WHAT IF
FOLLOWING THE MAP
ISN'T YOUR STYLE?

You'd need a vehicle that's as open to adventure as you are. With the capability to take you where you want to go, and the comfort and technology to make the trip back just as much fun. So load up and let's go. We're ready. The All New Nissan X-Trail.

REQUEST A TEST DRIVE

[REQUEST A TEST DRIVE](#)

Sit back and enjoy tasteful touches like a Power Opening Panoramic Roof, double stitched leather interior, LED interior lighting and gloss black trim with metallic accents. All to create a stunning view – wherever you look.

[REQUEST A TEST DRIVE](#)

[REQUEST A TEST DRIVE](#)

BREATHTAKING FROM TOP TO BOTTOM

Comfortable zero-gravity inspired seats with spinal support – With your comfort in mind, Nissan engineers have designed an articulated driver's seat that supports you from the pelvis to the chest, along with seat cushions that flex in response to your unique pressure points.

Power Opening Panoramic Roof – Enjoy a panoramic view from the All New Nissan X-Trail's Power Opening Panoramic Roof, that stretches the length of the vehicle.

Heated and cooled cupholders – help to keep your drinks at a temperature you prefer.

Quick Heated Front Seats – specifically target key areas of the body to heat them in sequence, ensuring you warm up as quickly as possible.

SLIDE, GLIDE AND SWING WIDE.

A smarter 2nd row. This 2nd row is truly first class, thanks to X-Trail's flexible seating system. The 60/40 split seat slides forward for easy access and adjusts to give you a little more cargo space, more leg room or anywhere in between. The seats also recline, when it's time to just relax.

Optional 3rd row. X-Trail's 50/50 split folding 3rd-row seat gives you added flexibility carrying 2 extra passengers and their gear, or folds down to make a flat cargo floor for maximum carrying space.

Power Tailgate and Rear 77° Wide Opening Doors. X-Trail gives you easy access with rear doors that swing out nearly 80°, and a power tailgate that opens by a tap of a button on the boot, your Nissan Intelligent Key or a switch mounted by the driver.

KEEP AN OPEN HATCH AND AN OPEN MIND.

Room for craft and crew. With room for an object around 2.6 metres long, X-Trail gives you possibilities you never knew you had. And with a clever 60/40 folding seat, there's plenty of room to bring friends along, too.

1,982 LITRES

You, a passenger and lots of cargo.

550 LITRES

Five of you and your gear.

18

CONFIGURATIONS

Luggage Board System. All New Nissan X-Trail comes equipped with an innovative Luggage Board System which enables you to adjust shelves and dividers to give you a variety of configurations - it's so easy, you can do it with one hand.

A. A long, flat floor with under-floor storage for those big items and the ones you want to hide.

B. Lower your floor for added height to fit those tall items.

C. Create a hidden compartment that keeps valuables out of sight, with a handy shelf on top.

D. Make an open space for storage underneath, and a handy shelf to keep other items separate and within easy reach.

GET A LITTLE DIRTY – WITH A CLEAN CONSCIENCE.

What if you got excellent fuel economy in a roomy SUV that's lots of fun to drive? With X-Trail, we got there by developing everything from exterior aerodynamics, to advanced engines and a virtually gearless Xtronic transmission that maximises efficiency and performance.

Power to go. Powering the All New X-Trail is an advanced dCi 130 engine, tuned to provide the performance of larger diesel powerplants, while offering enhanced fuel economy and lower CO₂ emissions. The engine also features Nissan's automatic Stop/Start, which shuts down the engine when it's not needed – at traffic lights, for example – to save fuel, then smoothly and quickly restarts as you pull away.

ENGINE	OUTPUT	TORQUE	CO ₂ *	FUEL CONSUMPTION*
dCi 130 2WD MT	130	320	129	57.6 (mpg)
dCi 130 2WD Xtronic	130	320	135	53.3 (mpg)
dCi 130 4WD MT	130	320	139	55.4 (mpg)

*Tentative pending final homologation.

Xtronic (Continuously Variable Transmission). In the newest version of our Xtronic Automatic Transmission, friction is reduced by up to 40% and the ratio coverage is increased to greater than that of some 8-speed automatics. A new Eco mode improves fuel economy at the touch of a button. All this, and performance so smooth, it's like riding a continuous wave of power.

[REQUEST A TEST DRIVE](#)

WHAT IF_ YOUR CAR KNEW WHEN YOU WERE CORNERING?

And how to react to your commands? That's the kind of intuitive response we've engineered into every X-Trail, so you can enter any situation with more confidence.

Intuitive 4WD. With X-Trail's optional All-Mode 4x4-i, you've got a system that's capable on-road and off. You can choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice.

Active Engine Brake. Whether you're slowing for a corner or coming to a stop, this system uses the Xtronic transmission to apply engine braking – much like shifting to a lower gear in traditional transmissions – to help give smoother deceleration and a more confident feel when braking.

