LOOK ONCE, THINK TWICE

NEAT & DISCREET. Despite NV200's class-leading 4.2m³ capacity, its compact footprint makes it easy to manoeuvre through traffic and to negotiate parking spaces. A smart design - the best in town.

TAKE A HANDS-ON APPROACH

DRIVER FOCUSED. Inside NV200's spacious cabin, the solid quality of the materials, thoughtful, functional design details, numerous storage spaces and a higher seating position create a comfortable mobile office.

[REQUEST A TEST DRIVE](#)

OUTSTANDING CARGO CAPACITY

NV200 PROVIDES YOU with an outstanding cargo space, the biggest in its category. NV200 has been designed to maximise cargo space by optimising internal dimensions. With 4.2m³ cargo volume and 728kg payload, NV200 is ready for any unexpected jobs.

2.04M

NV200 has a load space long enough for two Euro pallets.

1.50M

With more space between doors, wider loads are easy too.

1.36M

A low floor and tall roof means more height to cope with bulky loads.

4.2M³

Class leading cargo volume.

*There is no 2nd row glazing option available in UK. Models only come with unglazed double sliding doors.

4.40M
OVERALL LENGTH

*There is no 2nd row glazing option available in UK. Models only come with unglazed double sliding doors.

COMPACT BODY WITH UNLIMITED POSSIBILITIES

INTELLIGENT DESIGN MEANS NV200 packs remarkable cargo space into its external dimensions. With an overall length of just 4.40m and an overall width of 1.69m, NV200 compactness will surprise you, making it easy to manoeuvre and park in the most challenging urban environment.

From baguettes to building materials, NV200 carries the maximum possible in its category.

CLEVER VERSATILE SPACE

NV200'S HUGE CARGO SPACE has been cleverly designed to maximise internal dimensions and make your everyday work easier. The interior length reaches 2.04m and the width between wheelarches is 1.22m so that two Euro pallets fit in easily. The cargo floor is only 524mm from ground level, so loading NV200 is quicker and easier. Standard floor hooks help keep your deliveries secure. NV200 can be configured to meet your needs, with a choice of solid steel bulkhead or mesh folding bulkhead, two sliding side doors and optional rear glazing.

Space for a long ladder (with optional folding bulkhead).

Space for two Euro pallets.

2 EURO PALLETS

*There is no 2nd row glazing option available in UK. Models only come with unglazed double sliding doors.

OUTSTANDING VERSATILITY

BEYOND ITS DISTINCTIVE STYLING, NV200 Combi is exceptionally versatile to help you with all your activities. It offers you the most flexible moving space with almost unlimited carrying capabilities. It comfortably seats up to seven people. Or with five people, in two rows of seats, there's still 2.3m³ of luggage space. NV200 is the ideal vehicle for transporting passengers, cargo or even both.

3.1M³

Up to 3.1m³ luggage space when second row folded.

2.3M³

Up to 2.3m³ luggage space with two rows - 5 passengers.

7 SEATS

More seats, more knee room, more headroom.

COMFORTABLE AND ADAPTABLE

NV200 COMBI gives you more space inside, while its adaptable, modular seating creates almost unlimited configuration possibilities. Whether it's carrying two, five or seven passengers, NV200 Combi still has surprising room for luggage. Intelligent storage spaces, cargo hooks (or alternatively a tonneau cover from the accessories range) and the smart, business-like cabin all create a good impression with your passengers, and make life easier for you. Both the 2nd and optional 3rd row seats fold out of the way to leave a clear, low floor, so it's easy to get everyone and everything on board.

2 SEATS

In two-seat configuration, NV200 Combi can take three mountain bikes with front wheels still attached. That's 3.1m³ of load space (2.9m³ with the optional 3rd row folded).

5 SEATS

Even with five people on board, NV200 Combi can still take on board a large size suitcase for each of them, representing 2.3m³ of load space (2.1m³ with the optional 3rd row folded).

7 SEATS

When its nearest rivals have run out of luggage space, NV200 Combi can still easily accommodate at least two large suitcases.

ADAPTABLE SPACE

All seats fold away to increase load space.

CITY WISE

NV200 THRIVES IN THE CITY. Its unique dimensions make it easier to park and to position in traffic than its competitors. Excellent visibility from the high seating position, plus superb agility, help you manoeuvre easily in crowded streets.

REAR VIEW CAMERA. Squeezing into small parking spaces and loading bays is easy work with the optional rear view camera. The dashboard display gives you a full colour view of the area behind you, and superimposes guidelines to help you position NV200 exactly where you want it.

SEE CLEARLY, SIT COMFORTABLY

NV200's driving position is higher than its rivals to help you see further ahead, with the dashboard instruments angled to face you, so you can read them with just a quick glance.

