

## The Audi RS Q3

Pricing and Specification Guide  
Valid from January 2015

## Personalising your Audi RS Q3

This guide has been designed to help you tailor and price your Audi RS Q3 quickly and logically. At the back, you will find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi RS Q3 online at [audi.co.uk](http://audi.co.uk)

## Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

## The RS Q3. Style meets power.

The poise and style of a Q model. The power and performance of an RS. Welcome to the new Audi RS Q3.

An impressive 2.5-litre TFSI engine delivers an astonishing 340PS and 450Nm of torque, while its 7 speed S tronic gearbox has been refined for faster gear changes.

The result: acceleration from 0-62mph in just 4.8 seconds. And, with RS design details both inside and out, a car that's as attractive as it is exhilarating.

# LED lights

## **Look good, see better.**

Every RS Q3 model comes complete with striking LED headlights. This innovative technology emits a continuous beam of bright light, with a colour close to daylight – lighting the road ahead with unprecedented clarity.

The sleek and subtle design of Audi LED headlights make them the perfect addition to the Audi RS Q3. And with dynamic LED indicators at the rear, the look is complete.

# Performance

## The engineering behind the power

A car as powerful as the RS Q3 needs systems that are just as powerful.

RS sports suspension, engineered exclusively for RS models, lowers both axles and offers firmer tuning for a more dynamic, closer-to-the-road drive.

Optional RS sports suspension plus with damper control is also available. Working in conjunction with Audi drive select, it allows you to determine the characteristics of the twin-tube shock absorbers according to road conditions and your driving style. The result? More agile, more precise handling – even at speed.

And to harness that speed, the RS Q3 features high performance brakes. Black gloss, 8-piston fixed calipers adorned with the RS logo clamp each of the 365mm Wave brake discs. These, in turn, are perforated and internally ventilated for enhanced performance – or, in other words, to slow you down faster.

# quattro®

**Grip, whatever the weather.**

The innovative all-wheel drive system that helped us secure victories on the track comes as standard in the RS Q3.

Harnessing the power generated by the engine, quattro® provides optimised handling and an enhanced driving experience.

In everyday conditions, you'll experience a lighter, more agile drive. And, should conditions change unexpectedly, the RS Q3 will be ready to respond – delivering power and traction exactly where it's needed.

## Built for performance

The 2.5-litre engine in the Audi RS Q3 has been refined and improved. Not only is it EU6 emissions compliant, it now produces 340PS of power and 450 Nm of torque from 1,600-5,300 rpm.

The result is superior power at lower revs and enormous sprinting ability up to a maximum speed of 155mph. The 5-cylinder core design makes an unmistakable sound through the RS exhaust system, while its compact dimensions and low weight help the overall balance of the car.

## Engineered for responsiveness

The 7-speed S tronic gearbox transfers the engine's power to the quattro drivetrain via a newly designed, hydraulic multi-plate clutch.

Lower gears are spaced closely together for a sporty response, while the seventh is designed for fuel economy at cruising speeds. The result is faster, more responsive gear changes, with acceleration from 0-62mph in a breathtaking 4.8 seconds.

## Inside the RS Q3

With any RS model, power is just part of the story. Step inside the RS Q3 and you'll find a cabin richly appointed with RS design cues that accentuate its performance.

Sports seats, upholstered in Fine Nappa leather with contrast stitching, set the tone. On the instrument cluster, red needles sweep across grey, RS-badged dials. And a bespoke driver information system offers a special RS menu, with lap timer, oil temperature and boost pressure displays. The feeling is one of sporty refinement – and that's before you've even turned the ignition.

# Technology

# Technology is advancing at an ever faster pace, and choosing the right technology for your car is an important decision.

From driver assistance technologies to features designed to help keep you entertained on the go, the RS Q3 is available with some of our most advanced innovations. You can even choose our Technology package or the Comfort package Plus (please refer to page 50 for more details).

