These specification details do not apply to any particular product which is supplied or offered for sale. Manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

PACK CONTENTS:

- 01 Detachable tow bar
- 02 13 Pin harness
- 03 12v Battery line

EXTERIOR OPTIONS

The Civic is designed to stand out from the crowd. Why not enhance your Civic's sleek lines even further with front and side skirts or add front and rear parking sensors to assist parking in tight and confined spaces?

Side skirts

Add an exciting edge to your car's side profile with the Honda Genuine Side Skirts in a gloss black finish. Not only do these Skirts have a sporty and dynamic look; they've also been extensively tested to guarantee safety.

Front skirts

A 2-piece concept on either side of your front bumper in a gloss black finish. Extensively tested to guarantee safety and high quality, these Front Skirts add a sporty and dynamic look to your Civic.

Roof spoiler

Really enhance the sporty looks of your Civic with this sporty and body-coloured roof spoiler to match your car.

Black door mirror covers

Add even more style with these perfectly integrated door mirror covers, complete with a shiny black finish.

Black tank lid

Accentuate the exterior look of your car with this sporty tank lid featuring a shiny black finish.

Front fog lights

Drive your Honda through foggy nights and days with ease. The Front Fog Lights will give you an extra sense of safety and comfort. Not for cars with ADAS.

Front and rear parking sensors

To make parking safe and effortless, you can also add front and rear parking sensors to the vehicle. 8 sensors produce an audible signal when the car nears an object and the sensor detection is also clearly visible on the Intelligent-Multi Information Display (iMID).

Windshield cover

Protect your car's windshield and mirrors from heavy weather when it's parked outside by applying this genuine windshield cover.

INTERIOR OPTIONS

Style the interior of your Civic to your own personal taste. Whatever your style, there's a Genuine Honda Accessory to meet your requirements.

Parking aid camera kit

As soon as you shift into reverse, the rear camera view appears on the intelligent-Multi Information Display (iMID), offering you the safety and confidence of a full view of what is happening behind you.

Lipped rear rubber mats

2 piece set of black rubber mats with lipped edges, providing protection against a wet and dirty foot area.

Honda 3D Sound

We all want our car sound systems to play the music of our chosen artists. By adding a compact DSP (digital signal processing) unit to the existing sound system in your Honda, you can enhance your listening experience to a concert hall feeling.

Ashtray

A graphite black ashtray with lid that fits perfectly into the cup holder and is removable for easy cleaning.

Cigar lighter

Installed in the centre console.

Manual gear shift knob

A perforated genuine leather and aluminium gear shift knob with an embossed pattern and a contemporary sporty design. Only available for 6-speed manual transmission.

Tablet holder

This tablet holder can fit any tablet with dimensions varying from 7" to 11.6". Tilttable for best view. Including base carrier to fit your Civic's headrest.

TRAVEL & UTILITY OPTIONS

When you're going places you need the right equipment. That's why our line-up of carrying and towing accessories offers you an easy and convenient way to adapt your Civic to match your lifestyle.

Roof Rack - normal roof

Expand your Civic's carrying capacity with a strong, secure roof rack. Including 4 locks. Maximum load capacity: 60 kg (max 65 kg on roof). Only for cars **without** glass roof.

Roof Rack - glass roof

Expand the carrying capacity of your Civic with a strong, secure roof rack. Including 4 locks. Maximum load capacity: 40 kg (max 45 kg on roof). Only for cars **with** glass roof.

Ski box 430L

This lockable, roof-mounted box offers 430 litres of additional storage space when you need to carry skis or snowboards. Dimensions (LxWxH): 1,970 x 83 x 380 mm. Weight: 18kg. Constructed from UV resistant ABS plastic. Key cannot be removed until locks are properly engaged. Opening size: 380 mm.

Bicycle attachment - easy fit

Transport up to two bicycles on the roof of your Civic. The Bicycle Attachment - Easy Fit offers an easy fixation by providing a slot that keeps your bicycle upright and your hands free while you strap down your bicycle. Featuring anti-theft lock.

Image shown for illustrative purposes. UK specification may differ.

Bicycle carrier for tow bar

Transport up to two bicycles on your Tow Bar. Quick and easy to install and easily foldable for storage. Tilting function allows access to the boot. Holder and bicycles can be locked to secure against theft.

Cargo net

Keep luggage secured in the boot with a specially designed horizontal cargo net. To be fixed to the cargo hooks in the boot.