Active Trace Control. This innovative technology helps improve control when you take a corner. It reads the cornering situation and, if needed, can brake each wheel individually to help you steer through the turn with confidence.

Active Ride Control. X-Trail can automatically apply braking and adjust engine torque after you hit a bump to smooth out your ride.

Hill Start Assist. Helps prevent rollback when starting and driving away on an incline.

NISSAN ADVANCED DRIVE-ASSIST DISPLAY INNOVATION THAT'S RIGHT IN FRONT OF YOU.

With so much going on around you, it's easy to lose sight of what's most important: driving. From turn-by-turn directions to caller ID, the Advanced Drive-Assist Display serves up information conveniently within your eye line, helping to minimise time looking away.

NissanConnect

Bluetooth

NISSANCONNECT

SMART AND FUNCTIONAL. NissanConnect is incredibly easy to use thanks to the high resolution 7" anti-glare touchscreen. It comes equipped with a rich range of features including audio, navigation and communication functions as well as cutting edge connectivity and smartphone integration features.

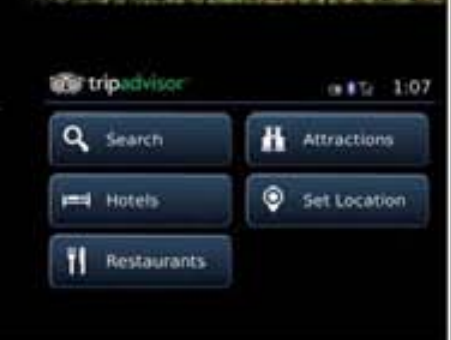

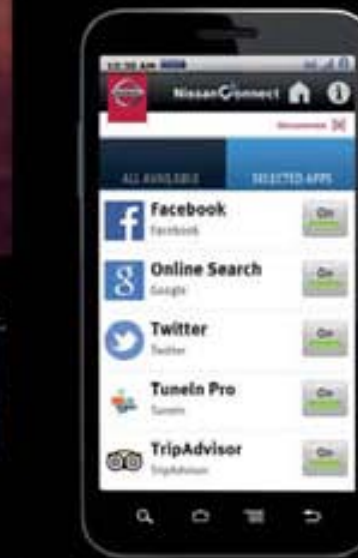

CONNECTED WHEREVER YOU GO. NissanConnect offers Smartphone integration. Enjoy an ever evolving list of applications* from the comfort of your Nissan's display screen, all tailored to enhance your overall driving experience in a safe way.

INTELLIGENT DRIVER ASSISTANCE and navigation functions support you in all kinds of traffic situations with motorway exit views, lane guidance and dynamic re-routing.

STREAMING AUDIO VIA BLUETOOTH®. Enjoy digital radio, Over The Air internet radio, or stream music from your mobile phone.

IPOD/ USB INPUT. Plug in your iPod or MP3 player to access your entire music library while you're on the road.

*Driving is a serious business. Only use NissanConnect services when safe to do so. Some applications shown are not yet available and more will be available at a later date. NissanConnect service subscription required but is available on a complimentary basis for 2 years from registration. Service and applications only available in select European countries and on select Nissan models. Services and applications may be provided by third parties outside Nissan's control and are subject to change without notice or liability to Nissan or its agents (including, without limitation, services cancelled/suspended by third parties.) Certain remote functions require compatible phone or device, not included with the vehicle. Cellular networks are provided by cellular companies, and are not within Nissan's control. Cellular networks not available in all areas. Roaming charges and/or data usage charges may apply. Nissan is not responsible for any equipment replacement or upgrades or associated costs that may be required for continued operation due to service changes.

NISSAN AROUND VIEW MONITOR
IT'S GOT YOUR BACK.
AND THE REST OF YOU, TOO.

What if parallel parking was easier? A rear view is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why X-Trail offers an Around View Monitor. Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and kerb-side views, so you can get a better look. And since all obstacles aren't stationary, Moving Object Detection keeps an eye around your X-Trail and can warn you about moving objects detected in your vicinity.

Parking the All New Nissan X-Trail is as easy as driving it: Intelligent Park Assist measures the available space to make sure there's enough room. What's more, in Auto Mode, X-Trail does the steering manoeuvres for you to slide effortlessly into place.

On-screen controls let you tell the system how you want to park.

For other parking situations, on-screen controls help you choose your desired space, and then steer you in.

NISSAN SAFETY SHIELD PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Keeping an eye out. Smart technologies help monitor your vehicle's systems and surroundings. Like a warning when you're straying from your lane, or a system that helps ensure you're travelling on correctly inflated tyres.

Tyre Pressure Monitoring System. Alerts you when tyre pressure is low in any wheel.

Driver Attention Alert. Your X-Trail monitors your driving, and if it senses that you may be fatigued, drowsy, or distracted, an audible warning will sound and an alert will appear on the Advanced Drive Assist-Display.