NV200's 10.6m turning circle kerb to kerb and compact 4.4m overall length put you streets ahead when you're picking your way through congested cities.

Low floor allows easy entry and exit.

Van with mesh bulkhead

NV200 HAS 13 DIFFERENT STORAGE SPACES. The centre upper tray and glove box are ideal for paperwork. There are storage trays between the front seats and in front of the passenger (when no passenger airbag is fitted). Holders for your drinks bottles and cans on the dashboard, are easy to reach. The large door pockets will take an A4 road map. NV200 has concealed storage too, such as the drawer under the driver's seat and a secret compartment in the glove box.

* With the optional Nissan Connect fitted, there are 12 storage spaces.

SMART AND CONVENIENT

IT'S EASIER to work and relax in NV200's smart interior. There's a solid, quality feel to the materials. Plus many storage spaces, designed for the items you use every day. For example, the optional passenger seatback folds forward to create a useful flat workspace.

LOW COST OF OWNERSHIP

NV200 MAKES GOOD BUSINESS SENSE. From the outset, it's been designed to offer a low total cost of ownership. Not only through minimal everyday running costs, but also through robust construction and durable materials for long life and reliability.

HARD TO BREAK, SIMPLER TO REPAIR

NV200 is tough, to handle the demands of hard work and to keep you well protected. Outside its rigid central structure are effective energy absorbing zones that dissipate impact forces. Though strong, they're also easy to repair.

GEAR CHANGE INDICATOR

When the engine reaches the ideal revs to change up, an indicator shows in the multifunctional display the ideal timing to change gear. This helps you drive more economically.

KEEPING YOU INFORMED

NV200 is equipped with a multifunctional display with onboard trip computer that provides all the information you need to help you drive economically. It shows you engine revs, average and real time fuel consumption, and your remaining range. With the rear view camera*, the display switches to a full colour picture of what's behind you, the moment you select reverse gear.

5 or 6-speed manual transmissions available

POWER WITH ECONOMY

NV200 IS EQUIPPED with a powerful yet frugal 1.5 dCi turbo diesel engine. There are two options available to choose from. There's the highly efficient, 90PS, 200Nm torque engine, mated to a smooth 5-speed manual transmission or alternatively if you want more power, there's the 110PS, 240Nm torque engine, with a 6-speed manual transmission. Both engines offer excellent fuel economy, with an impressive range in everyday driving conditions, so you can go longer between filling up. Low CO₂ emissions enable you to reduce your carbon footprint.

1.5 DCI

SAFETY

AT NISSAN, SAFETY IS A TOP PRIORITY. That's why NV200 is equipped with a number of active safety systems, including ABS with Electronic Brakeforce Distribution (EBD) and Brake Assist which increases your braking effort and optimises stability control. Like you, we want everyone to feel safe on board the NV200, so the driver's airbag and front seat belt pretensioners are standard. But NV200 doesn't stop here, it enhances its protective shield by offering as standard equipment on Combi the front passenger, side and curtain airbags, as well as Electronic Stability Program (ESP), driver adjustable speed limiter and cruise control to guarantee your safety. These are optional features, available on NV200 Van.

* Rear view camera is standard except Visia grade, see Technical Specifications for details.

| DIESEL | OUTPUT (PS) | NORM | CO ₂ EMISSIONS (G/KM) | TRANSMISSION | FUEL CONSUMPTION (COMBINED L/100KM / MPG) |
|---------|-------------|--------|----------------------------------|----------------|---|
| 1.5 dCi | 90 | Euro 5 | from 128 | 5-speed manual | from 4.9 / 57.7 |
| 1.5 dCi | 110 | Euro 5 | from 131 | 6-speed manual | from 5.0 / 56.5 |

IPHONE® APPLICATIONS

DISCOVER the exact location of your NV200 in an instant. Find the precise technical information you need at the swipe of a finger... Download the iPhone apps for your Nissan NV200 and make life simpler.

FIND MY VAN

Have you ever parked in an unfamiliar part of town - or somewhere you've never been before - and then forgotten exactly where you left the vehicle? Then Nissan has the answer. At its most simple level, "Find My Van" allows the driver to input the precise location of a parked van using the phone's inbuilt GPS system and bundled Google Maps software. To find the vehicle again later, all the driver needs to do is call up "Find My Van", press a compass symbol shown on the screen and accurate directions will be given on a map to where the vehicle is parked.

NV200 MANUAL

Every NV200 comes with a comprehensive operator's manual... which seldom gets read. But now it's available as an iPhone® app, so you can quickly access relevant information, bookmark important pages and even watch 'how to..' demonstrations on video. Clear, user-friendly and engaging, the NV200 operator's manual iPhone® app gives you direct access to any information you may need - any time, anywhere.