## MMI Navigation Plus

With HDD-based MMI navigation, you'll have access to 3D map view and 3D point-of-interest display. It means you'll be guided to your destination with greater ease. And, because destinations can be entered with both speech and writing, your attention remains firmly on the road.

## Audi Side Assist

This assistance system for multi-lane roads helps alert you to other vehicles in your blind spot when changing lanes. Using radar sensors discreetly hidden in the rear bumper, other vehicles are detected and the driver alerted with a visual warning signal in the door mirror.

## Audi parking system advanced with rear reversing camera

Aids parking by acoustically and visually indicating distances to obstacles with guiding lines. Measured by sensors and a rear reversing camera.

## Audi Active Lane Assist

An advanced Audi safety system which helps to keep you in lane by means of gentle steering intervention when lane boundary markings are detected. Particularly useful on motorway journeys is the new active lane centring feature which gives steering assistance to keep your vehicle in the centre of the lane and enhance your driving comfort.

# Audi Connect

# Stay networked on the move.

Being inside your car shouldn't mean losing touch with the outside world. That's why, with Audi Connect, the new RS Q3 creates a link between you and the Internet.

With high-speed, 3G Internet access in your car, you can go online to access information, entertainment and Google Earth™ navigation maps by scrolling, tapping or speaking your commands. Audi Connect can even find you the cheapest fuel price in your area. And, with a wireless hotspot within the car, passengers can connect their mobile devices enabling them to browse the Internet, download emails, or access social media.

With Audi Connect, the world stays at your fingertips.

## Wi-fi hotspot

Connects your mobile devices to the internet

## Online Media Streaming

Pairing a smartphone with the Audi Music stream app offers access to worldwide radio stations and music stored on the smartphone

## Weather information

Gives you forecasts and maps for your chosen destination

## News online (individual)

Text and images from your favourite news sources with text-to-speech function

## City events

Up-to-date information about events happening at your destination

## Points of interest

Search Google™ using voice control

## Traffic information online

Complements the dynamic route guidance with real-time traffic flow information for individual stretches of road

## myAudi – special destinations

Import individual point-of-interest (POI) lists to your Satellite Navigation System via the myAudi portal

## Train information

Find departure and arrival times and platform information while you're on the road (also available for other types of public transport such as underground systems)

## Country specific information

The legal regulations for a specific country, such as speed limits or whether it is compulsory to carry a high-visibility vest or display a motorway toll sticker, are displayed when crossing a border

## Fuel prices

Information on filling stations with the cheapest prices in your selected search area

## Parking information

Helps you find car parks nearby and, where available, information on prices and currently vacant spaces

## Navigate with Google Earth™ and Google Street View™

Uses high-resolution aerial and satellite images as well as photos to guide you to your destination

## Destination entry via myAudi or Google Maps™

If required, navigation destinations can be conveniently planned on your PC or smartphone. myAudi and Google Maps™ allow individual navigation destinations to be sent to the vehicle. When you start your journey, these can be easily loaded as your destination

Please note that an external data source is required to enable Audi Connect online services. Terms and conditions apply to certain Audi Connect functions. Please see pages 50 and 68 for additional information. \*Only available if your mobile phone has the Bluetooth profile MAP (Message Access Profile).

# Standard model equipment

## All RS Q3 models have the following items of standard equipment

The RS range incorporates some of our most exclusive, dynamic and sporty models. But in the unmistakable RS Q3, you'll find not only the high performance and sophistication you'd expect, but also a surprising level of functionality that makes this a great car for everyday use.

