A sense of wellbeing pervades the Range Rover Sport. Seats create a sporty experience coupled with long-range comfort. Exciting colourways, two grades of leather, partial leather and contrast stitching help create a car that's as individual as its owner. Autobiography Sport offers even more individuality through exclusive colours and materials.

Land Rover has been making four-wheel drive vehicles for over sixty years and that experience is manifest in such innovations as our Terrain Response® system. This acts as your own driving expert. Simply set the control to the appropriate icon and Range Rover Sport's engine, transmission, suspension and traction settings reconfigure for optimum drivability. The Terrain Response® system is available with Dynamic Program which gives a sportier more engaging drive in all conditions.

Advanced. Range Rover Sport has many advanced dynamic technologies that combine to deliver exhilarating on-road performance. This can be enhanced further with the Dynamic Pack, consisting of Adaptive Dynamics and Dynamic Response. Adaptive Dynamics works by predicting the response to driver input, allowing the system to mitigate any excessive movement. Dynamic Response senses cornering forces and compensates for them automatically. The Dynamic Pack is standard on LR-V8 Supercharged vehicles and optional on diesel vehicles.

Power and performance. Two refined engines designed to match personal preferences.

LR-V8 Supercharged Petrol 510hp

510hp and 625Nm of torque enables longer gearing for improved fuel economy and CO₂ emissions. Fuel consumption 19.0mpg* (14.9L/100km*) on EU combined cycle. 31% more power and 14% more torque than the previous 4.2 litre Supercharged engine. Highly efficient, spray-guided direct injection. Conforms to EU5 emissions regulations. Lightweight construction uses recycled materials. Increased service intervals.

LR-SDV6 Diesel 255hp

255hp and 600Nm of torque for refinement and improved efficiency. Fuel consumption 32.1mpg* (8.8L/100km*) on EU combined cycle with CO₂ emissions of 230g/km. Unique parallel sequential turbocharger system. Third generation common rail fuel system. Conforms to EU5 emissions regulations. Increased service intervals.

*Manufacturer's data.

Range Rover Sport's highly rigid body with its low centre of gravity and energy-absorbing crumple zones, offers impressive levels of safety. Dynamic Stability Control (DSC) monitors wheel speed and steering angle to help make cornering safer and more stable. DSC applies ABS braking to individual wheels to support and maintain control.

Roll Stability Control and Enhanced Understeer Control add to the stability of the vehicle. Thanks to its hydroformed frame design, advanced engineering and front and side airbags, Range Rover Sport delivers real strength and safety.

Step 1

Choose your engine

Select your preferred engine from a line-up of powerful and refined petrol and diesel engines.

Step 2

Choose your model

Compare the standard features on each model.

Step 3

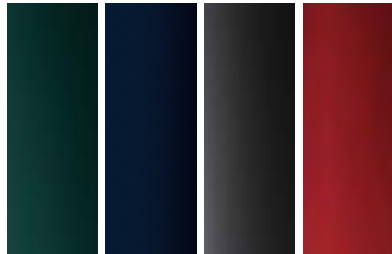

Choose your options

Choose additional options to tailor your vehicle to your personal requirements.

Step 4

Choose your colour

Express your individual statement through a wide range of colours.

Step 5

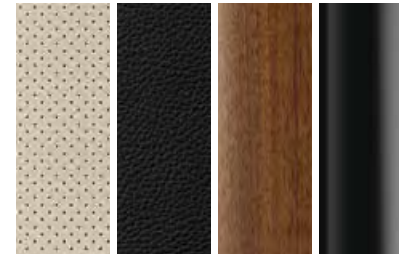

Choose your wheels

Select from a range of wheel styles, each one designed to complement the bold exterior.

Step 6

Choose your interior

With a choice of carefully selected interior colours complemented by the finest real wood veneers, you can personalise your interior, making it uniquely your own.

STEP 1 CHOOSE YOUR ENGINE – DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

Two outstanding powertrains drive the Range Rover Sport: the 3.0 litre SDV6 or the 5.0 litre V8 Supercharged.