Roof box 350L

This sturdy, waterproof box fits securely to the roof rack and gives you an extra 350 litres of storage space. Features an anti-theft lock. The maximum load is 50 kg. Dimensions (LxWxH): 1,500 x 900 x 350 mm.

Ski & Snowboard attachment

Easy-to-use ski holder for three / four pairs of skis (depending on the size) or two snowboards. Skis / snowboards are securely fastened between two rubber profiles that are kind to the equipment. Easy to fit without tools. CityCrash approved. Complete with locks. Weight: 3.6 kg.

Detachable tow bar

For the safe transportation of trailers and carrier systems. Ball head is made of steel and drawbar load must not exceed 75 kg. Can be removed when not in use. Restrictions apply, please contact your Honda dealer for further information regarding compatibility.

Fixed tow bar

With the Fixed Tow Bar you can tow your caravan or trailer with a maximum towing capacity of 1,000 to 1,400 kg depending on vehicle engine and transmission type. The maximum vertical load is 75 kg. Especially designed for frequent use, it is guaranteed to function through a long and demanding life.

Dog guard

The Dog Guard is designed to keep your pets and luggage safely in the luggage compartment of your Civic while driving. It divides the passenger compartment from the luggage compartment between the rear seat back and roof interior.

Warning triangle

Compact foldable warning triangle in plastic holder. Features reflective surface, stable stand and SOS numbers for EU countries.

Fluorescent vest

Yellow High Visibility Vest comes in black Honda-branded pouch to be placed in the front of the car.

First aid kit

This Honda-branded first aid kit contains: Adhesive bandage, Bandages, Dressing, Pair of scissors and Vinyl gloves. Supplied in a red durable plastic case, with a shelf life of 5 years.

CHILD SEAT OPTIONS

The safest way for children to travel in cars is in a child car seat that is suitable for their weight and size, and is correctly fitted in the car. A Honda child seat will keep your child safe and comfortable during your journey.

Group 0+ Baby-Safe plus

For babies 0-13 kg / 0-15 months. This infant carrier, in conjunction with the Baby-Safe ISOFix Base provides the ideal protection for your baby from birth. The high side wings and deep shell of the Baby-Safe Plus include side impact protection to provide the best possible protection, even for the smallest of babies.

Group 0+ Baby-Safe ISOFIX base

For babies 0-13 kg / 0-15 months. The Baby-Safe ISOFix Base provides maximum security for the Baby-Safe as ISOFix strongly reduces installation errors. The base remains in your car, fixed to the vehicle's ISOFix connection points, and the infant carrier simply clicks or un-clicks onto the base.

Group 1 Duo plus ISOFIX

For babies 9-18 kg / 9 months to 4 years. ISOFix fixation. Giving you the flexibility of two installation options – the ISOFix system or a 3-point seatbelt installation. The ISOFix system anchors the child seat directly to the car's chassis offering maximum protection in case of a collision, while the unique 'Pivot Link' system reduces the child's forward movement in the seat in the event of an accident.

Group 1 Eclipse

For babies 8 months to 4 years or 9-18 kg. The deep side wings offer extra comfort and the best possible side impact protection. This seat can only be installed in the car by using the universal the 3-point seatbelt.

Group 2+3 Kid

For 15-36 kg / 3-12 years. The special headrest and deep side wings offer small and large children extra comfort and the best possible side impact protection. Using the universal seatbelt fixation, the seat positions the lap belt correctly over your child's pelvis, while the belt guide positions the diagonal seatbelt safely over your child's shoulder.

Group 2+3 KidFIX

For 15-36 kg / 3-12 years. A very safe and comfortable seat for the older child with a recline facility and the unique ISOFix system which anchors the child seat directly to the car's chassis via the standard ISOFix system for superior protection. The child is secured in the seat with the 3-point seatbelt. The Kidfix can also be installed in cars without ISOFix using the car's 3-point seatbelt.

ALLOY WHEEL OPTIONS

A set of alloy wheels can dramatically affect the way your Civic looks. So, whether you want to give it an air of exclusivity and elegance, or want to emphasise its power and sporty nature, we have developed a range of alloy wheels that complement its distinctive lines. After all, your Civic deserves to stand out from the crowd.

17" RADIUM

The 17" Radium combines a Diamond cut surface with a shiny clear coat and Rombo Silver windows.

17" NEON

The 17" Neon is available in full coat Gunpowder Black with matte clear coat.