### Engine and transmission

**Efficiency program in the Driver's Information System (DIS)** – provides the driver with fuel-saving tips and a gear-change indicator

**Recuperation** – increasing the generator voltage converts kinetic energy into usable electric power when the vehicle is coasting or braking. This recuperated (brake) energy is then used to assist the generator during subsequent acceleration, giving a fuel saving of up to 3%

**Start-stop system** – helps to reduce fuel consumption and CO<sub>2</sub> emissions by switching off the engine in stationary phases e.g. at traffic lights. The start process is initiated as soon as the foot brake is released when moving off again. Can be deactivated via a button at any time

### Wheels, tyres and suspension

**20" x 8.5J '5-twin-spoke-V' design alloy wheels** with 255/35 R20 tyres

#### Anti-theft wheel bolts

**Audi drive select** – changes vehicle characteristics by adapting power steering assistance, accelerator characteristics and exhaust flap control. Modes available: comfort, auto and dynamic

**Electromechanical parking brake** – includes parking brake function when the car is stationary, auto-release function to assist when pulling away and emergency braking function on all four wheels

### RS high-performance braking system

18-inch diagonally-split high-performance braking system, Antilock Brake System (ABS) with Electronic Brake Force Distribution (EBD), Electronic Stabilisation Control (ESC), hydraulic brake assist, adapted brake booster function; wave brake discs at front in composite design, ventilated and perforated, ventilated brake discs at rear; brake callipers painted in high-gloss black, front callipers feature RS emblem

**RS sports suspension** – with dynamically tuned spring/damper combination; McPherson spring strut-type axle at the front with lower wishbones and aluminium subframe; four-link rear axle with separate spring/damper arrangement, subframe

### Tyre mobility kit

20" x 8.5J '5-twin-spoke-V' design alloy wheels

RS braking system

Audi Music Interface

## Audio and communication

**6.5" display screen** – manually retractable

**Audi Music Interface (AMI)** – provides connection to Apple iPod from 4th generation and Apple iPhone, as well as USB storage media and MP3 players

**Audi sound system** with 10 speakers including centre speaker in the dashboard and subwoofer beneath the luggage compartment floor. Total output of 180 Watts and 6-channel amplifier

**Bluetooth interface** – for handsfree mobile phone connectivity and Bluetooth audio streaming (depending on compatibility of mobile phone)

**Colour Driver's Information System (DIS)** – with high-resolution 3.5" TFT colour display in the dashboard binnacle. The DIS shows the radio frequency/station or track title, telephone control menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer, door or boot open warning and efficiency program; RS menu with display of charging pressure, oil temperature and lap timer

**Concert radio** which includes:

- 50-station memory with dynamic station list, FM (VHF) and AM (MW) reception
- Single CD drive and two SDHC memory card readers (up to 32GB) which are MP3, WMA and AAC compatible
- MMI operating logic
- Speed-dependent volume control (GALA)
- TP memo function whilst driving

**DAB digital radio reception** – integrated into the MMI, receives digitally-transmitted radio stations in addition to the range of analogue stations. Displays music track, artist and radio program. Capable of 'DAB slideshow' where transmitted. Reception dependent on local digital network. Automatic switch from DAB to FM reception if the network signal is not strong enough

**Satellite Navigation system** – SD card based. Route planning and guidance using voice, pictogram and 2D mapping shown on the 6.5" colour display screen. Can be operated via the MMI controls, multi-function steering wheel or voice control system. Includes European map data and 7-digit postcode recognition

**Voice control system** – for key telephone and radio functions

## Interior equipment

**Aluminium-look pedals**

**Black cloth headlining**

**Cup holders** – 2, integrated into the centre console

**Door sill trims** with aluminium insert and RS Q3 logo

**Dual-zone electronic climate control** with sunlight-dependent control – electronically controls the air temperature, flow rate distribution, separate temperature distribution for driver and front-passenger side, automatic air recirculation control using an air quality sensor, combined filter, air vents in the rear centre console, ventilated glove compartment, separate defroster button for rapid defrosting of the windscreen and side windows, key-coded settings, includes a light/rain/humidity sensor

**Electric windows** – front and rear with safety system to limit maximum closing force and convenience opening/closing via remote control key

**Flat-bottomed RS Q3 3-spoke perforated leather-trimmed multi-function steering wheel** with contrast stitching in Rock grey and aluminium-look gear shift paddles

**Front and rear floor mats** in black velour

**Front centre armrest** which can be moved forwards/backwards with adjustable angle. Also includes folding storage compartment and a 12-Volt socket in the rear centre console

