

MAZDA MX-5

WELCOME TO A NEW WAY OF THINKING

At Mazda we believe that if you accept conventional wisdom you end up with conventional cars. That's why we defy convention.

It's a philosophy that has led to lighter cars that are more fun to drive – while being stronger and safer. It has led to engines that burn less fuel yet create more power. And it has resulted in cars that are designed to feel like a natural extension of the driver's body.

If you're ready for a new way of thinking, welcome to Mazda.

Mazda Community Hub: <https://www.mazdarebels.com/>

Discover the Mazda Rebels, like-minded individuals who represent Mazda's ethos of defying convention. You can also explore Facebook, Twitter and YouTube for even more Mazda related material.

A CLASS OF ONE

There is only one car like the multi-award-winning Mazda MX-5. Only one car that combines the true roadster elements – an impressively high power-to-weight ratio, outstanding dynamic agility, rear-wheel drive and perfect 50:50 weight distribution – with Mazda's unique approach to car design. The original Mazda MX-5 was a pure roadster, inspired, as with the latest model, by the philosophy of Jinba Ittai: 'rider and horse as one'.

Now, three model generations after first being unveiled, the Mazda MX-5 is the world's bestselling two-seater sports car. Advances in technology may have transformed the genetics of the driving experience – but we're proud that the intimate bond between car and driver that put the original into a class of its own has remained the same ever since.

PURE ROADSTER

A fusion of art and science where everything works in harmony to deliver the ultimate adrenalin rush. A car that makes you feel connected. Alive. In touch. With responsive handling, rapid acceleration, individual comfort and eye-catching style, the Mazda MX-5 is engineered for people in search of the driving fun that only a pure roadster can provide.

PURE PASSION

You make the connection the instant your eyes fix on the Mazda MX-5. It's as if you were there when the designers first put pen to paper. As if you were inside their head. You can sense their enthusiasm. Feel their passion. You're every bit as excited at the prospect of driving this car as they were when tasked with designing it. Call it synchronised heartbeats; a shared pleasure in advanced driving dynamics and sensuous curves.

PURE ADRENALIN

There's not another soul about. Just you, your car and the road. The wind is in your hair. The scenery flashes by. Suddenly you're into your favourite series of tight bends and the car is alive in your hands. The connection is instantaneous. It's as if your Mazda MX-5 can read your mind; the responsive engine, stiff chassis, precise steering and slick gear change encouraging you to slice through every twist and turn with millimetre precision.

PURE ZOOM-ZOOM

The Mazda MX-5 is a pure expression of Zoom-Zoom. But purity does nothing to inhibit choice. To begin with, you must decide between the traditional Soft-top or the streamlined Mazda MX-5 Roadster Coupe, featuring one of the world's fastest power-operated hardtops, opening or closing in just 12 seconds. And then, the choice of model. Spirited 1.8i or 2.0i? The powerful and assured 2.0i Sport Tech Nav with Bilstein suspension delivering even more agile performance? Or how about the 2.0i PowerShift with paddle-shift operated transmission and creature comforts such as a Bose® premium audio system and Bluetooth® connectivity? All in all, a tough choice, but one that you can be sure will always deliver an outstanding driving experience whatever your decision.

RANGE

THE MAZDA MX-5 LINE-UP

Available either with premium cloth Soft-top or as Mazda MX-5 Roadster Coupe with power-retractable hardtop.

1.8i SE

Key features:

- 1.8-litre 126ps engine
- 5-speed manual transmission
- Climate control air-conditioning
- Dynamic Stability Control (DSC) with Traction Control System (TCS)
- 17" Alloy wheels
- Electric windows with one-touch down (driver and front passenger)
- Single CD audio unit with AM/FM radio, six speakers, MP3 / WMA-compatibility and auxiliary (AUX) input jack
- Dual front and side airbags

2.0i POWERSHIFT*~

In addition to 1.8i SE:

- 2.0-litre 160ps engine
- 6-speed manual sequential paddle-shift transmission with full auto mode
- Front fog lights
- Leather trim with 5-stage heated seats
- Integrated Bluetooth®

- Premium Bose® audio system with 6-CD changer, AM/FM radio, seven speakers, MP3 / WMA-compatibility and auxiliary (AUX) input jack
- Cruise control

2.0i SPORT TECH NAV*

In addition to 1.8i SE:

- 2.0-litre 160ps engine
- Sport suspension featuring Blistein dampers and strut tower bar
- 6-speed manual transmission
- Front fog lights
- Leather trim with 5-stage heated seats
- Integrated Bluetooth®
- Alloy pedal set
- Limited Slip Differential (LSD)

■ Mazda Navigation System including:

- 6.1" colour touch screen
- 46 European Country Maps
- Traffic Message Channel (TMC)
- Maps with 3D landmarks
- USB connectivity
- Single CD audio unit with AM/FM radio, six speakers, MP3 / WMA-compatibility and auxiliary (AUX) input jack

MAZDA MX-5 BODYSTYLES

Mazda MX-5 Soft-top

Mazda MX-5 Roadster Coupe

MAKE IT YOURS

Why not make a statement with genuine Mazda alloy wheels that are precision cast and machined, and then finished to a jewel-like quality? And how about creating a meaner stance with an Eibach suspension-lowering kit?

