

RANGE ROVER EVOQUE

ABOVE AND BEYOND

NOW IT'S TIME TO CHOOSE...

Range Rover Evoque offers you great options and flexibility to personalise your vehicle. The following pages take you through a logical series of steps to make it a true expression of your individuality. You have several choices: from selecting your engine and model to exterior and interior colours, wheels, finishes and those detailed touches that define your style.

If you'd like to bring your options to life, go to our online configurator at landrover.co.uk

Step 1

Choose your engine

You can select from a powerful range of petrol or diesel engines.

Step 2

Choose your model

Compare the standard features on each model.

Step 3

Choose your colour

There's a wide range on offer to enable you to express yourself.

Step 4

Choose your wheels

There's a range of styles, each one designed to complement the bold exterior.

Step 5

Choose your interior

Carefully selected colours complemented by the finest metals and real wood veneers. You can personalise your own interior space.

Step 6

Choose your options

Additional options can enhance your personal requirements.

Key Features

The latest innovations that make your vehicle a pleasure to drive.

Technical Details

Technical information and data for dimensions, performance and specifications.

Accessories

Additional accessories can enhance your personal requirements.

DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

The improved range of petrol and diesel engines uses the very latest powertrains. In fact, coupled with lightweight all-aluminium technology, the six-speed manual transmission (standard with eD4 and SD4) and the new nine-speed automatic transmission (standard with the Si4 and optional for SD4), delivering greatly improved fuel efficiency and lower CO₂ emissions.

However, nothing has been lost in performance. For instance, the 2.0 litre Si4 Petrol engine goes from 0-60mph in just 7.1 seconds. All engines feature Intelligent Stop/Start technology that automatically shuts down the engine at rest and starts it again as soon as you lift your foot off the brake.

2.2L eD4 DIESEL

2.2L SD4 DIESEL

2.0L Si4 PETROL

	LR-eD4 DIESEL	LR-SD4 DIESEL	LR-Si4 PETROL		
Driveline	Two Wheel Drive (2WD)	Four Wheel Drive (4WD)	Four Wheel Drive (4WD)		
Power (kW / PS)	110/150	140/190	177/240		
Torque (Nm)	380	420	340		
Maximum torque (rpm)	1,750	1,750	1,750		
Capacity (cc)	2,179	2,179	1,999		
No. of cylinders	4	4	4		
Cylinder layout	Transverse	Transverse	Transverse		
FUEL ECONOMY	Manual	Automatic	Manual		
Urban (Coupé/five-door)	mpg	47.9/47.1	40.9/39.2	40.9/40.9	27.4/27.4
Extra Urban (Coupé/five-door)	mpg	62.8/62.8	54.3/53.3	56.5/56.5	44.1/44.1
Combined (Coupé/five-door)	mpg	57.6/56.5	48.7/47.1	49.6/ 49.6	36.2/36.2
CO ₂ Combined emissions (Coupé/five-door)	g/km	129/133	153/159	149/149	181/181

The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. A vehicle's actual fuel consumption may differ from that achieved in such tests and these figures are for comparative purposes only. Low fuel warning at 9 litres approximately.

Each model has a choice of engines and unique features. This guide will help you to select your ideal Range Rover Evoque. On the following pages you'll see the standard features for each model.

RANGE ROVER EVOQUE PURE

PURE Specification:

Anti-lock Braking System (ABS)
 Emergency Brake Assist (EBA)
 Four-wheel Electronic Traction Control (ETC) (two-wheel on eD4)
 Dynamic Stability Control (DSC)
 Hill Descent Control (HDC®) (does not feature on eD4)
 Roll Stability Control (RSC)
 Electric Park Brake (EPB)
 Electronic Power Assisted Steering (EPAS)
 Terrain Response® (does not feature on eD4)
 Hill Launch Assist (HLA)
 Cruise control
 Land Rover Tyre Repair System
 18 inch five-split spoke Sparkle Silver finish alloy wheels 'Style 11'
 Halogen headlamps and manual headlamp levelling
 Choice of solid or metallic paint
 Bonnet louvres in Dark Atlas (Coupé only)

Dark Atlas grille, side fender blades and tailgate finisher (Coupé only)
 Brunel grille, side fender blades and tailgate finisher (five-door only)
 Gloss Black waist trim finisher
 Body-coloured exterior mirror caps
 Rear spoiler
 Rear Evoque badge in Black
 Rear seat – three seat bench with 60/40 split
 Grained leather seats, manual driver's adjustment including recline, electric height and manual passenger's recline (six-way/four-way). Electric seats feature for Coupé derivatives
 Centre console with covered stowage
 Anchor points in loadspace
 Steering wheel with controls for audio system, Bluetooth® and cruise control
 'White Lighting' illumination in door release courtesy light featuring 'Theatre delay dimming' and map lights
 Customer configurable LED interior mood lighting – Red, White and Blue

