**Alpine Navigation System**

Get to your destination quickly and easily with the fully-integrated Alpine navigation system. Big, clear and loaded with features, it includes a 6.1" touchscreen, plus maps for 46 countries to give you the quickest route every time. Further features include DVD player, Traffic Message Channel (TMC) and Bluetooth® connectivity. Driving has never been this easy – or as much fun!

The Mazda2 Colour and Sport Colour Editions, which are limited to 1,000 cars each, feature unique interior numbering, dramatic dark grey alloy wheels, dynamic Jet Black rear roof spoiler with matching Jet Black heated power folding door mirrors further complementing the individuality of these exclusive cars. Available in three distinctive body colours of True Red, Crystal White Pearlescent or Aluminium Silver Metallic, providing a perfect contrast to the sleek black styling, these cars have enhanced poise and eye-catching style on the road. The exclusive features continue within these Limited Editions with body colour-coordinated interior styling cues ensuring the ultimate in contemporary design.