**Inlays in Piano black finish** in the dashboard, door trims and centre console

**Instrument cluster** with grey dials, red needles and white scales, RS logo in the rev counter, automatic ready-check, adjustable lighting, electronic speedometer with odometer and trip odometer, rev counter, digital clock, coolant temperature display and fuel gauge

**Interior lighting** front and rear, with delayed switch-off and contact switches on all doors; luggage compartment and glove compartment lighting

**Luggage compartment sill protection** in stainless steel

**Reversible luggage compartment floor** – one side in high-quality velour, the other with a waterproof, hard-wearing plastic surface. Also includes additional storage compartments under the floor

**RS selector lever knob** in perforated leather, with RS emblem and trim ring in aluminium-look; selector lever gaiter in leather with decorative stitching in Rock grey

**Smoking package** – includes ashtray with removable aluminium-look lid with Audi rings and a cigarette lighter in the centre console (non-smoking package is available at no charge)

**Steering wheel adjustable for height and reach**

**Washer fluid level indicator**

Aluminium-look pedals

Door sill trims with aluminium insert and RS Q3 logo

Flat-bottomed RS Q3 3-spoke perforated leather-trimmed multi-function steering wheel\*

\*Image shown also includes optional Inlays in Carbon which is available at additional cost

# Standard model equipment

continued

## Seats

**Heated front seats** – individually adjustable in several stages for driver and front passenger seats. Seats, backrest centre panels and side seat bolsters can be heated

**Front Sports seats** with shaped seat side bolsters for better lateral support. Also includes manual adjustment of seat height, fore/aft position, seat angle, head-restraint height and seat belt height plus electric 4-way lumbar support and extendable thigh support

**ISOFIX child seat mounting** - for front passenger (with airbag deactivation) and outer rear seats. Including Top Tether attachment point for the outer rear seats

**Seats upholstered in black Fine Nappa leather** with embossed RS Q3 logo in the front seat backrests and contrast Rock grey stitching

**Split-folding rear seat back**

## Exterior equipment

**Door mirrors with matt aluminium-look housing** – electrically adjustable, folding and heated. Also includes an automatic kerb view dipping function when reverse gear is selected. Mirrors are folded by twisting the interior mirror button on the inside of the cabin

**Flat, Metallic or Pearl effect paint**

**Full body-colour paint finish** to the front and rear underbody guard, wheel arch trims and lower door trims

**Heated windscreen washer jets**

**Matt aluminium styling package** which includes:

- Radiator grille frame, window trims and roof rails in matt aluminium-look
- Funnel-shaped air intake frame, upper edge of rear diffuser insert
- Radiator grille, quattro logo, side air intake funnels, B-pillar window trim and triangular panels on the rear doors in high-gloss black

**Power-operated tailgate** – opens by pressing button on the car key, button in the driver's door trim or soft-touch button in the handle recess on the luggage compartment lid. Including lid-closing assistance unit and programmable angle for the luggage compartment lid

**Privacy glass.** Dark tinted rear and rear-side windows from B-pillar backwards

**RS design body styling** which includes:

- Audi Single-frame radiator grille with honeycomb-design grid in high-gloss black with RS logo and one-piece trim frame in matt aluminium-look
- RS bumpers in a sporty dynamic design; at the front with large air inlets and side flaps in high-gloss black as well as body-coloured funnel-shaped air intake with quattro logo and at the rear with diffuser in high-gloss black
- RS design rear roof spoiler on the luggage compartment lid, painted in body colour
- RS Q3 model name of the luggage compartment lid

**RS exhaust system** with large, chrome-plated, oval tailpipe on the left

**Tow bar bracket preparation** – includes the wiring to the spare wheel well and control unit and adapted engine cooling. The set of parts for retrofitting is available from Audi Genuine Accessories

**Windscreen with sunband** for improved insulation of the windscreen and acoustic glass for reduced outside noise

**All-weather LED headlights.** LED technology provides lower energy consumption and enhanced contrast with a colour similar to daylight, for increased safety and good recognition by other road users. Includes all-weather light function to reduce the risk of the driver being dazzled when visibility is poor (in fog, rain or snow). Also includes LED daytime running lights and the headlight cleaning system

**LED tail lights including LED Dynamic Rear Indicators**

Front Sports seats in black Fine Nappa leather with contrasting stitching in Rock grey\*

All-weather LED headlights

\*Image shown also includes optional electric front seats and under-seat storage contained in the Storage package, both of which are available at additional cost.

