

ORLANDO

CHEVROLET

FIND **NEW** ROADS

**WHY JUST GO
FROM A TO B**

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE.

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that each one leads us to some place we're not — but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

A BOLD NEW VISION. The Chevrolet Orlando is the true expression of what a seven-seater should be. Its ground-breaking design makes for a confident styling that never gets in the way of flexibility or practicality. The Orlando strikes the perfect balance between the stance of a crossover and the soul of a family car. A true Chevrolet original that shows how a highly functional vehicle can boast distinctive design.

CAPTIVATING PERSONALITY. The personality of the Orlando effortlessly stands out from the crowd. Its sweeping lines are shaped and sculpted to deliver a robust yet unique feel. The result is a muscular ‘wheels out, body in’ silhouette and a stance that exudes presence. Refining the overall look are sleek details like new side indicators on the rear view mirrors and optional 16” to 18” alloy wheels.

STYLISH AND ENTERTAINING TO THE CORE. The unique finishes of the Orlando's interior have the same strong personality as the exterior. The sleek dual cockpit is complemented by stylish blue lighting for a subtle touch of sophistication. The Orlando also comes with Chevrolet MyLink - a 7-inch colour touch screen connected radio system that lets you:

- Listen to the music stored on your compatible Smartphone and online content via

- Stitcher⁽¹⁾
- Select music tracks from a USB-connected device or the embedded CD player
- View pictures stored on a connected device when you're parked.

Chevrolet MyLink features voice recognition, allowing you to control some of its most important features, from phone calls to setting a destination for the Sat

Nav, through short vocal commands. It also integrates with your iPhone's Voice Recognition system - Siri - so you can safely send text messages, access your calendar and much more.

(1) IMPORTANT NOTE: Internet traffic data/roaming cost may occur. For further information visit www.stitcher.com and/or the web page of the relevant mobile operator.

SEVEN SEATS, COUNTLESS POSSIBILITIES.

The Orlando is all about flexibility and simple ways to configure the interior according to how many people or how much luggage you need to take with you. The interior is deceptively large and additional space (should it be needed) is provided with cleverly placed storage compartments found behind the radio, in the doors and in the rear cargo areas. Seven seats are spread over three rows, and you can easily fold flat

the passenger seat and second and third rows, to create a cargo space more than 2.6 meters long. With its multiple seating combinations, the Orlando can adapt with ease to your lifestyle, whatever it might be.

A CROSSOVER THAT PERFORMS LIKE A COMPACT.

The Chevrolet Orlando offers an unprecedented driving experience for its segment, delivering impressive performance for a seven seater. Chevrolet engineers have worked relentlessly to design and calibrate the Orlando to bring the pleasant driving feel of a compact car into a crossover. The dynamic drive is delivered by a range of modern engines, from a 1.4 turbo 140 HP

6-speed petrol engine to a 2.0L diesel version available in 6-speed automatic or manual transmission.

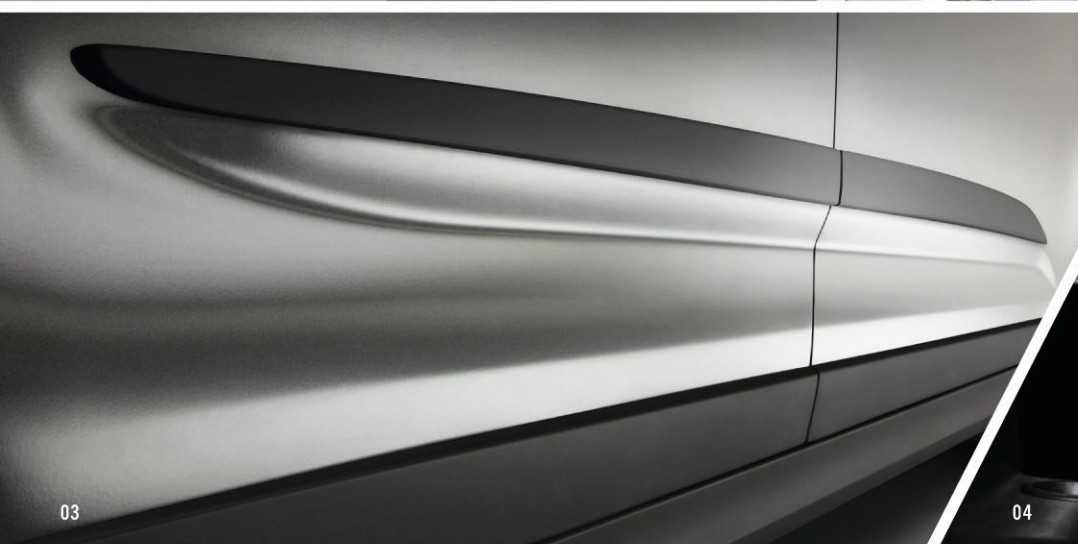

360° SAFETY FOR ALL ROUND SITUATIONS.

Inside and out, the Chevrolet Orlando is equipped to protect. The most advanced safety measures come standard on the Orlando. Front, side and curtain airbags, anti-lock ABS brakes with Electronic Brake Force Distribution (EBD) and Hydraulic Brake Assist (HBA), a reinforced safety cage and a steering column specifically designed to absorb impact. On the Chevrolet Orlando, you can also select the Side

Blind Spot Alert* that helps you detect when a vehicle is in the blind spot of the mirror increasing your field of view and making your drive even safer. Children are kept secure thanks to the dual ISOFIX® system, which anchors child seats to the vehicle both quickly and effectively.

*Optional at an extra cost on the LTZ Trim.

01 Thule® Roof Box*

02 Cargo tray

03 Door mouldings

04 Dog grid

05 Thule® bike carrier rear**

ACCESSORIES. The Chevrolet Orlando was built for those who value flexibility. To complement this already versatile vehicle, we've developed a wide range of accessories to take that flexibility to a whole new level enabling owners to truly get the most out of their Chevrolet Orlando.

* to be used with roof base carrier

** to be used with tow bar

A full accessories list can be found at Chevrolet.co.uk

CHEVROLET OWNER PRIVILEGES

Every Chevrolet comes with a comprehensive warranty and commitment from us to you:

- 3 years or 60,000 miles comprehensive warranty FREE
- Optional Fixed Price Servicing plans available at extra cost
- 6 year anti-perforation corrosion warranty with no mileage restrictions FREE

EXTENDED VEHICLE WARRANTY

EXTENDED WARRANTY: For complete peace of mind Chevrolet offers an extended warranty that can be purchased on an annual basis following the expiry of the original new car warranty. It covers most mechanical and electrical components. Terms and conditions apply. For further details please contact your local Chevrolet Dealer.

The information contained in this brochure was accurate at the time of going to press. Chevrolet UK is constantly seeking ways to improve the specification, design and production of its vehicles and accessories, and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this market brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle and accessories. Illustrated optional equipment is available at extra charge. Availability, technical features and equipment provided on our vehicles can vary from one market to another and may change without prior notice. Owing to the print limitations of reproducing paint colours on paper, the colours shown here can only be taken as a general guide to the range of colours available. Information on recycling design, recycling End of Life Vehicles (ELV) and the return locations of ELVs can be found on the website Chevrolet.co.uk