- 1 17" Alloy wheel.
(Accessory / SE / Sport Tech Nav / PowerShift)
- 2 17" Alloy wheel. (Accessory)

MAKE IT YOURS

Everyone wants to be a little bit different. To stand apart. That's why we've created so many opportunities for you to stamp your personality on your new Mazda MX-5. Go ahead: have some fun.

- 1 Wind deflector, clear type.
- 2 Fuel filler lid, brushed and polished aluminium finishes.
- 3 Door handle covers, brushed and polished aluminium finishes.
- 4 Side marker ring, brushed and polished aluminium finishes.
- 5 Illuminated scuff plate set.

MAKE IT YOURS

The inside of the Mazda MX-5 is a very special place to be. So why not make it your very own special place to be?
After all, you're going to want to spend a lot of time here.

1

2

3

- 1 Gear knob, brushed aluminium finish, with or without illumination.
- 2 Handbrake lever, brushed aluminium finish.
- 3 Luxury or tailored car mat set.

MAZDA FINANCIAL SERVICES

Who are we?

Mazda Financial Services is a division of Santander Consumer, the leading Consumer Finance House in Europe. We provide finance facilities for your Mazda vehicle through Mazda dealers at competitive rates together with additional products. We are one of the UK's leading 'point of sale' finance providers, which means your Mazda dealer can provide you with a convenient "One-Stop Shop" when choosing your next Mazda. From our wide range of finance plans, there's an option available to you, whether you are thinking of a new or used car.

What you can expect from Mazda Financial Services:

- Face-to-face service from trained, plain-talking people at your local Mazda Dealer.
- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like.
- Fixed Interest Rates: The interest rate on your loan is fixed for the duration of the agreement.
- Flexible terms tailored to your motoring needs: As specialists in Mazda vehicles we can tailor a finance package to both your budget and your motoring / ownership needs.

Please ask your sales executive for a tailor-made finance quote for your new car.

Mazda Financial Services Finance Plans:

Mazda Conditional Sale:

The traditional way of buying your car. Mazda Conditional Sale is flexible and simple, with a range of options to suit everyone.

The benefits

- Simple – fixed, equal, regular instalments.
- Predictable – pay all your instalments and you own the car.
- Flexible – you determine your repayment period at the start of your contract, meaning that you have total control of your budget.

How it works

1. Choose your Mazda. Tell your dealer the deposit and repayment period you want, from 12-60 months.
2. Agree your repayments. These are based on how much is left to pay, plus interest where applicable.
3. Drive away the moment we activate your agreement.

At the end of your contract, when all instalments have been made, you then have two choices:

- **Renew:** Choose another Mazda. The car is yours; you can part exchange it for another Mazda and use the value as your deposit.
- **Retain:** Keep the car. The car is yours once all instalments have been made.

Mazda Personal Contract Purchase:

The finance plan that helps you to change your Mazda car at more regular intervals.

The benefits

- You can fund your car over shorter periods, so you get the chance to change more often.
- The flexibility at the end of the agreement to choose to renew, retain or return your Mazda.
- You're protected against any fall in used car prices by an Optional Final Payment (OFP).

How it works

1. Choose any new or used Mazda. Estimate your annual mileage.
2. We estimate the minimum amount your car will be worth once your contract finishes – the OFP.
3. To work out your regular payments we add any interest charges and calculate the monthly payments based on your deposit and the OFP.
4. Drive away the moment we activate your agreement.

At the end of your contract, when all instalments have been made, you then have three choices:

- **Renew:** Choose another Mazda. Use any excess value above the OFP towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account.
- **Retain:** Keep the car. Simply pay the OFP, and the car is yours.
- **Return your car:** There's nothing more to pay if the car's in good condition and within the agreed mileage.

OUR COMMITMENT TO THE ENVIRONMENT

Mazda makes cars that excite, look stylish and appealing, are fun to drive and make you want to get behind the wheel again and again. But we are equally committed to the environment, to the creation of a sustainable future for all. This means limiting the Earth's resources that we use and always considering the environmental impact in everything we do.

Our sustainability programme is dedicated to the development of clean technologies. This covers every aspect of a vehicle's impact on the environment – from planning and development, through to manufacturing, use and eventual recycling / disposal. Below are just three examples of how our environmental policies have led to significant advances in 'green' technology.

Plant-derived plastics

Our interior car plastics use carbon-neutral* plant-derived biomass – an industry first.