NISSAN CONNECT

KEEP IN TOUCH with Nissan Connect, your fully integrated navigation, communication and audio-entertainment system. With steering wheel commands and a 5 inch touch screen to display optimal routes, music and info alerts, your phone book and personal files. Find high-definition 2D or 3D maps and auto-zoom on targets. Get voice guidance in 9 languages across Europe. Play CDs in any format, plug in your iPod, MP3 player or USB stick, browse with Bluetooth® audio streaming or listen to the radio and traffic reports at once. Open your network thanks to hands-free connectivity and enjoy the world at your fingertips.

PLAY

CDs in any format, browse with Bluetooth® audio-streaming or opt for the radio and traffic reports at once.

TRACK

Your progress with high-definition 2D or 3D maps and auto-zoom on key targets. With voice guidance in 9 languages across Europe.

PLAN

Your course with a 5" touch-screen and display optimal routes, music and info-alerts and even your phone book and personal files.

SELECT YOUR FAVOURITES

1

1/ PLASTIC CARGO PROTECTION FOR FRENCH DOOR WITHOUT WINDOW, REAR PANEL AND WHEELARCH. These durable plastic panels are part of a range developed to protect virtually all of the interior load space.

2/ STEEL LOAD CARRIER - TWO BARS. This sturdy steel load carrier has a carrying capacity of 60kg, and can accept most Nissan load carrier accessories such as load stops. Load carrier is also available in three bars.

3/ PLASTIC FLOOR PROTECTION FOR VAN. Rugged, easy to clean and with an anti-slide surface that helps keep your cargo in place.

4/ MUDGUARD. Robust and durable. Available for the front and rear.

5/ REMOVABLE TOWBAR. Choose between the fixed towbar, flanged towbar or removable towbar. All of these options let you take full advantage of NV200's 1,100kg towing capacity.

6/ BODY SIDE MOULDINGS AND SIDE BAR. Tough protection and an extra styling touch for your NV200.

7/ MATS. Rubber or textile floor mats. Featuring the NV200 logo, these mats are tailored to fit precisely and include fixings so they stay in place (can be easily removed for cleaning).

The segment breaking NV200 offers big van capabilities within a compact van footprint and it really has the potential to shake up the market. It is a class leader in terms of load length, volume and low floor height and despite its amazing load capability the driver is not forgotten – a spacious comfortable cabin with plenty of storage and an ‘SUV style’ high driving position giving superb visibility and easy ingress and egress.

PASSENGERS AND PARCELS

NV200 DELIVERS ALL YOUR NEEDS

Transport a crew of 5 and a 2.1m³ load or create outstanding volume in just a few seconds! Three full-size seats in the second row with safety belts, headrests and a bulkhead will fold down in no time to create 3.1m³ of cargo space. Compact and robust with French doors in the back to make loading and unloading easier, NV200 is the most practical choice for your profession.

*2.1m³ volume when the second row of seats is in place & 3.1m³ when the second row of seats is folded.

WARRANTY: 3-YEAR WARRANTY FOR TOTAL PEACE OF MIND

Quick and easy! The seats can be folded and unfolded in less than 15 seconds.

1. 3.1m³ of cargo space
2. 3 full size seats in the 2nd row
3. Integrated mobile bulkhead (ISO 27956)
4. Effortless folding

*UK specification has a panel in place of the glazed second row windows. Glazed rear doors are available as a cost option.

REQUEST A TEST DRIVE

The NV200 Combi offers supreme versatility for the carriage of both cargo and passengers, as well as the superb load carrying capacity of the van. Equipped with either 5 or 7 seats it can carry a full complement of passengers, or the fully folding rear seats make way for a large cargo area. With a compact exterior, but large interior space, combined with a tight turning circle NV200 is easy to manoeuvre and park.

ACENTA

EASY GOING

NV200 TAKES THE EFFORT OUT OF WORK

NV200's intelligent interior is full of features to make life easier. The controls are ergonomically arranged, and simple to use, with generous equipment specification as standard. There are useful storage spaces throughout the cab, including plenty of room for paperwork in the centre upper tray and glovebox, and safe storage for drinks between the seats and on the dashboard. And you can conceal valuable items in the drawer under the driver's seat.