## Safety and security

**Airbags** which include:

- Full-size airbags for the driver and front passenger; in conjunction with ISOFIX child seat mounting for the front passenger seat including deactivation switch for the front passenger airbag
- Front side airbags integrated into the seat backrests
- Head airbag system: deploys over the side windows to protect the front and outer rear seat passengers in the event of a side impact

**Antilock Brake System (ABS)** with Electronic Brake Force Distribution (EBD) and hydraulic brake assist

**Anti-Slip Regulation (ASR)** reduces spinning of the drive wheels by reducing engine power and delivering more traction and stability on the road surface

**Audi parking system plus** – acoustic and visual parking aid for the front and rear of the vehicle with on-screen display of distance remaining from obstacles using a graphical representation. Measurement is by ultrasonic sensors integrated discreetly into the bumpers

**Electronic Differential Lock (EDL)**. On surfaces with varying levels of grip, this start-off assistant automatically brakes the drive wheels on surfaces that are too slippery, thereby ensuring smooth, powerful progress

**Electronic Stability Control (ESC)** with sport mode, can be activated in two stages; networks to the ABS, EBD, ASR and EDL with its own sensors and compares the driving data with reference data; provides better stability by targeted braking of individual wheels and intervention in the engine management system

**First aid kit** located in the right-hand side trim of the luggage compartment

**Light and rain sensor** – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking

## Rear fog lights

**Remote central locking with two foldaway keys** – includes convenience closing and opening of the windows; with RS emblem

**Seat belt reminder** for all seats; an acoustic and visual warning signal reminds the passenger in the front seat to fasten their seat belt, a visual warning signal indicates when seat belts have been undone in the rear

**Thatcham Category 1 alarm and immobiliser**

**Tool kit and car jack**

**Tyre pressure loss indicator** - visual and acoustic warning if the pressure drops in one or more tyres

**Warning triangle**

# Packages

Order Code	RS Q3	Basic RRP	Total RRP inc VAT
<b>WB4</b>	●	£841.67	£1,010.00
<b>WB0</b>	●	£558.33	£670.00
<b>PAR</b>	●	£83.33	£100.00
<b>PAI</b>	●	£83.33	£100.00

**Technology package** – includes HDD-based MMI Satellite Navigation Plus, Mobile Phone Prep High with Audi Connect and colour Driver’s Information System (9Q8). HDD-based MMI Satellite Navigation Plus includes the following: navigation data saved on hard disk drive, high-resolution 7” colour display screen with high-quality map view. Map with topographical shading and many points of interest and city models shown in 3D. A choice of three alternative routes can be selected where possible. Includes a rotary button with integrated joystick function for searching in the map. Route information is displayed on a split screen (route instructions, points of interest along motorways, TMC traffic reports en route). Detailed intersection map and lane recommendations. Dynamic route guidance using TMC traffic information. Navigation address can be input using the voice control system. Route arrow instructions displayed in colour in the Driver’s Information System. Includes full European map data and 7-digit postcode recognition. Also includes a hard disk drive jukebox function which can be used to store up to 20GB of music (MP3, WMA, AAC and MPEG4 compatible) and a DVD drive for playing music and video DVDs (when the car is stationary). The MMI Satellite Navigation Plus can be operated via the MMI controls, multi-function steering wheel or voice control system. Audi Connect provides access to a number of innovative online services via an internal UMTS (3G) module. Audi Connect online services include: navigation using Google Earth images™ and Google Street View™, destination entry via Google Maps™ or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi Connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image™. Audi Connect can also create a WiFi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi Connect features can be simply operated via MMI Navigation Plus, the multi-function steering wheel or the voice control system