Driver and passenger sun visor with illuminated mirror
 Loadspace cover
 Oxford leather gear knob (manual derivatives only) and steering wheel
 Satin brushed Aluminium horizontal finisher
 Satin brushed Aluminium centre console finisher
 Auxiliary power sockets – one front and one loadspace
 Two child seat ISOFIX anchor points
 Rear centre head restraint (three seat bench only)
 Rear parking aid
 Push button start
 Exterior mirrors featuring electric adjustment, heating and direction indicators
 Automatic climate control with air filtration
 Heated front seats
 3.5mm audio auxiliary input socket
 Meridian™ Audio system (380W) with radio and single slot CD player, MP3 disc and file compatibility, subwoofer and 11 speakers

Digital Radio (DAB)
 Eight inch high resolution Touch-screen
 USB socket (for connection of USB connected storage devices to enable playback of compatible audio files)
 Portable audio connectivity interface
 Bluetooth® telephone connectivity plus streamed audio.

PURE TECH Specification in addition to PURE:

Automatic headlamps
 Headlamp power wash
 Front parking aid
 Rain sensing windscreen wipers
 Heated front windscreen and washer jets
 HDD Premium navigation system. Includes hard disk drive audio server with lossless digital storage for up to ten CDs and a DVD player
 TMC Dynamic route guidance
 'Say What You See' intuitive voice control.

STEP 3 CHOOSE YOUR COLOUR – BLACK DESIGN PACK

Personalising the exterior

For an even more striking effect, Range Rover Evoque Dynamic, both Coupé and five-door, can be further personalised with the optional Black Design Pack. Emphasising the assertive, confident stance of the vehicle, the Black Design Pack makes Range Rover Evoque your own.

Black Design Pack is available in all exterior colour options and includes the following: darkened front headlamps and foglights, with clear rear lights, inner and outer Santorini Black sump guards for both front and rear, black RANGE ROVER lettering on bonnet and tailgate, black aero flip spoiler, black exhaust finishers and 20 inch nine-spoke Gloss Black Finish wheels.

Vehicle shown left and above is Dynamic five-door in Zanzibar featuring optional Black Design Pack and contrast roof in Santorini Black.

Visit landrover.co.uk for more information.

Range Rover Evoque's contemporary interior combines sophisticated finishers, real metallic trims and distinctive colourways for a fresh, modern look and feel. And you can choose from a choice of partial or full Grained leather seats or the luxury of Oxford leather. Details include twin-needle stitching, where even the length and direction, thread colour and strength are considered.

STEP 5 CHOOSE YOUR INTERIOR – TRIM FINISHERS CHOICES

The softest of leathers, the most meticulous of finishes

The interior is upholstered in the finest natural materials. The warmth of wood veneers, superb metal finishes and soft leathers combine to create a sense of home. The attention to detail is everywhere you look and in everything you touch. The type of leather is determined by model choice as outlined in the following pages.

STEP 5 CHOOSE YOUR INTERIOR – DYNAMIC PLUS

For an even more distinctive look and feel, the optional Dynamic Plus interior package offers four sports-themed design variants. Unique sports seats or premium climate seat options are available in a full Oxford leather interior with electric driver and passenger adjustment. Height, tilt and lumbar support can all be easily fine-tuned to suit individual preferences.

INTERIOR REAR SEAT OPTIONS

Bench seat

Sports orientated twin seats

Range Rover Evoque Pure, Prestige and Dynamic are all available with a rear bench seat on both Coupé and five-door options. Naturally, the rear seats and cabin space are thoughtfully planned to ensure a truly relaxed and comfortable ride and Range Rover Evoque Coupé offers the further choice of sportier twin seats as standard.

KEY FEATURES

Blind Spot Monitor with Closing Vehicle Sensing

These systems are designed to see what you might miss. Using discrete sensors hidden in the side and the rear bumpers, Blind Spot Monitoring alerts you via an icon displayed in the appropriate door mirror when a vehicle enters a blind spot on either side of your vehicle.

If a vehicle approaches at speed from behind when changing lanes, the Closing Vehicle Sensing function will alert you to the potential dangers by flashing the icon in the door mirror.

Reverse Traffic Detection

Activated whilst reversing, this system works by informing the driver in the event of a vehicle approaching from either side which may present a hazard, with both audible and visual warnings.