Traffic Sign Recognition. X-Trail employs an advanced system that can actually read road signs, including speed limits and other advisories, providing you with the information on the Advanced Drive-Assist Display.

High-Beam Assist. If you're driving with the high beams on and the system detects oncoming traffic, it will automatically turn the high beams off. Once traffic passes, the system will turn the high beams back on.

Helping you respond. When you need to hit the brakes hard or suddenly manoeuvre around an obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.

Anti-lock Braking System helps you maintain steering control around obstacles when braking heavily.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

Helping protect you. When a collision is unavoidable, Nissan's Zone Body Construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

6 STANDARD AIR BAGS

NISSAN SAFETY SHIELD TECHNOLOGIES GET AWAY WITH JUST A WARNING.

Discover a drive that's alive with technologies, using cameras and sensors the All New Nissan X-Trail delivers 8 different safety systems which work together to build your confidence and keep you on top of your surroundings at all times.

Forward Emergency Braking. Depending on speed and situation, Nissan's Forward Emergency Braking system may, in certain circumstances reduce the impact of a collision by automatically activating the brakes if you get too close to the vehicle in front of you.

Blind Spot Warning. If another vehicle is detected in your blind spot area, a warning light appears in the driver's or front passenger's doors and on the Advanced Drive-Assist Display. Put your indicator on, and the warning light will flash and you'll also hear an audible alert.

Lane Departure Warning. If X-Trail detects that you're straying from your lane, the Lane Departure Warning system will give both a visual and audible alert. The system is so smart, its designed to stop the warning when your indicator is on.

Moving Object Detection. When the Around View Monitor is in use and detects something moving by the vehicle, it gives a visual and audible alert.

YOU CARE ABOUT YOUR NISSAN SO NISSAN WILL CARE FOR YOU.
THAT'S WHY WE'LL MAKE THE FOLLOWING COMMITMENT:

YOU care about staying on the road when your Nissan is in for service or repair.

YOU care about quality enough to have your Nissan serviced at a Nissan dealership.

YOU care about getting the best value for money when it comes to service and repair.

YOU care about having your problems resolved quickly.

YOU care about getting the right Nissan model, engine & gear box to test drive.

NISSAN will keep you mobile free of charge.

NISSAN says thanks by giving you continuous Nissan Roadside Assistance for free.

NISSAN will price match like for like competitor written quotes within 10 miles of your local dealer.

NISSAN will propose how to resolve any problem within 2 working days.

NISSAN will guarantee that's what you'll get when you pre-book your test drive either online or through our customer service centre.

YOU + NISSAN
CARE

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

NISSAN SERVICE CONTRACTS

A Nissan Service Plan is the best way to give your new Nissan X-Trail the maintenance it deserves!

We'll take good care of your Nissan whilst keeping your servicing costs at a fixed price over the years.

As part of the service we will change your parts and fluids in accordance with Nissan official service schedules and perform check ups, providing you ultimate peace of mind.

When your X-Trail is due a service, Nissan will propose the most suitable service and a convenient time for you.

NISSAN X-TRAIL OFFERS YOU:

3-YEAR WARRANTY

12-YEAR ANTI-CORROSION BODY PERFORATION WARRANTY

DIESEL: 12 MONTH OR 18,000 MILE SERVICE INTERVAL*

* Whichever is first

NISSAN CARE WARRANTY

Nissan Care Warranty gives you the opportunity to extend your 3 year / 60,000 mile manufacturer warranty for a specific time of your choosing. Simply select the warranty that best suits you.

If a repair is necessary, only Nissan genuine parts will be used and fitted by Nissan trained technicians.

You will also receive Pan European Nissan Roadside Assistance for the duration of the Care Warranty.

VED rates are determined by the vehicles CO₂ emissions figures and by the type of fuel used. The following table applies to all new car registrations:

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£130	£145	£180	£290	£345	£485	£635	£860	£1,090
Diesel Car	£0	£0	£0	£0	£130	£145	£180	£290	£345	£485	£635	£860	£1,090
Alternative Fuel Car	£0	£0	£0	£0	£115	£130	£165	£275	£325	£465	£610	£830	£1,055

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £225 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.

VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Three-year/60,000 miles manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

LEAF – Nissan LEAF offers a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan LEAF lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF's capacity gauge for a period of 5 years / 60,000 miles. For LEAF flex customers, the battery state of health guarantee applies for the duration of the battery lease.

NV200 Combi - New Vehicle Warranty is issued by Nissan International SA is valid for 3 years from the warranty start date or 60,000 miles, whichever comes first. In addition, for each new NV200 Combi sold by an authorised UK Nissan dealer, Nissan Motor (GB) Limited (NMGB) will issue an extension to the New Vehicle Warranty. This warranty extension will cover your vehicle from 60,000 miles up to 100,000 miles or 3 years from the warranty start date, whichever comes first. Please note that audio and navigation units will not be covered by the warranty extension.

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the first 3 years of your vehicle's life.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