1.5 DCi TURBO DIESEL ENGINE (66 KW) WITH 90 PS

Low on both fuel consumption and emissions, the 1.5 dCi turbodiesel's economy means you can go further between fill-ups. It's also surprisingly quiet and smooth running, making your working day more relaxing.

| Diesel | Output (PS) | Emission std. | CO ₂ emissions | Gearbox type | Combined Fuel consumption L/100km/MPG |
|---------|-------------|---------------|---------------------------|----------------|---------------------------------------|
| 1.5 dCi | 90 | Euro 5 | from 128g | 5-speed manual | from 4.9/57.65 |

COLOURS

* NV200 Fridge Van in UK is RHD equipped with twin sliding side doors and right sliding door is always sealed. It is optional to have insulated cell with no side door or with left side door. When with no side door, the left side sliding door of the van is sealed as well.

** MPG figures are obtained from laboratory testing, in accordance with 2004/3/EC and intended for comparisons between vehicles and may not reflect real driving results. (Optional equipment, maintenance, driving behaviour, road and weather conditions may affect the official results).

You care about your Nissan so Nissan will care for you.

That's why we'll make the following commitment:

YOU care about staying on the road when your Nissan is in for service or repair.

NISSAN will keep you mobile free of charge.

YOU care about quality enough to have your Nissan serviced at a Nissan dealership.

NISSAN says thanks by giving you continuous Nissan roadside assistance for free.

YOU care about getting the best value for money when it comes to service and repair.

NISSAN will price match like for like competitor written quotes within 10 miles of your local dealer.

YOU care about having your problems resolved quickly.

NISSAN will propose how to resolve any problem within two working days.

YOU care about getting the right Nissan model, engine & gearbox to test drive.

NISSAN will guarantee that's what you'll get when you pre-book your test drive either online or through our customer service centre.

Every effort has been made to ensure that the content of this publication is correct at the time of going to press (October 2013). This brochure has been produced featuring prototype vehicles exhibited at motor shows. In accordance with the company's policy of continuously improving its products, Nissan International reserves the right to change at any time the specification and the vehicles described and shown in this publication. Nissan dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan dealer to receive the most up-to-date information. Because of the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials used. All rights reserved. Reproduction in whole or part of this brochure without the written permission of Nissan International is forbidden.

FURTHER INFORMATION

Price Protection Plan. Order a new Nissan for delivery no more than 4 weeks in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new vehicle. Nissan Motor (GB) is not liable for price adjustments caused by Government changes in the rate of VAT or by any other applicable legislation or regulation or Vehicle Excise Duty.

Navara - Three year/60,000 miles manufacturer's warranty - Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to warrantable defects, a towing service, when necessary, to the Authorised Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel or rental car to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

LCV model (including NV200, Primastar, NV400 and NT400 Cabstar) - New Vehicle Warranty is issued by Nissan International SA is valid for 3 years from the warranty start date or 60,000 miles, whichever comes first. In addition, for each new LCV model (including NV200, Primastar, NV400 and NT400 Cabstar) sold by an authorised UK Nissan dealer, Nissan Motor (GB) Limited (NMGB) will issue an extension to the New Vehicle Warranty. This warranty extension will cover your vehicle from 60,000 miles up to 100,000 miles or 3 years from the warranty start date, whichever comes first. Please note that audio and navigation units will not be covered by the warranty extension.

Special build conversions may be subject to extended delivery.

The conversions in this price list are from Nissan Motor GB-appointed converters and have warranty terms in line with the Nissan Pan European Warranty. The converter is responsible for all aspects of the conversion.

Nissan European Roadside Assistance is provided for the first three years of your van's life. Please see www.nissan-aftersales.co.uk for full details including terms and conditions.

Recyclability - we take our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify among other things, specifications, colours and prices of models without notice at any time.

Accordingly you should consult your local Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.

Fleet Customers

Special colours and out-of-line-up specifications are available, please check details with fleet managers (regional DFM, CSM or LCV sales managers); Fleet only versions regardless listed in Dealer Master Price List or not, are to be ordered by Dealer Support via regional DFM, CSM or LCV sales managers

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.

VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

YOU + NISSAN

CARE

You care about the car you drive. So do we. That's why we're making a commitment to providing the best customer service in the market.

Find out more nissan.co.uk/care

Nissan cares for you because you care about your Nissan.
That's why we'll make the following commitment:

YOU care about staying on the road when your Nissan is in for service or repair.

YOU care about quality enough to have your Nissan serviced at a Nissan dealership.

YOU care about getting the best value for money when it comes to service and repair.

YOU care about having your problems resolved quickly.

YOU care about getting the right Nissan model, engine & gear box to test drive.

NISSAN will keep you mobile free of charge.

NISSAN says thanks by giving you continuous Nissan roadside assistance for free.

NISSAN will price match like for like competitor written quotes within 10 miles of your local dealer.

NISSAN will propose how to resolve any problem within 2 working days.

NISSAN will guarantee that's what you'll get when you pre-book your test drive either online or through our customer service centre.
