar is committed to operating as a more sustainable business and reducing its overall environmental impact.

Jaguar's flagship XJ model was the first in the company to achieve ISO 14040, the international standard for vehicle 'whole life cycle' assessment. This certification measures the environmental impact of XJ from component material sourcing and manufacturing process, through its driven life time, to final disposal. But that's not all. Every new Jaguar vehicle is designed to be 85% recyclable and reusable, in addition to 95% recoverable and reusable with 10% for energy generation.

Jaguar is committed to reducing dependency on fossil fuels, using fewer resources and creating less waste. Already the manufacturing assembly CO<sub>2</sub> emissions of each Jaguar built in the UK since 2009 is offset. For every tonne of CO<sub>2</sub> emitted in the assembly process, Jaguar invests in carbon reduction projects that reduce an equivalent tonne of CO<sub>2</sub> elsewhere. Offsetting allows Jaguar to take action now, to reduce its impact on the environment, as part of an integrated carbon management plan. This company plan includes targets to reduce operating CO<sub>2</sub> emissions and waste to landfill by 25% by 2012, water consumption by 10% by 2012 and fleet average tailpipe CO<sub>2</sub> emissions by 25% by 2015, based on 2007 levels.

But it doesn't stop there. World class manufacturing facilities certified to ISO 14001 since 1998, transport miles have been cut from delivery routes and new ways are being introduced to produce energy from food waste at our Gaydon site in the UK. That's Environmental Innovation at Jaguar.
