

INNOVATION DEFINED

Challenging convention is at the heart of everything we do, ensuring exclusivity and driving pleasure come as standard, the Mazda2 Venture boasts more than just a fun-to-drive attitude. Satellite navigation featuring sophisticated TomTom technologies is unrivalled. Rear parking sensors and climate control air-conditioning are sure to keep cool even in the tightest of spots. LIVE Services provide up-to-date traffic information and advanced lane guidance ensures you never miss a turn. And with Bluetooth® connectivity you'll never miss a call – now that is innovation defined.

ONE ROUTE, ONE AD-VENTURE

The latest special edition Mazda2 certainly stands out from the crowd. Beneath its stylish exterior lurks a sporty yet economical 1.3-litre engine, making this nimble and agile city car the spirit of fun-to-drive. The stylish and sporty design provides individuality with the option of unique Zeal Red or Meteor Grey paint. Sleek Black mirror covers further complement the Venture's dare-to-be-different attitude. Unique interior trim adds to the dynamic look and 16" bright finish alloys contrast with the darker sporty styling, to ensure attention wherever the TomTom navigation dares to take you. Don't follow the crowd; defy convention with the Mazda2 Venture.