	3.0 SDV6	5.0 SUPERCHARGED
Driveline	Four Wheel Drive (4WD)	Four Wheel Drive (4WD)
Power (hp / kW)	255hp	510hp
Transmission	Eight-speed auto	Six-speed auto
Torque Nm	600Nm	625Nm
Maximum torque (rpm)	2,000rpm	2,500-5,500rpm
Capacity (cc)	2993	5000
No. of cylinders	6	8
Cylinder layout	Longitudinal V6	Longitudinal V8
FUEL ECONOMY		
Urban	mpg 28.8	13.0
Extra Urban	mpg 34.9	26.3
Combined	mpg 32.1	19.0
CO ₂ Urban emissions	g/km 230	348

Model availability varies.

Please Note: When choosing vehicles fitted with specific wheel and tyre combinations or optional wheels and tyres, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tyres may offer certain styling or driving benefits but may be more vulnerable to damage. Please discuss your requirements with your local Land Rover Dealership for further details.

KEY FEATURES

Hard Disc Drive Premium Navigation System

Includes TMC Dynamic Route Guidance. Allows features to be accessed more quickly – for instance, route finder and route recalculation times are significantly reduced – helping minimise delays in determining directions for the driver. The system also allows the latest mapping information to be uploaded via your Land Rover Dealership. Standard on all derivatives.

harman/kardon® Audio Systems

A range of superb **harman/kardon®** In-Car Entertainment options are available depending on your choice of vehicle. SE features an 11 speaker system with a power output of 380W. The premium LOGIC7® surround system which features for HSE Black Edition and Autobiography, includes 17 speakers with a power output of 825W.

Dual View Touch-Screen

Dual View technology enables driver and front passenger to view completely independent display content via the Touch-screen, so the passenger can watch TV while the driver follows navigational instructions. Includes one set of wireless WhiteFire® headphones. Optional for SE, standard for HSE Black Edition and Autobiography.

Timed Climate System

Timed Climate system enables you to pre heat or cool the vehicle to your chosen temperature using a seven-day timer. Also available with remote control. Timed Climate system is standard for HSE Black Edition. Timed Climate system with remote is standard for SDV6 Autobiography.

Adaptive Dynamics

Adaptive Dynamics monitors the vehicle's movements at least 500 times a second, reacting to driver or road inputs virtually instantaneously, helping to give greater control and minimising body roll, for a composed ride. The system even senses off-road conditions, and optimises damping accordingly. Optional as part of the Dynamic Pack for SE. Standard for HSE Black Edition and Autobiography.

Adaptive Cruise Control

Adaptive Cruise Control (ACC) is an improved cruise control system that helps maintain a pre-set gap from the vehicle in front, even if it changes speed. With Forward Alert and includes Advanced Emergency Brake Assist. Optional for SE and HSE Black Edition. Standard for Autobiography.

ACCESSORIES

Roof Rails and Crossbars*
VUB502130

Crossbars easily removed when not in use. Vehicle height when fitted 1,873mm at normal ride height. Maximum payload 71.8kg[†].

Luggage Box*
VPLVR0062

Gloss Black finish. Opens from both sides. Lockable for security. External dimensions: 1,750mm long, 820mm wide, 450mm high. Volume 440 litres. Maximum payload 57kg[†].

Sports Box*
VPLVR0061

Gloss Black finish. Can be mounted on either side of the vehicle for kerbside opening in any country. Internal retention system for skis or other long loads. Lockable for security. External dimensions: 2,060mm long, 840mm wide, 340mm high. Volume 420 litres. Maximum payload 56kg[†].

Ski and Snowboard Carrier
LR006849

Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 36kg[†].

Aqua Sports Carrier*
LR006846

Carries one surfboard, kiteboard or sailboard and mast. Maximum payload 45kg[†].

Luggage Carrier*
LR006848

Maximum payload 62.6kg[†].

*Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

[†]Maximum payload equals the load capacity of the roof mounted accessory.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealership within one month or 1,000 miles/1,600 kilometres (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealership who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealership. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.