- Reduces reliance on fossil fuels
- Cuts CO₂ emissions
- Uses sustainable raw materials
- Requires 30% less energy to produce than petroleum based plastics
- Is three times stronger than conventional bioplastics
- Has 25% higher heat resistance than conventional bioplastics
- Produces lighter, stronger parts improving fuel economy

*CO₂ released when the bioplastic decomposes or is burned is comparable to the amount absorbed by growing plants, having a negligible impact on total atmospheric CO₂ levels.

Semi-dry machining process

Conventional machining of cast metal parts uses huge amounts of water-based coolant to cool and lubricate cutting tools, and remove and collect waste metal. With Mazda's semi-dry machining process, we have substituted large volumes of coolant for tiny quantities of atomised biodegradable oil in a jet of air.

The benefits of semi-dry machining:

- 84% reduction in the amount of coolant required
- Reduced electricity consumption by 40% on machining lines
- 80% cut in waste liquids

Recycling

Mazda has made a substantial commitment to recycling.

Mazda Premacy Hydrogen RE

- We have reduced waste material in our production facilities by 55% since 1990
- In 1992 we became the first car manufacturer to recycle bumpers
- Over 75% of our plastic parts can be recycled
- All of our gaskets and brake-pads are asbestos-free
- There are no ozone-damaging CFCs in our polyurethane products (such as the foam padding in seats, armrests and steering wheels)
- Many of our plants have passed the stringent ISO 14001 test – commonly known as the environmental ISO

MECHANICAL FEATURES AND MODEL AVAILABILITY

Engines:

- 1.8i SE**
- 1798cc in-line 4-cylinder, 16-valve, DOHC, developing 126ps (93kW) at 6500rpm and 167Nm at 4500rpm.
 - CO₂ emissions of 167g/km.
 - Electronic fuel injection.
 - Battery – 46B24L.
 - Alternator – 12V-100A.
- 2.0i Sport Tech Nav**
- 1999cc in-line 4-cylinder, 16-valve, DOHC, developing 160ps (118kW) at 7000rpm and 188Nm at 5000rpm.
 - CO₂ emissions of 181g/km.
 - Electronic fuel injection.
 - Battery – 46B24L.
 - Alternator – 12V-100A.
- 2.0i Power Shift**
- 1999cc in-line 4-cylinder, 16-valve, DOHC, developing 160ps (118kW) at 6700rpm and 188Nm at 5000rpm.
 - CO₂ emissions of 188g/km.
 - Electronic fuel injection.
 - Battery – 46B24L.
 - Alternator – 12V-100A.

Transmissions:

- 5-speed manual (1.8i SE), 6-speed manual (2.0i Sport Tech Nav) and 6-speed automatic with paddle-shift (2.0i PowerShift) – giving precise, positive shift feel to provide a feeling of unity between driver and vehicle.

Body:

- Self-supporting rigid and torsion-resistant all-steel body with defined crumple zones for the front and rear sections, stable passenger safety cell with side impact reinforcement in the doors.
- Mazda Advanced Impact Distribution and Absorption System (MAIDAS) designed to secure the critical interior space in the event of an accident.
- Supplementary Restraint System (SRS) – central control unit and crush sensors, seatbelt pre-tensioners, load limiters and airbag system.
- Two seater.
- Manually-operated soft-top (with detachable hardtop available as an optional accessory at extra cost) or electrically-operated retractable hardtop (Mazda MX-5 Roadster Coupe).

Chassis and Suspension:

- Front: Independent double-wishbone suspension with gas-filled, monotube shock absorbers and aluminium upper and lower arms for low unsprung weight.
- Rear: Multi-link suspension with optimised geometry and gas-filled, monotube shock absorbers.
- Bilstein dampers and suspension strut tower bar (2.0i Sport Tech Nav models only).

Brake System:

- Four-wheel Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD).
- Front: 290mm diameter ventilated discs.
- Rear: 280mm diameter discs.

Manufacturer's Warranty – 3-Year Cover

Every Mazda is designed and built to the highest standards of performance, comfort and reliability. For your further reassurance, Mazda also provides a full 3-year / 60,000-mile warranty cover, Mazda Roadside Assistance¹⁾, 3-year paintwork warranty and a 12-year anti-perforation warranty.

Free Mazda Accident Aftercare

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Should you ever be involved in an accident or need to make an insurance claim, 'Mazda First' will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, in addition to other benefits such as providing you with a free courtesy car and maintaining your Mazda warranties.

Mazda Contract Hire*

Mazda Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive ownership costs for businesses and individuals. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer or phone 0844 600 1410.

Digital Service Record

The Mazda Digital Service Record (DSR) system provides increased security against counterfeit service documents and odometer tampering, and makes it easy to keep the service history up-to-date. Stored on a central database, the DSR replaces the traditional paper service book and ensures a secure, accurate and permanent service history for the life of the vehicle.

Your Mazda dealer:

Mazda Motors UK Limited reserves the right to introduce changes in specification and equipment due to its ongoing product development. Colour and trim samples shown in this brochure may vary from the actual colours because of the limitations in the printing process. It is recommended that you consult your Mazda dealer when referring to these.