Active Driveline

The all-new Active Driveline delivers benefits in both on and off-road situations, for petrol drivetrains. In many on-road driving conditions, the system is able to disconnect drive to the rear of the vehicle, providing maximum two-wheel drive fuel economy. A sophisticated control strategy continuously monitors key vehicle and environmental parameters. If the requirements for four-wheel drive are met, the system seamlessly and imperceptibly reconnects the four-wheel drive system within 300 milliseconds. Standard feature for Si4 versions only.

Parallel, Parking Exit and Perpendicular Parking

Parallel Park identifies suitable parking spaces and automatically steers into the space whilst you operate the pedals. Parking exit provides the same assistance to manoeuvre out of the space.

A new feature for this year, Perpendicular Park is an optional addition to the system. Truly useful in car parks and tight spaces, it automatically assesses whether the chosen space is wide enough before steering the vehicle centrally into place as the driver operates the pedals.

Nine-speed Automatic Transmission

Range Rover Evoque now features a class-leading nine-speed automatic transmission, 7.5kg lighter than the previous six-speed model. You will benefit from notable improvements in both fuel economy and CO₂ emissions as well as greater control in low-grip conditions or when towing through the specially-designed, ultra-low first gear.

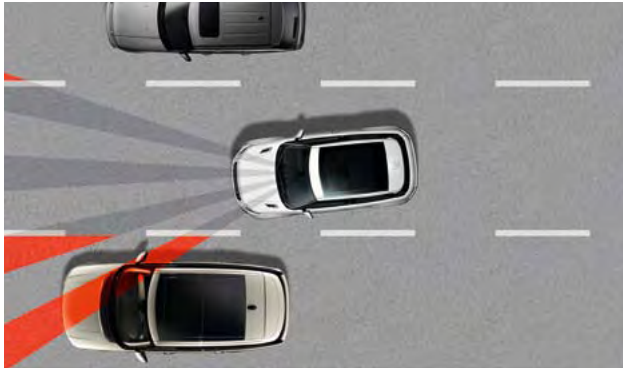

InControl™

Land Rover InControl™ uses in-vehicle mobile technology to safely and securely connect your world, your Land Rover and your services. Use the smartphone app to check the status of your vehicle wherever you are and have the reassurance of emergency help if required from SOS Emergency Call and Optimised Land Rover Assistance. If your vehicle is stolen, InControl™ Secure enables it to be tracked aiding recovery. Available March 2014.

KEY FEATURES

Lane Departure Warning

A forward-looking camera mounted ahead of the rear view mirror monitors the lane markings on both sides of the vehicle and gives the driver a warning when the vehicle drifts out of its lane without the indicators being triggered. The alert comes in the form of a discrete vibration through the steering wheel, allowing the driver to take the appropriate action.

Traffic Sign Recognition

This system scans the road ahead for certain traffic signals and displays them in the Message Centre in the instrument pack. The following signs are detected: speed limit signs, no-overtaking signs, variable overhead speed signs and traffic signs with extra information – such as reduced speeds for wet roads. The system can be configured to provide speed alert warnings when the vehicle is travelling at or above the current speed limit, as well as warning of no-overtaking zones.

Surround Camera System

Using five digital cameras mounted around the vehicle, this system provides an all-round view of your surroundings on the full-colour Touch-screen, assisting in tight manoeuvring. When towing, it provides additional information to aid with reversing.

Adaptive Xenon Headlamps

With their signature design, these distinctive LED lights combine distinctive looks with real capability. Adaptive xenon lights swivel to follow the road while static bending lamps follow the kerb to give the driver greater confidence at night.

Powered Tailgate

The tailgate can be opened using the key fob, a switch on the fascia or operated independently using a button on the tailgate itself. A button located inside the tailgate allows the tailgate to be closed automatically.

Wade Sensing™

Designed to aid you when the vehicle is wading, sensors in the door mirrors provide real-time information including the depth of the water and the vehicle's maximum wading capability.

KEY FEATURES

Customer Configurable Interior Mood Lighting

With five colours and several brightness configurations to choose from, you can now select the interior lighting to suit your mood and create the perfect atmosphere.

Dual View Touch-Screen

This technology enables both the driver and front passenger to view independent display content via the Touch-screen. For example, while the driver is guided by the navigation system, the front seat passenger can watch a DVD.

Meridian™ Audio

The Meridian™ Audio System delivers superb acoustics and is noted for its excellent reproduction quality from all sources – radio, CD, iPod or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

Climate Front Seats

For the ultimate comfort whatever the temperature, Climate Front Seats are now available. This option provides both heated and cooled ventilation through perforations in the Oxford Leather seats. Driver and passenger preferences can be independently controlled via the Touch-screen.