**Comfort package Plus** – includes Audi parking system advanced with reversing camera, cruise control, high beam assist and auto-dimming rear-view mirror

**Extended matt aluminium styling package.** In addition to the matt aluminium styling package which comes as standard, the funnel-shaped air intake frame, the quattro logo, the side air intake funnels, the upper edge of the rear diffuser insert and side fins of the RS roof spoiler are also in matt aluminium-look

**Audi exclusive extended high-gloss black package** – includes:  
 - Radiator grille frame, radiator grille, quattro logo, side air intake funnels, side fins of the RS roof spoiler and window frames in high-gloss black  
 - Funnel-shaped air intake frame, upper edge of rear diffuser insert and RS roof spoiler in body colour  
 - Roof rails in matt black

Order Code		RS Q3	Basic RRP	Total RRP inc VAT
UH2	<b>Audi hill-hold assist.</b> Once the vehicle comes to a stop, Audi hill-hold assist uses either the ESC system or the electromechanical parking brake to hold the vehicle stationary for an unlimited amount of time, thus preventing it from rolling away on uphill or downhill gradients	•	£75.00	£90.00
UG5	<b>Hill descent control.</b> Speed control by means of brake intervention and engine drag torque, whilst constantly maintaining speed depending on surface. The driver just has to steer, but does not have to accelerate or brake	•	£162.50	£195.00
7Y1	<b>Audi side assist.</b> Aids the driver when changing lane. Audi side assist monitors the area behind your car using radar sensors located discreetly in the rear bumper. It then informs the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door	•	£375.00	£450.00
7Y4	<b>Audi active lane assist.</b> Lane markings are registered by an optical sensor in the windscreen from speeds of approximately 40mph or above. Camera identifies individual or coloured lane markings, e.g. yellow lines at roadworks. The lane departure warning system warns the driver if a detected lane marking is approached without indicating, and helps the driver to steer back towards the middle of the lane by making gentle steering movements. Steering wheel vibration can be activated as an additional warning when crossing lane markings. System is activated manually by a switch on the turn signal lever. Only available in combination with Comfort package Plus (WB0). When ordered with Technology package, speed limit display is included as a no cost option	•	£375.00	£450.00
QR9	<b>Speed limit display.</b> Camera-based recognition and display of speed limits, including temporary speed limit displays (e.g. above motorways). Additionally, working within system limits, there is an evaluation of the particular situation in wet conditions, for speed limits that vary depending on time of day, for roadworks and when using a trailer. If a sign has not been recognised by the camera, thanks to Audi Connect the speed limit taken from the navigation data (where available) can be displayed. Only available as a no cost option when Technology package (WB4), Comfort package Plus (WB0) and Audi active lane assist (7Y4) are ordered together	•	No charge	No charge

## Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

# Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years, including your MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts. You can also opt for our Service only or Service and Maintenance packages if you prefer.

\*Retail customers only. Pricing correct at time of print and based on a 3 years/30,000 miles agreement. All pricing is a 'starting from' price for the Audi RS Q3 model range and is therefore subject to change and mileage/model dependent. If you drive under 10,000 miles per annum your vehicle will be placed on a fixed inspection service schedule. If your mileage tends to exceed 10,000 miles per annum it will be placed on the Flexible Service schedule.

## Warranty

Options are subject to availability and may extend delivery.

## Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from [audi.co.uk/merchandise](http://audi.co.uk/merchandise)

# The Audi Difference

## The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

## Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the fixed Inspection Service and the Flexible Service schedule. The conventional fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

## Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum. Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000+ miles/1 year
Inspection Service	Fixed to every 19,000+ miles/2 years

## Flexible Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum. Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000+ miles/2 years
Inspection Service	Fixed to every 19,000+ miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

\*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

## Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment\* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.\* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

## Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.\*\*

## No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

## All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately - improving anything from your car's efficiency to the precision of its parking system.

## Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit [audi.co.uk](http://audi.co.uk)

\* Subject to availability.

\*\*Excludes wear and tear.

# RS Q3 technical data

Engine	2.5 TFSI quattro
Transmission	7-speed S tronic
Cylinder	5-cylinder
Displacement, cubic cm (valves per cylinder)	2480
Max. power <sup>1</sup> , PS at rpm	340/5300-6700
Max. torque, Nm at rpm	450/1600-5300
Top speed, mph*	155
0-62mph acceleration, seconds	4.8
CO <sub>2</sub> emissions <sup>2</sup> , g/km	203
Benefit in kind (BIK) %	33%
Fuel consumption <sup>2</sup> , mpg (l/100km) Urban	23.9 (11.8)
Fuel consumption <sup>2</sup> , mpg (l/100km) Extra Urban	41.5 (6.8)
Fuel consumption <sup>2</sup> , mpg (l/100km) Combined	32.8 (8.6)
ABI insurance group 1-50**	TBC
Unladen weight <sup>3</sup> , kg	1655
Gross weight limit, kg	2215
Roof load limit/nose weight, kg	75/80
Max trailer load unbraked	750
Max load 12%	1900
Max load 8%	1900
Luggage compartment, seats upright, litres	356
Luggage compartment, seats folded, litres <sup>4</sup>	1261
Fuel tank capacity approx, litres	64
Emission standard	EU6

\*Electronically limited.

\*\*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit [www.thatcham.org/abigrouprating](http://www.thatcham.org/abigrouprating) for details.

<sup>1</sup>The given value was obtained in accordance with the specified measurement procedure (the respective current version of Directive 80/1269/EEC).

<sup>2</sup>Fuel consumption and CO<sub>2</sub> emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at [www.vca.gov.uk](http://www.vca.gov.uk)

<sup>3</sup>Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

<sup>4</sup>Loaded up to roof with rear seat folded down.

# RS Q3 dimensions

The technical drawings opposite show the exact dimensions of the RS Q3, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

Dimensions in millimetres

\*With roof aerial the height of the vehicle is 1,598mm

\*\*Maximum headroom

\*\*\*Shoulder width room

\*\*\*\*Elbow width room

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 356/1,261 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down). Turning circle approx. 11.8m.

# Pricing and Additional information

## Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

## Audi Promise

### Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm  
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm  
Saturday 8.30am–1pm

Sunday opening is at local discretion.

### New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

### Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

### Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

## Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

### Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 01908 548 356.

### Audi Finance

Audi Finance specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

### Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary 7-day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am–9pm, and Saturday 9am–5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

# Additional information

## CO<sub>2</sub> data and information

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£110.00
E – 131 to 140g/km	£130.00	£130.00
F – 141 to 150g/km	£145.00	£145.00
G – 151 to 165g/km	£180.00	£180.00
H – 166 to 175g/km	£290.00	£205.00
I – 176 to 185g/km	£345.00	£225.00
J – 186 to 200g/km	£485.00	£265.00
K – 201 to 225g/km	£635.00	£285.00
L – 226 to 255g/km	£860.00	£485.00
M – over 255g/km	£1,090.00	£500.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

### Audi Connect

An external data source is required to enable Audi Connect online services. One of two can be used:

1. A mobile telephone with Bluetooth SIM Access Profile – to check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit [www.audi.co.uk/phonecompatibility](http://www.audi.co.uk/phonecompatibility)
2. A separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands-free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands-Free Profile

Online services are only available for mobile phone contracts or SIM cards which include a data option. Online services will only be available within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended. The content and scope of the online based services offered may vary.

The Audi Connect services are provided for at least one year from vehicle delivery. After 24 months from delivery of the vehicle, the term of the Audi Connect services will be extended free of charge once for 12 months.

Please note that the services received are also dependent on the capability of your mobile phone.

Google and the Google logo are registered trademarks of Google Inc. The availability of services supported by Audi Connect varies from country to country.
