

AVEO

FIND **NEW** ROADS

**WHY JUST GO
FROM A TO B**

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE.

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that each one leads us to some place we're not – but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

READY FOR FUN, READY FOR LIFE. Chevrolet Aveo gives you everything you want in a city car. In the sporty Aveo, you're sure to turn heads and win admiring looks. Aveo also boasts a brilliantly

designed interior, comfortable ride, spacious cargo capacity, and electrifying, responsive handling. The Aveo range offers you a range of high-performance, fuel-efficient diesel and

petrol engines, and extra features like the cutting-edge Chevrolet MyLink connected radio system.

LEAD BY DESIGN. Bold lines with angled shoulders, flared wheel arches, dual-port grille and motorcycle-inspired twin headlamps show Aveo is dynamic and eager for the road ahead.

Our super sporty hatchback with rear handles set high for the look of a coupe. Extra features available with the LTZ trim, including side indicator lights set into the rear-view mirrors,

and 16-inch alloy wheels, ensure your Aveo always stands out on busy streets.

TRAVEL IN MORE STYLE AND SPACE. Inside Aveo, the Corvette-inspired dual cockpit, and motorcycle-inspired displays with ice-blue ambient back lighting, deliver a unique sensation of comfort and style. Every control is in easy

reach, and you can quickly set the driver-seat length and height to meet your own needs. Smart storage – including the double glove box and under the front passenger seat – keeps all your journey essentials close to hand. With the

hatchback, you can fold all or part of the rear seat to match any trip's mix of passengers and cargo.

THRILL TO THE POWER. Chevrolet Aveo is available with a wide range petrol engine sized 1.2-1.4 litres. The Aveo offer includes the 1.3-litre diesel model – producing 75 or 95hp, with fuel

use as low as as low as 78.4 mpg, and CO₂ emissions of just 95g per kilometre. Your choice of manual or six-speed automatic transmissions give you quick acceleration, a

smooth and nippy ride, and direct steering for precision driving. Selected Aveo models also come with advanced Stop/Start technology to help minimise your fuel consumption.

DRIVE BETTER CONNECTED. Choose the LTZ trim and Aveo comes with Chevrolet MyLink connected radio. Use the system's 7-inch colour touch-screen and steering-wheel mounted controls to :

- Select tracks you want to hear from a connected device through your car's speakers
- View pictures and watch videos stored on a

connected device when you're parked

- Monitor live video relayed from an inclusive rear-mounted camera, for quicker, safer parking

Also use Chevrolet MyLink to run selected smart-phone apps including:

- BringGo navigation*
- TuneIn internet radio*
- Stitcher™ Smart Radio*

Another Chevrolet MyLink feature is Siri Eyes Free. Another Chevrolet MyLink feature is Siri Eyes Free. Another Chevrolet MyLink feature is Siri Eyes Free. When connected to an iPhone running Siri Eyes Free simply speak and make calls hands-free; compose, send and listen to text messages; and much more.

*IMPORTANT NOTE: Purchasing cost for Apps and/or internet traffic data/roaming cost may occur. For further information visit Apps web page and/or the web page of the relevant mobile operator. Chevrolet MyLink connected radio is only available on LTZ Trim.

KEEP IT SAFE. Steering you clear of accidents, Aveo's electronic stability control anticipates your intended course and adjusts traction to keep you on it. Under your feet are anti-lock brakes and there's Hill Start Assist to stop you rolling backwards when starting on sharp inclines.

If you're in an accident, the steel safety cage soaks up the impact while ISOFIX® child-seat restraints and six airbags secure and cushion everyone inside. No wonder that in 2011, Europe's leading auto-safety testing body, Euro NCAP, made Aveo its best in class.

TAILOR YOUR DRIVE. Choosing your ideal trim level is just the beginning. Chevrolet also offers an exciting range of accessories so you can customise

Aveo to exactly mirror your tastes and the life you lead. Whatever you want to carry – from babies to bikes and skis – and however you want to

personalise your car's look or level of comfort, you'll find everything you need to make it happen.

CHEVROLET OWNER PRIVILEGES

Every Chevrolet comes with a comprehensive warranty and commitment from us to you:

- 3 years or 60,000 miles comprehensive warranty FREE
- 6 year anti-perforation corrosion warranty with no mileage restrictions FREE
- Optional Fixed Price Servicing plans available at extra cost

EXTENDED VEHICLE WARRANTY

EXTENDED WARRANTY: For complete peace of mind Chevrolet offers an extended warranty that can be purchased on an annual basis following the expiry of the original new car warranty. It covers most mechanical and electrical components. Terms and conditions apply. For further details please contact your local Chevrolet Dealer.

The information contained in this brochure was accurate at the time of going to press. Chevrolet UK is constantly seeking ways to improve the specification, design and production of its vehicles and accessories, and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this market brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle and accessories. Illustrated optional equipment is available at extra charge. Availability, technical features and equipment provided on our vehicles can vary from one market to another and may change without prior notice. Owing to the print limitations of reproducing paint colours on paper, the colours shown here can only be taken as a general guide to the range of colours available. Information on recycling design, recycling End of Life Vehicles (ELV) and the return locations of ELVs can be found on the website chevrolet.co.uk