Rear Heated Seats

Heated rear seats are now available for the first time on Range Rover Evoque. Available with both the bench seat (outer seats heated) and the twin rear seats on Coupé, the system has three heating levels that can be set via switches on the rear of the centre console.

Sliding Centre Armrest

A sliding armrest improves comfort in the front of the vehicle and is now specified on all models. Beautifully finished and made from high quality materials to match the individual interior theme, the armrest slides forward 15cm whilst still providing access to the front cup holder.

iPod is a registered trademark of Apple Inc., registered in the US and other countries.

Touring

Roof Rails Black Finish*
VPLVR0086 £469.00

Maximum permissible load capacity 75kg**. Roof Trim Finisher is required for fitment. Vehicle height when fitted: Coupé 1,609mm/Five-door 1,640mm. Crossbars not included.

Black Roof Trim Finisher
VPLVR0087 – Solid Roof £208.00
VPLVR0090 – Panoramic Roof £134.00

Cross Bars*
VPLVR0073 £234.00

Vehicle height when fitted: Range Rover Evoque 1,720mm /Range Rover Evoque Coupé 1,697mm. Adjustable position crossbars. Aerodynamic profile designed to minimise drag and noise. Lockable for security. Roof Rails not included. Maximum payload 71.8kg**.

Luggage Box*
VPLVR0062 £535.00

Gloss Black finish. Opens from both sides. Lockable for security. External dimensions: 1,750mm long, 820mm wide, 450mm high. Volume 410 litres. Maximum payload 68kg**.

Seatback Stowage – Premium Leather (shown above)
VPLVS0182 £168.00

Manufactured from the finest materials with soft touch interior lining and magnetic button clasps, this convenient stowage system for the rear of the front seats provides multiple compartments for stowing small items.

iPad Holder
VPLVS0165 – iPad[†] - £166.00
VPLVS0164 – iPad 1 £166.00

Provides secure mounting for your iPad. Rear seat facing, attaches to the head restraint posts.

Sunshade
VPLVS0163 £95.18

Helps to keep the vehicle interior cool in hot weather.

[†]iPad 2/iPad with Retina display.
iPad is a registered trademark of Apple Inc., registered in the US and other countries.

ACCESSORIES

Sporting

Tow Bar Mounted Bike Carrier
VPLVR0066 – Two Bike Carrier £521.00

This lockable quick release mechanism conveniently folds to ensure easy access to the tailgate. The carrier is manufactured from lightweight material and includes lighting and license plate mount. Maximum load capacity 40kgs for two bike carrier and 51kgs for three bike carrier.

Ski/Snowboard Holder*
LR006849 £168.00

Carries four pairs of skis or two snowboards. Lockable for security. Incorporates slider rails for easy loading. Maximum payload 36kg**.

Rear Bumper Protection Cover
VPLVS0179 £148.00

This provides protection to the bumper, while loading and unloading.

Roof Mounted Bike Carrier
VPLFR0091 £128.00

Lockable bike carrier designed for holding a single bike. Raised Roof Rails and Crossbar Kit required and will accommodate 2 bike carriers.

Quick Release Tow Bar
VPLVT0100 £474.00

Easily removed. Lockable for security. For vehicle towing capacity please refer to the vehicle handbook.

12N/12S Type Towing Electrics Adapter (shown above)◆◆
VPLHT0060 £94.00

12N Moulded Adapter (shown above)◆◆
VPLVT006476t £45.00

13 Pin Type Towing Electrics◆
VPLHT0061 £168.00

*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation system, if fitted.

**Maximum payload equals the load capacity of the roof mounted accessory.

▲Not applicable with Perpendicular Parking

●This accessory is not suitable for caravans, trailers or lighting boards fitted with rear mounted LED lamp kits.

◆13 Pin Towing Electrics must be fitted.

ACCESSORIES

Outdoor

Cargo Barrier Full Height (shown above)
VPLVS00221 – Coupé models only £270.00
VPLVS00220 – Five-door models only £270.00

Social Seating†
VPLVS0101 £556.00

Fold out seating for outdoor use. Stows neatly away in the loadspace. Maximum deployed weight capacity 200kg.

Loadspace Rubber Mat
VPLVS0091 £115.99

Waterproof with retaining lip and non-slip surface.

Front Mudflaps
VPLVP0065 – Pure and Prestige models (shown above) £61.00
VPLVP0066 – Dynamic models £76.00

Rear Mudflaps▲

Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,600 kilometres/1,000 miles (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealer. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.
